		Oppose	paul burt	Ah yes, the County Board of Supervisors mantra in the guise of a puletasi - "Language Justice." Speaking of language, as is commonplace for this taxpayer funds siphoning board, it makes up it's own language, so it can say anything it wants - What a joke!..... Simply another in a long and growing line of schlock, fancy, progressive-sounding ways of saying: "We need to do a much better job helping non-English speaking families burn taxpayers via the child welfare system" rather than perhaps having such persons actually learn English.... "Language Justice"? Nothing more than this Board's ever-increasing bureaucratic overreach that increases costs to the taxpayers.
