Crisis and Incident Response Through Community-led Engagement (CIRCLE)

Program Parking Fee Waiver 2026

The Crisis and Incident Response through Community-led Engagement (CIRCLE) program, housed within the Mayor of Los Angeles’ Office of Community Safety, operates 24/7, 365 days a year across seven service areas throughout the City of Los Angeles. These areas collectively cover 39% of the City’s geography and serve 51% of the City’s population.

CIRCLE responds to non-violent, non-medical, and non-criminal calls related to homelessness. The teams provide de-escalation for mental health and other crises, referrals to emergency shelter, and other support as needed. They can be accessed through the non-emergency line (877-ASK-LAPD), the 9-1-1 system, and direct requests from LAPD officers. Since relaunching as CIRCLE 2.0 in April 2025, the program has responded to more than 25,000 calls originating from LAPD, Council District offices, and team-initiated engagements.

CIRCLE expanded its Venice and Del Rey service area to include Oakwood, Mar Vista, Palms, Playa Vista, Playa del Rey, Westchester, Manchester Square, and Dockweiler Beach. Providing parking and parking lot access for CIRCLE vehicles enables the teams to respond to calls quickly and continue delivering essential community services.

WE, THEREFORE, MOVE that the Board of Supervisors instruct the Director of the Department of Beaches and Harbors to waive the parking fees for two CIRCLE program vehicles to roam and park at Venice and Dockweiler Beach from May 5, 2026 through May 4, 2027, totaling \$12,586.00.
