Dear Supervisors:

REQUEST FOR APPROVAL OF A NEW CONTRACT FOR RAPID ENGAGEMENT AND HOUSING PROGRAM SERVICES FOR NON-MINOR DEPENDENTS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

The Department of Children and Family Services (DCFS) requests approval to execute a contract for Rapid Engagement and Housing Program services.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of DCFS, or designee, to execute a contract for Rapid Engagement and Housing Program services, in substantially similar form to Attachment A, with A Healthier Community for Our Children and Families, effective July 1, 2026 through June 30, 2027. The contract will give the County the sole option to extend the contract term for two additional one-year periods through June 30, 2029, and an additional six months, if necessary to complete the solicitation of a new contract. The projected annual cost of the Rapid Engagement and Housing Program contract is \$619,000, with a total contract cost of \$1,857,000 if all extension options are exercised, financed using 100 percent County funds. Sufficient funding will be included in the Fiscal Year (FY) 2026-2027 Recommended Budget.
2. Delegate authority to the Director of DCFS, or designee, to exercise the two one-year extension options and an additional six months beyond June 30, 2029, if such additional time is necessary to complete the solicitation of a new contract, provided that: a) sufficient funding is available for the extension; b) County Counsel approval is obtained prior to executing the extension; and c) the Director of DCFS notifies the Board and the Chief Execution Office (CEO), in writing, within ten (10) business days of the written notification's execution.

3. Delegate authority to the Director of DCFS, or designee, to execute Rapid Engagement and Housing Program Service contract amendments to increase or decrease the Maximum Annual Contract Sum by no more than 10 percent to accommodate an increase or decrease in the number of Rapid Engagement and Housing Program Service participants to be served, provided that: a) the contractor's Rapid Engagement and Housing Program Service license capacity is not exceeded; b) funding is available; c) County Counsel approval is obtained prior to the execution of the contract amendments; and d) the Director of DCFS notifies the Board and the CEO, in writing, within ten (10) business days of executing the amendments.

4. Delegate authority to the Director of DCFS, or their designee, to prepare and execute amendments to the Rapid Engagement and Housing Program Service contract for changes affecting the scope of work or to any of the terms and conditions included under this contract, provided that: a) such amendments are consistent with applicable County requirements; b) County Counsel approval is obtained, and c) the Director of DCFS notifies the Board and the CEO, in writing, within ten (10) business days of executing the amendments.

5. Delegate authority to the Director of DCFS, or designee, to terminate Rapid Engagement and Housing Program Service contract in accordance with the termination provisions, including Termination for Convenience, provided that: a) County Counsel approval is obtained prior to exercising such termination; and b) the Director of DCFS notifies the Board and CEO, in writing, within ten (10) business days of termination.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Los Angeles County DCFS seeks to collaborate with the proposed agency to enhance the capacity of housing and supportive services to improve the lives of Non-Minor Dependents, ages 18 to 21, in the Supervised Independent Living Placement (SILP) program. This is a countywide program serving all eight (8) Service Planning Areas (SPA).

The recommended actions will enable the County to help provide safe and reliable housing, with comprehensive support and resources focused on emotional wellness, positive relationships, educational attainment, life skills, and college/career goals, which are critical building blocks for success as an adult.

Without approval of the recommended actions, many of the County's emancipated foster youth will lack the support and resources to successfully transition into adulthood. The youth will be at a significantly elevated risk of exploitation, victimization, substance abuse, emotional disorders, physical health concerns, unemployment, and homelessness.

Implementation of Strategic Plan Goals

The recommended actions support North Star 1 of the County Strategic Plan. Focus Area Goal B: Employment and Sustainable Waged, Strategy II: Job Preparation, and Strategy III: Job Creation.

