Dear Supervisors:

**REQUEST FOR APPROVAL AND AWARD OF GENERAL AND  
PROJECT MANAGEMENT CONSULTING SERVICES—  
CAPITAL DEVELOPMENT MASTER AGREEMENTS  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

General and Project Management Consulting Services – Capital Development Agreements, released on October 29, 2025, subject to review and approval by County Counsel.

3. 4. Delegate authority to the Director of DEO, or designee, to execute change notices to the as-needed General and Project Management Consulting Services – Capital Development Master Agreements that authorize modifications to a) reflect administrative updates; and b) nonmaterial modifications.
5. Delegate authority to the Director of DEO, or designee, to immediately suspend or terminate any as-needed General and Project Management Consulting Services – Capital Development Master Agreements upon issuing a written notice to the contractor(s) if the contractor(s) fail to perform and/or fully comply with contract requirements and terminate as-needed General and Project Management Consulting Services – Capital Development Master Agreements for convenience by providing 10-calendar day advance written notice to contractor(s).

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of Recommendation 1 will enable DEO to execute as-needed General and Project Management Consulting Services – Capital Development Master Agreements with qualified vendors selected under a competitive solicitation process for the following categories: (1) Architecture and Design; (2) Engineering; (3) Planning, Land Use & Economic Development; (4) Environmental Services; (5) Real Estate Services; (6) Project Management; and (7) Other General Services. These Master Agreements will enable DEO to structure, plan, and execute complex development transactions that require technical expertise in architecture and engineering, planning and entitlements, real estate transaction services and development deal structuring, and environmental analysis to translate policy goals into financeable and buildable projects.

Approval of Recommendations 2 and 3 will allow DEO to execute General and Project Management Consulting Services – Capital Development Master Agreements with additional qualified vendors during the ensuing period and expand the pool of qualified vendors seamlessly, without interruption, to meet the needs of DEO, and amend the Master

Agreements to extend the term, and add additional service categories consistent with the RFSQ.

Approval of Recommendation 4 will allow DEO to execute amendments to the General and Project Management Consulting Services – Capital Development Master Agreements to reflect administrative updates and make nonmaterial modifications.

Approval of Recommendation 5 will allow DEO to immediately suspend or terminate any General and Project Management Consulting Services – Capital Development Master Agreements upon issuing a written notice to the contractor(s) if the contractor(s) fail to perform and/or fully comply with contract requirements and to terminate General and Project Management Consulting Services – Capital Development Master Agreements for convenience by providing 10-calendar day advance written notice to contractor(s).

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The recommended master agreements support the County's Strategic Plan, North Star 2, specifically Focus Area Goal E. Economic Health, deploying and diffusing community resources and investments through partnerships with community-based institutions, organizations, corporations, and small businesses to enhance the economic health of all communities. In addition, it supports North Star 3, Realize Tomorrow's Government Today, specifically Focus Area Goal F. Flexible and Efficient Infrastructure, by consolidating and streamlining the contracting process, and increasing contractor participation opportunities through the Master Agreement process.

### **FISCAL IMPACT/FINANCING**

This General and Project Management Consulting Services – Capital Development Master Agreement itself does not include any funding for work orders but puts in place a methodology for work orders with funding to be awarded to contractors. Only approved agencies that become contractors on the General and Project Management Consulting Services – Capital Development Master Agreement will be allowed to participate in submitting proposals for County Work Orders; if successful, the agencies may be awarded funding depending on the nature of the Work Order. DEO encourages the use of this process by all County departments so that they may better utilize contractors as they contract for services.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Upon Board approval, DEO will execute agreements with the list of recommended contractors. DEO will be responsible for administration of the General and Project Management Consulting Services – Capital Development Master Agreements, which will provide a pool of pre-qualified vendors that have demonstrated relevant experience and capacity to provide the following service categories: 1) Architecture and Design; (2)

Engineering; (3) Planning, Land Use & Economic Development; (4) Environmental Services; (5) Real Estate Services; (6) Project Management; and (7) Other General Services.

Attachment I is the list of recommended contractors. Attachment II is the Master Agreement which includes all the current Board-mandated provisions and has been reviewed and approved by County Counsel. All recommended contractors have agreed to the terms outlined in the Master Agreement.

Approval of the Master Agreement does not guarantee a contractor any minimum amount of business. The County only incurs an obligation if the services are obtained through these Master Agreements. Attachment II has been reviewed and approved by County Counsel.

### **CONTRACTING PROCESS**

On October 29, 2025, DEO issued a RFSQ to establish a pool of qualified vendors and enable DEO to obtain as needed general and project management services. The contracting opportunity announcement was posted on the County's "Doing Business with Los Angeles County" website. Additionally, the DEO released the RFSQ to an extensive list of vendors known to provide as-needed consulting services.

