**The Music Center 47th Annual Very Special Arts Festival Parking Fee Waiver**

The Music Center’s Very Special Arts Festival is an annual, free, and inclusive celebration of the artistic achievements of students of all abilities. The festival showcases student and professional performances, hands-on visual and performing arts workshops, and a student art exhibition developed around a partner-designed annual theme.

This year’s theme, “United and Inspired,” is supported by a custom study guide with lessons that help students explore its meaning through creative expression. Presented in partnership with the Los Angeles Unified School District and the Los Angeles County Office of Education, the festival is open to students across all grade levels.

The event spans two days: Friday, May 1 is reserved for school groups attending by bus, and Saturday, May 2 welcomes families, caregivers, and the broader Los Angeles County community. Together, these experiences transform the festival into a vibrant, accessible celebration featuring live music and dance, interactive art-making, and a magic show.
