

**Celebrating the 2026 Los Angeles County Fair: Play Your Way**

The Los Angeles County Fair (Fair) is a cherished tradition that has brought communities together for more than a century, reflecting the diversity, creativity, and spirit of our region. From its agricultural roots to its evolution as one of the nation’s largest fairs, it continues to serve as a vibrant gathering place for residents and visitors alike.

In 2026, the Fair will run from May 7 through May 31 under the theme “Play Your Way,” highlighting creativity across visual arts, music, culinary innovation, and live performance. Through interactive exhibits and immersive experiences, the Fair invites attendees to engage with both traditional and contemporary forms of expression.

At its core, play is about freedom. It is the freedom to explore, create, and connect. Whether enjoying a ride, showcasing a handcrafted project, or experiencing live entertainment, the Fair offers moments that spark curiosity and bring people together across generations.

This year’s Fair will feature a dynamic mix of attractions, including carnival rides, concerts, culinary showcases, agricultural exhibits, and family-friendly activities. These experiences celebrate the unique character of Los Angeles County while offering something for everyone.