Vendors were given the opportunity to submit written questions regarding the material elements of the RFSQ. Responses to the RFSQ were due on January 7, 2026. DEO received 46 SOQs by the first submission deadline. Of the 46 SOQs received, 13 passed, 16 were deemed unresponsive and 17 are pending review.

Under the RFSQ, vendors may continue to submit SOQs after the initial deadline and those SOQs will be considered for review at the convenience of the County. In accordance with the solicitation process, the RFSQ will remain open throughout the duration of the Master Agreement term allowing new SOQs to be submitted. Additional qualified vendors will be offered a Master Agreement if it serves the best interests of the County.

### **IMPACT ON CURRENT SERVICES OR PROJECTS**

Approval of the recommendations will assist the DEO in implementing its Capital Development function for the benefit of businesses and workers throughout Los Angeles County and will also increase efficiency in contracting for various for as-needed General and Project Management Services.

### **CONCLUSION**

Upon approval by the Board, it is requested that the Executive Officer, Board of Supervisors, return one stamped copy of the approved Board Letter to DEO.

- 2.1.17 Work Order:** A subordinate agreement executed wholly within and subject to the provisions of this Master Agreement, for the performance of tasks and/or provision of deliverables as described in a specification or a Statement of Work. Each Work Order must result from bids, solicited by and tendered to County, by Qualified Contractors. Unless otherwise specified in the Work Order Availability Notice, County will select the lowest cost, qualified bid responding to the requirements of the proposed Work Order. No work will be performed by Contractors except in accordance with validly bid and executed Work Orders.

### 3.0 WORK

- 3.1 Pursuant to the provisions of this Master Agreement, the Contractor must fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.
- 3.2 Work Orders will generally conform to either Exhibit D1 or D2, depending on whether the particular Work Order is to be performed on a time and materials basis (see Exhibit D1) or on a fixed price per deliverable basis (see Exhibit D2) as determined by County. Each Work Order will include an attached Statement of Work, which will describe in detail the particular project and the work required for the performance thereof. Payment for all work will be either on a time and materials basis or on a fixed priced per deliverable basis, subject to the Total Maximum Amount specified on each individual Work Order.
- 3.3 If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the Work Order expiration date, and/or that exceeds the Total Maximum Amount as specified in the Work Order as originally written or modified in accordance with Paragraph 8.1 (Amendments), these will be gratuitous efforts on the part of Contractor for which Contractor will have no claim whatsoever against County.
- 3.4 County procedures for issuing and executing Work Orders are as set forth in this Paragraph. Upon determination by County to issue a Work Order solicitation, County will issue a Work Order solicitation containing a Statement of Work to all Master Agreement Qualified Contractors. Each interested Qualified Contractor so contacted must submit a bid to the County address and within the timeframe specified in the solicitation. Failure of Contractor to provide a bid within the specified timeframe may disqualify Contractor for that particular Work Order.

- 3.5 Upon completion of evaluations, County will execute the Work Order by and through the Department staff identified in this Master Agreement with the lowest cost Qualified Contractor unless the Work Order solicitation specifies bid evaluation criteria other than lowest cost. It is understood by Contractor that County's competitive bidding procedure may have the effect that no Work Orders are awarded to some Master Agreement Qualified Contractors. Work Orders are usually issued for periods not extending past the end of County's current fiscal year (June 30<sup>th</sup>) with the exception of Work Orders for as needed services on a time and material basis, which may be issued to correspond with the term of the Master Agreement. However, at such time the Work Order is only extended through the end of the fiscal year, County may either rebid the Work Order tasks or extend the Work Order if technical or cost circumstances require it.
- 3.6 County estimates that selection of any Contractor will occur within ten (10) to thirty (30) business days of completion of the evaluations of the particular Work Order bids. Following selection, all Contractors selected must be available to meet with County on the starting date specified in the Work Order. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular Work Order as determined in the sole discretion of County's Project Director.
- 3.7 In the event Contractor defaults three times under Paragraph 3.6 within a given County fiscal year, then County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default).

#### **4.0 TERM OF MASTER AGREEMENT**

- 4.1 The term of this Master Agreement will commence after execution by Director or their designee as authorized by the Board of Supervisors (Board). This Master Agreement will expire on September 30, 2031, unless sooner extended or terminated, in whole or in part, as provided herein.
- 4.2 The County will have the sole option to extend the Master Agreement term for up to five (5) additional one (1) - year extension, for a total Master Agreement term of ten (10) years. Each such option and extension will be exercised at the sole discretion of the Director, or their designee as authorized by the Board.
- The County maintains a database that track/monitor contractor performance history. Information entered into the database may be used for a variety of purposes, including determining whether the County will exercise a Master Agreement term extension option.
- 4.3 Contractor must notify the Department when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor must send written notification to the Department at the address herein provided in Exhibit A (County's Administration).

