Agenda #	Relate To	Position	Name	Comments
19.		Favor	Chad Mayer	As a nonprofit serving youth who have experienced instability and system involvement, we have seen firsthand how early intervention and family stabilization can change long-term outcomes. Prevention-centered, trauma-informed approaches like HOPE Court reflect the type of coordinated, equity-driven system alignment that strengthens families and reduces long-term system costs. We support efforts that prioritize early childhood attachment, racial equity, and cross-department collaboration.
