

MOTION BY SUPERVISOR LINDSEY P. HORVATH

March 17, 2026

**Governance Reform Task Force Labor Representation**

The Board of Supervisors (Board) adopted a motion, [Los Angeles County Governance Reform: Implementing The Voter Mandate For A More Representative, Accountable & Transparent LA County](#) (Horvath-Solis), which established the composition and selection process for members of the Governance Reform Task Force (GRTF) who are charged with implementation of Measure G. The motion states that one of the three GRTF labor members will be nominated by the Los Angeles Federation of Labor through an application process and the appointment ratified by the Board.

The current representative of Los Angeles County Federation of Labor is no longer able to serve, creating an unscheduled vacancy. Participation of the Los Angeles County Federation of Labor is crucial to ensuring that working peoples' voices are represented on the GRTF as the future of County government is being decided. Government Code section 54974 allows the Board to determine that an emergency exists in order to take immediate action to fill an unscheduled vacancy on County board or commission. This position is filled in an acting capacity until such time that a permanent appointment can