- 8.2.2 The Contractor must not assign, exchange, transfer, or delegate its rights or duties under this Master Agreement, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate

defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

- 8.7.2 Written Employee Jury Service Policy
  - Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the [Jury Service Program \(Section 2.203.020 of the County Code\)](#) or that Contractor qualifies for an exception to the [Jury Service Program \(Section 2.203.070 of the County Code\)](#), Contractor must have and adhere to a

written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

- For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Master Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Master Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.
- If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor must immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to

remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

- Contractor's violation of this Paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of future County Master Agreements for a period of time consistent with the seriousness of the breach.

## **8.8 Conflict of Interest**

8.8.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.8.2 The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 8.8 will be a material breach of this Master Agreement.

## **8.9 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-employment List**

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

## 8.10 Consideration of Hiring GAIN/START Participants

- 8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: [gainstart@dpss.lacounty.gov](mailto:gainstart@dpss.lacounty.gov) and [bservices@opportunity.lacounty.gov](mailto:bservices@opportunity.lacounty.gov) and DPSS will refer qualified GAIN/START job candidates.
- 8.10.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

## 8.11 Contractor Responsibility and Debarment

### 8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

### 8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other Master Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

### 8.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Master Agreement with the County or a nonprofit corporation created by the County, (2)

committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Master Agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

#### **8.11.4 Contractor Hearing Board**

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona

vide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

- The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- 8.13.2 As required by the [County's Child Support Compliance Program \(County Code Chapter 2.200\)](#) and without limiting the Contractor's duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Master Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

### **8.14 County's Quality Assurance Plan**

The County or its agent(s) will monitor the contractor's performance under this Master Agreement on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

### **8.15 Damage to County Facilities, Buildings or Grounds**

- 8.15.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs must be made immediately after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.15.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as

determined by County, for such repairs must be repaid by Contractor by cash payment upon demand.

#### **8.16 Employment Eligibility Verification**

- 8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.
- 8.16.2 The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Master Agreement.

This Master Agreement may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Master Agreement. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Master Agreement.

### **8.19 Force Majeure**

- 8.19.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph as "force majeure events").
- 8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

### **8.20 Governing Law, Jurisdiction, and Venue**

This Master Agreement will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

### **8.21 Independent Contractor Status**

- 8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the

These minimum insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Master Agreement. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents,

information, books, records, and/or contents of an SOQ marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

- The Contractor must develop all publicity material in a professional manner; and
- During the term of this Master Agreement, the Contractor must not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County’s Project Director. ### **8.37 Record Retention and Inspection-Audit Settlement**

The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor must also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County’s written permission is given to dispose of any such material prior to such time. All such material must be maintained by the

Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

The County will make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this paragraph will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.
- 8.37.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference will be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

### **8.38 Recycled Bond Paper**

- 8.39.4 The Contractor will remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.39.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.
- 8.39.6 The County's MAPD is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.
- 8.39.7 The Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

**8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program**

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), will constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice will be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) and pursue debarment of Contractor, pursuant to [County Code Chapter 2.200](#).

**8.41 Termination for Convenience**

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.

8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, the Contractor must immediately:

- Stop work under the Work Order or under this Master Agreement, as identified in such notice;

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Master Agreement to the extent not terminated under the provisions of this paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.42.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and

subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

- 8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.42, or that the default was excusable under the provisions of Paragraph 8.42.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience).
- 8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

#### **8.43 Termination for Improper Consideration**

- 8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Master Agreement. In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.43.2 The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

#### **8.46 Termination for Non-Appropriation of Funds**

Notwithstanding any other provision of this Master Agreement, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

#### **8.47 Validity**

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances will not be affected thereby.

#### **8.48 Waiver**

No waiver by the County of any breach of any provision of this Master

Agreement will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement will not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.48 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

#### **8.49 Warranty Against Contingent Fees**

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

# THERE'S A BETTER CHOICE. SAFELY SURRENDER YOUR BABY.

Any fire station. Any hospital. Any time.

BabySafeLA.org

No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

**FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER**

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

No shame | No blame | No names

**ABOUT THE BABY SAFE SURRENDER PROGRAM**

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit [BabySafeLA.org](http://BabySafeLA.org) to learn more.

## FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

## ANSWERS TO YOUR QUESTIONS

### Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

### Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

### What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

### What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

### What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

### How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

### If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.
