Agenda #	Relate To	Position	Name	Comments
79-A.		Other	Sharonda Bush	<p>My name is Sharonda bush, A current LAHSA employee and member of SEIU 721.</p> <p>I would like to respond to the recommendation that employees apply now to get on eligibility lists.</p> <p>Many of us have already done exactly that. I personally reached out to the Concierge Program for assistance and followed up again in December. I did not receive a response, guidance, or any meaningful support. That experience has been shared by others as well. The program that was presented as a resource has not functioned as an effective support system for staff navigating potential job loss.</p> <p>Employees are not sitting idle. We are actively trying to secure our livelihoods. For many of us, this is our primary source of income and how we support our families.</p> <p>It is critical that there be a structured and responsive transfer process into available positions. Simply advising staff to apply, without ensuring real support and follow through, leaves employees vulnerable despite our proactive efforts.</p> <p>Thank you in advance.</p>
