Agenda #	Relate To	Position	Name	Comments
26.		Favor	Christine Moore	Our youth need and deserve fairness and a chance at a quality life. Over incarceration takes that from children already vulnerable.
			Tania Ibanez Virnig	I am concerned that youth of color are being selected to be tried as adults in a disproportionate manner. This legislation will require that the court make findings beyond a reasonable doubt that the youth will have no hope for rehabilitation and on that basis should be tried as an adult.
