

MOTION BY SUPERVISOR JANICE HAHN

Los Angeles Fleet Week Welcome Party Fee Waiver

LA Fleet Week (LAFW) is a free, multi-day event held each Memorial Day weekend at the City of LA-Harbor Department in San Pedro that honors the U.S. Sea Services, including the Navy, Marine Corps, and Coast Guard. The celebration features public ship tours, military exhibits, live entertainment, aircraft flyovers, and community activities, drawing more than 100,000 visitors each year in tribute to the military.

This celebration brings communities together with special events, concerts, and community gatherings. From welcome events in Downtown San Pedro and Wilmington to activations at The Grove, Mission Hills, and even Disneyland, Fleet Week extends the spirit of Memorial Day celebrations into communities across the region.

As part of the LAFW 2026 San Pedro Welcome Party, the City of LA-Harbor Department is proud to sponsor a spectacular 12-minute drone show commemorating the United States' 250th anniversary. In partnership with Sky Elements, the City of LA-Harbor Department will utilize the San Pedro Courthouse County lot as the staging and launch site for the show, scheduled for 8:30 p.m. on Thursday, May 21, 2026. Visible throughout the surrounding community, the drone show will serve as a centerpiece of the celebration and provide visiting sailors with a truly memorable welcome. The event is open and free to all, bringing together the community and demonstrating our solidarity and appreciation

for the visiting military women and men. We hope this unique display will foster a sense of unity and pride as we mark this historic milestone.

I, THEREFORE, MOVE that the Board of Supervisors grant the City of LA-Harbor Department the use of the County-owned property at 505 S. Centre Street in San Pedro, also known Assessor's Parcel Number 7455-013-901 on Thursday, May 21, 2026, and waive the \$200.00 day use permit fee. The City of LA-Harbor Department will provide a cleaning deposit fee of \$250 and the required insurance certificates.
