2026 Dragon Boat Festival Fee Waiver

The Los Angeles County (County) Department of Beaches and Harbors, in coordination with the County Dragon Boat Club, will host the Dragon Boat Festival on March 7, 2026, at Burton Chace Park in Marina del Rey. This annual event brings together participants from across the County to learn about dragon boat racing, a team sport that celebrates rich cultural traditions, promotes physical activity for all ages, and reflects the County’s diversity. Organized and volunteer-led by County staff, the festival highlights the value of public service and collective effort while uniting families, small businesses, and cultural organizations along the Marina del Rey waterfront. It also provides local businesses with opportunities to promote their goods and services and encourages attendees to explore the Marina del Rey area.

Proceeds from the event will directly support youth programming, expanding opportunities for underserved youth and economically disadvantaged communities to participate in this sport. Through the Dragon Boat Festival, the County continues to advance programs that foster diversity, wellness, and meaningful community connections.