FISCAL IMPACT/FINANCING

The projected annual cost for the Rapid Engagement and Housing Program contract is \$619,000. The estimated total contract cost, including the two additional one-year options, is \$1,857,000, financed using 100 percent County funds. Funds are disbursed on a service-provided basis, not to exceed the maximum annual contract amount.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On November 13, 2023, the Los Angeles County Department of Justice Care and Opportunities Development requested that the DCFS initiate the Rapid Engagement and Housing Program to provide housing navigation and support for non-minor dependents participants in the SILP program. The proposed services for the Rapid Engagement and Housing Program will be Countywide.

The delivery of services will include professional canvassing services to locate affordable housing for SILP participants. Additionally, the housing navigator provider will develop a case management and supportive services model to guide SILP participants who require employment and educational resources, ensuring that youth attain independence prior to discharge from DCFS and the SILP program.

CONTRACTING PROCESS

On November 24, 2025, DCFS released an Invitation for Bids (IFB). The IFB was posted on the Internal Services Department and DCFS websites and advertised in the Los Angeles Times, Daily News, San Gabriel Valley Tribune, Press Telegram, Antelope Valley Press, La Opinion, and Daily Breeze newspapers. A Bidder's Conference was held on December 15, 2025. On January 7, 2026, DCFS received a total of eleven bids. This solicitation will result in one (1) contract and serve all eight (8) SPAs. The IFB submission deadline was January 7, 2026.

A total of eleven (11) prospective contractors submitted a bid by the due date and time. Three (3) Prospective Contractors were disqualified for failing to meet the Minimum Mandatory Requirements. Disqualification Notices and transmittal to Request a Disqualification Review were sent on March 13, 2026. All disqualified agencies submitted a Request for Disqualification Review. The Disqualification Review was reviewed by DCFS and the two Disqualification Notices were rescinded.

The ten (10) remaining prospective contractors moved to the next evaluation phase, which included a cost review. Bids were then ranked from highest to lowest price. A Healthier Community for Our Children and Families submitted the lowest responsive and responsible bid.

DCFS has determined that the Living Wage Program (County Code Chapter 2.201) and Cost of Living Adjustment are not applicable to this contract.

County Counsel and the CEO have reviewed this Board Letter. County Counsel has approved the sample contract (Attachment A) as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the Rapid Engagement and Housing Program contract award will ensure services for SILP youth ages 18 to 21 to help them successfully transition into adulthood. It will also offer employment and educational resources to ensure that youth attain independence prior to being discharged from DCFS and the SILP program.

The contract will not infringe upon the County's role in relation to its residents, and the County's ability to respond to emergencies will not be impaired. There is no change in the County's risk exposure.

The Honorable Board of Supervisors

6/16/2026

- 5.5.4.10** County and Contractor agree that this is a firm-fixed priced price contract not to exceed the Maximum Annual Contract Sum. During the term of this Contract, County will compensate Contractor, as specified in Exhibit B – Price Schedule, for the services set forth in Exhibit A – Statement of Work, in accordance with Section 5.5, Invoices and Payments, of this Contract.
- 5.5.4.11** Contractor must have no claim against County for, nor be entitled to, payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein.
- 5.5.4.12** Contractor's Budget is attached hereto and incorporated by reference herein as Exhibit C – Contractor's Line Item Budget and Budget Narrative. The line items must provide sufficient detail to determine the quality and quantity of services to be delivered. Contractor represents and warrants that the Budget is true and correct in all respects and will deliver services in accordance with the Budget. In the event of a change in the Maximum Annual Contract Sum, or reallocation of the Budget, or a material change to the Scope of Work, Contractor must amend the Budget consistent with the changes and submit the Budget to the County Program Manager for approval.
- 5.5.4.13** Contractor, without prior approval of County, may reallocate up to a maximum of five percent (5%) of the Maximum Annual Contract Sum between categories (i.e. personnel, employee benefits, supplies, expenses, equipment, travel and indirect costs) of Contractor's approved budget. Contractor must request County's approval in writing for Line Item Budget reallocations above the five percent (5%) maximum, which may only be increased to a maximum of ten percent (10%), if such request is approved. In any event, such revisions must not result in any increase in the Maximum Annual Contract Sum. Such requests to County must be addressed to the County Program Manager.

