The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

### **APPROVAL OF A CONTRACT FOR FIRE FLEET REBUILD AND REPAIR SERVICES FOR RADIATORS, COOLERS, AND HEAT EXCHANGERS (ALL DISTRICTS) (3 VOTES)**

#### **SUBJECT**

The Consolidated Fire Protection District of Los Angeles County (District) is requesting Board of Supervisors (Board) approval to enter into a contract with Atlas Radiator, Inc (Atlas Radiator). The District requires fire fleet maintenance and repair services in a variety of service categories. This contract with Atlas Radiator will be for the provision of Rebuild and Repair Services for Radiators, Coolers and Heat Exchangers (Radiator and Cooler Services) and the servicing of the District's fleet of emergency and incident support vehicles, procured on an as-needed and intermittent basis, and, therefore, not a Proposition A contract.

#### **IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY:**

1. Approve and instruct the Fire Chief, or his designee, to sign the attached contract (Enclosure A) which has been approved as to form by County Counsel, between the District and Atlas Radiator to provide as-needed Radiator and Cooler Services. The contract is anticipated to commence on July 1, 2026.
2. Authorize the maximum contract sum of \$600,000, including the initial contract term of three years, with two one-year and twelve month-to-month extension options, for a maximum possible contract term of six years. The maximum contract sum is comprised of annual expenditures not to exceed \$100,000 per contract year.

3. Delegate authority to the Fire Chief, or his designee, to execute amendments, suspensions, or termination, including any extensions as described in recommendation number two, respectively, and in accordance with the approved contract terms and conditions, provided the amounts payable under such amendments do not exceed the annual budgets and with County Counsel approval as to form.

4. Find that this contract is exempt from the provisions of the California Environmental Quality Act (CEQA).

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The recommended actions will enable the District to obtain services to rebuild and repair radiators, coolers, and heat exchangers to restore performance and extend equipment life for the District's emergency and incident support vehicles on an as-needed, intermittent basis. Services include, but are not limited to, re-coring, leak repairs, pressure testing, and tube replacement.

The District operates a variety of emergency and incident support vehicles, including triple combination pumpers, quints, and ladder trucks. The contract will ensure that the District's emergency vehicles are always fully operational, which is critical to safeguarding the health and safety of Los Angeles County residents and our frontline emergency responders.

### **Implementation of Strategic Plan Goals**

Approval of the recommended actions is consistent with the County's Strategic Plan North Star 3.G. Internal Controls and Processes – Strengthen our internal controls and processes while being cognizant of efficiency to continue good stewardship of the public trust and fiscal responsibility.

### **FISCAL IMPACT/FINANCING**

The District, as a Special District, is funded independently from the County's General Fund, and relies primarily on property tax revenue to provide essential fire protection and life safety services.

The maximum contract sum is \$600,000, including the contract term of an initial three years, two one-year options, and twelve month-to-month extension options. The maximum annual expenditure for the service is not to exceed \$100,000 per contract year. Sufficient funding is available in the District's Fiscal Year 2026-2027 Recommended Budget. The District will continue to allocate the necessary funds to obtain the required services. This contract includes an allowance for Cost-of-Living Adjustments (COLAs) after the initial three-year base contract term, allowing for increases based upon the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index (CPI) that shall not exceed the general salary movement granted to County employees as determined by the Chief Executive Office (CEO) as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board of Supervisors from approving any increase in County employee salaries, no COLAs will be granted.

There is no impact to net County cost.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The District is authorized to contract for these services under California Health and Safety Code

13861. This contract covers a service category required by the District that complies with the California State Department of Consumer Affairs Bureau of Automotive Repair (BAR) and by all the Original Equipment Manufacturer (OEM) part specifications.

Atlas Radiator will provide all the equipment, tools, and labor necessary to perform the required contracted services for the District's emergency vehicles. In addition, Atlas Radiator will comply with all Board and Chief Executive Office (CEO) requirements, including Contractor Employee Jury Service, Safely Surrendered Baby Law, and the Defaulted Property Tax Reduction Program, and agrees to maintain compliance with all requirements throughout the term of the contract. The contract provides that the District has no obligation to pay for expenditures incurred by Atlas Radiator beyond the contract's pricing mechanisms. Further, Atlas Radiator will not be asked to perform services that exceed the approved scope of work or contract term.

This contract has been approved as to form by County Counsel and has been properly executed by Atlas Radiator.

### **ENVIRONMENTAL DOCUMENTATION**

The services provided will not have a significant effect on the environment; and therefore, these services are exempt from CEQA, pursuant to Section 15061 (b) (3) of the CEQA Guidelines.

### **CONTRACTING PROCESS**

The District released an Invitation for Bids (IFB) to solicit fire fleet Radiator and Cooler Services. The Radiator and Cooler Services solicitation was released on October 31, 2025. The announcement for the solicitation was posted on the District's contracting website, the County's WebVen portal, and an advertisement was placed in the Los Angeles Times newspaper to maximize outreach to potential bidders and to provide greater opportunities for County Preference Program vendors, Community Business Enterprises (CBEs) and increase competition.

