- **Generate Revenue:** Long-term financial plan to manage one-time funding risks to support core programs, including launch of Enhanced Care Management.
- **Increase Collaboration:** Pursue sustainable funding solutions and opportunities for County collaboration and partnership.
- **Protect Investments & Strengthen Oversight:** Prioritize monitoring, compliance, and IT systems by enhancing fiscal oversight and quality assurance across all programs and services.
- **Leverage Community Capacity:** Utilize the Incubation Academy and CFCI Care grantee recipients to better meet existing community and County needs.