5.5.4.14 Contractor must limit administrative and indirect costs to ten percent (10%) of the total expenditures of the contract funds.

5.5.5 Preference Program Enterprises - Prompt Payment Program

Prompt payment is defined as fifteen (15) calendar days after receipt of an approved, undisputed invoice which has been properly matched against documents such as a receiving, shipping, or services delivered report, or any other validation of receipt document consistent with Board Policy 3.035 ([Preference Program Payment Liaison and Prompt Payment Program](#)).

5.6 Default Method of Payment: Direct Deposit or Electronic Funds Transfer

5.6.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

5.6.2 The Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.6.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

5.6.4 At any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

8.8.2 Written Employee Jury Service Policy

- Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor will also be subject to the provisions of this Paragraph. The provisions of this Paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.
- If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its "exception

status” from the Jury Service Program, and the Contractor must immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

- Contractor’s violation of this Paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.9.2 The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph will be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the

Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN/START Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and BSERVICES@OPPORTUNITY.LACOUNTY.GOV and DPSS will refer qualified GAIN/START job candidates.

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of

a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

- The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

As used in this Paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

- Contractor also must promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also must promptly notify County of any third party claim or suit filed against Contractor or any of its Subcontractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

The County, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) must be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status must apply with respect to liability

and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also must apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Change in Insurance

Contractor must provide County with, or Contractor's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.24.6 Insurer Financial Ratings

Coverage must be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.7 Contractor's Insurance Must Be Primary

Contractor's insurance policies, with respect to any claims related to this Contract, must be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage must be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the

Required Insurance for any loss arising from or relating to this Contract. The Contractor must require its insurers to execute any waiver of subrogation endorsements which may be necessary to effectuate such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

Contractor must include all subcontractors as insureds under Contractor's own policies, or must provide County with each subcontractor's separate evidence of insurance coverage. Contractor will be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and must require that each subcontractor name the County and Contractor as additional insureds on the Subcontractor's General Liability policy. Contractor must obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date must precede the effective date of this Contract. Contractor understands and agrees it will maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

8.24.12 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.13 Separation of Insureds

All liability policies must provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.24.14 Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents must be designated as an Additional Covered Party under any approved program.

8.24.15 County Review and Approval of Insurance Requirements

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.

8.25 Insurance Coverage

8.25.1 Commercial General Liability insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming County and its Agents as an additional insured, with limits of not less than:

General Aggregate:	\$2 million
Products/Completed Operations Aggregate:	\$1 million
Personal and Advertising Injury:	\$1 million
Each Occurrence:	\$1 million

8.25.2 Automobile Liability insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than \$1 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance must cover liability arising out of Contractor's use of autos pursuant to this Contract, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

8.25.3 Workers Compensation and Employers' Liability insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. If Contractor will provide leased employees, or, is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also must include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer. The written notice must be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. If applicable to Contractor's operations, coverage also must be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law.

8.25.4 Unique Insurance Coverage

- **Sexual Misconduct Liability**

Insurance covering actual or alleged claims for sexual misconduct and/or molestation with limits of not less than \$2 million per claim and \$2 million aggregate, and claims for negligent employment, investigation, supervision, training or retention of, or failure to report to proper authorities, a person(s) who committed any act of abuse, molestation, harassment, mistreatment or maltreatment of a sexual nature.

- **Professional Liability/Errors and Omissions**

Insurance covering Contractor's liability arising from or related to this Contract, with limits of not less than \$1 million per claim and \$2 million aggregate. Further, Contractor understands and agrees it will maintain such coverage for a period of not less than three (3) years following this Contract's expiration, termination or cancellation.

