61.		Favor	P A Brown	I strongly support the updated Housing Ordinance. We desperately need more housing -- especially affordable but at all price levels. Where are the children of today's middle and working class residents -- like our family -- to live? Forced to move out of state? How will future LA County residents, looking back 25 years from now, see our own sense of urgency or lack thereof to making housing abundant and affordable for all? This updated ordinance is a step in the right direction. Thank you for considering my views.