On the submission deadline, the District received one bid from Atlas Radiator. The IFB evaluation consisted of two elements: 1) meeting all the minimum requirements while providing the necessary documentation and 2) providing the lowest priced, responsive and responsible bid. Through this evaluation, Atlas Radiator was determined to be the lowest priced, responsive and responsible bidder, and is being recommended for contract award. The District has reviewed the Contractor Alert Reporting Database (CARD) to assess past performance, negative experiences, and complaints with other agencies and have found that there are no negative findings or complaints.

The District reviewed the State of California Business License and BAR websites to assess Atlas Radiator's performances and complaints with other agencies and found that there are currently no violations. Atlas Radiator was evaluated and deemed capable of performing the services requested based on their qualifications and experience as stated in their bids. In addition, Atlas Radiator is currently providing subcontracted services to the District and has maintained a proven performance record since that time.

A summary of the CBE Firm Organization Information for the recommended vendor is attached (Enclosure B). On final analysis, selection was made without regards to gender, race, creed, color or national origin. Additionally, as these services are needed on an intermittent basis, this is not a Proposition A Contract, therefore, it is exempt from the Living Wage Program (County Code Chapter

2.201).

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The District's emergency vehicles serve a critical role in fire suppression, disaster response and recovery, and emergency medical response throughout Los Angeles County. Approval of the recommended actions will allow the District to continue to obtain as-needed fire fleet maintenance and repair services; thereby ensuring the District's emergency vehicles are readily available for emergency responses.

Award of this contract will not result in the displacement of any County employees as these as-needed services are presently obtained from Atlas Radiator. This contract will not result in a reduction of service, and there is no change in risk exposure to the County.

**CONCLUSION**

Upon approval by your Honorable Board, please instruct the Executive Officer of the Board to return the adopted stamped Board Letter to the following:

**7.5.2** If a member of Contractor's staff does not pass the background investigation, District may request that the member of Contractor's staff be immediately removed from performing services under the Contract at any time during the term of the Contract. **7.5.4** These terms will also apply to subcontractors of District contractors.

## **8.2 Assignment and Delegation/Mergers or Acquisitions**

**8.2.1** The Contractor must notify the District of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. **8.2.2** The Contractor must not assign, exchange, transfer, or delegate its rights or duties under this Contract, whether in whole or in part, without the prior written consent of District, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. For purposes of this paragraph, District consent will require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by the District to any approved delegate or assignee on any claim under this Contract will be deductible, at District's sole discretion, against the claims, which the Contractor may have against the District.

**8.2.3** Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without District's express prior written approval, will be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, District will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

## **8.3 Authorization Warranty**

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract will also be reduced correspondingly. The District's notice to the Contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. ## **8.8 Compliance with County's Jury Service Program**

### **8.8.1 Jury Service Program**

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

### **8.8.2 Written Employee Jury Service Policy**

- Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the Contractor must have and adhere to a written policy that

provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

- For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor will also be subject to the provisions of this Paragraph. The provisions of this Paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.
- If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor must immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
- Contractor's violation of this Paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

## **8.9 Conflict of Interest**

**8.9.1** No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

**8.9.2** The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph will be a material breach of this Contract.

## **8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List**

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

## **8.11 Consideration of Hiring GAIN/START Participants**

**8.11.1** Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: [gainstart@dpss.lacounty.gov](mailto:gainstart@dpss.lacounty.gov) and [BSERVICES@OPPORTUNITY.LACOUNTY.GOV](mailto:BSERVICES@OPPORTUNITY.LACOUNTY.GOV) and DPSS will refer qualified GAIN/START job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

## **8.12 Contractor Responsibility and Debarment**

### **8.12.1 Responsible Contractor**

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

### **8.12.2 Chapter 2.202 of the County Code**

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

### **8.12.3 Non-responsible Contractor**

The County may debar a Contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

### **8.12.4 Contractor Hearing Board**

- If there is evidence that the Contractor may be subject to debarment, the District will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor

should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the District will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the District determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board and listed in the appropriate contractor performance database. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per day per infraction, or as specified in the Performance Requirements Summary (PRS), hereunder, and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

**8.26.3** The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

**8.26.4** This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

**8.28.7** If the County finds that any provisions of this Paragraph 8.28 have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

**8.28.8** The parties agree that in the event the Contractor violates any of the anti discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

**8.38.4** If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference must be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

**8.42 Termination for Convenience**

- 8.42.1** This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the District, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination

becomes effective will be no less than ten (10) days after the notice is sent.

**8.42.2** After receipt of a notice of termination and except as otherwise directed by the District, the Contractor must:

In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