- **Cyber Liability Insurance**

The Contractor must secure and maintain cyber liability insurance coverage with limits of \$2 million per occurrence and in the aggregate during the term of the Contract, including coverage for: network security liability; privacy liability; privacy regulatory proceeding, defense, response, expenses and fines; technology professional liability (errors and omissions); privacy breach expense reimbursement (liability arising from the loss or disclosure of County Information no matter how it occurs); system breach; denial or loss of service; introduction, implantation, or spread of malicious software code; unauthorized access to or use of computer systems; and Data/Information loss and business interruption; any other liability or risk that arises out of the Contract. The Contractor must add the County as an additional insured to its cyber liability insurance policy and provide to the County certificates of insurance evidencing the foregoing upon the County's request. The procuring of the insurance described herein, or delivery of the certificates of insurance described herein, will not be construed as a limitation upon the Contractor's liability or as full performance of its indemnification obligations hereunder. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

8.26 Liquidated Damages

8.26.1 If, in the judgment of the Director, or their designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed

hereby, the Director, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Director, or their designee, in a written notice describing the reasons for said action.

8.26.2 If the Director, or their designee, determines that there are deficiencies in the performance of this Contract that the Director, or their designee, deems are correctable by the Contractor over a certain time span, the Director, or their designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director, or their designee, may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages will be agreed upon at such time and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or

district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti discrimination laws and regulations.

8.28.2 Contractor certifies to the County each of the following:

- That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
- That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
- That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

8.28.3 The Contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.28.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

- 8.28.6** The Contractor will allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 when so requested by the County.
- 8.28.7** If the County finds that any provisions of this Paragraph 8.28 have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Civil Rights Department or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8** The parties agree that in the event the Contractor violates any of the anti discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the Contractor. This Contract will not restrict (Department) from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party must, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

The Contractor must bring to the attention of the County's Program Manager any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the County's Program Manager is not able to resolve the dispute, the Director, or designee will resolve it.

8.32 Notice to Employees Regarding the Federal Earned Income Credit

The Contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in [Internal Revenue Service Notice No. 1015](#).

8.33 Notices

All notices or demands required or permitted to be given or made under this Contract must be in writing and will be hand delivered with signed receipt or mailed by first class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits D (County's Administration) and E (Contractor's Administration). Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The Director or designee will have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.34 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.35 Public Records Act

8.35.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Paragraph 8.37 (Record Retention and Inspection/Audit Settlement) of this Contract; as well as those documents which were required to be submitted in response to the Invitation for Bids (IFB) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records except for those documents determined to be non-disclosable or exempt pursuant to [California Government Code sections 7921.000 et seq.](#) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.36 Publicity

8.36.1 The Contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided

hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor must develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Program Manager.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its bids and sales materials that it has been awarded this Contract with the County, provided that the requirements of this Paragraph 8.36 (Publicity) will apply.

8.37 Record Retention and Inspection-Audit Settlement

8.37.1 The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor must also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside of Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.2 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor must file a copy of such audit report with the County's Auditor Controller within thirty (30) days of the Contractor's receipt thereof,

unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.3 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 8.37 will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.37.4 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference must be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.38 Recycled Bond Paper

Consistent with the Board policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.39 Subcontracting

8.39.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.39.2 If the Contractor desires to subcontract, the Contractor must provide the following information promptly at the County's request:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.39.3 The Contractor must indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same

manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

- 8.39.4** The Contractor will remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.39.5** The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.39.6** The County's Program Manager is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.
- 8.39.7** The Contractor will be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.39.8** The Contractor must obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. Before any Subcontractor employee may perform any work hereunder, Contractor must ensure delivery of all such documents to County Program Manager.

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.42 (Termination for Default and pursue debarment of the Contractor), pursuant to [County Code Chapter 2.202](#).

8.41 Termination for Convenience

- 8.41.1** This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effectuated by notice of termination to the Contractor specifying the extent to which

performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor must stop work under this Contract on the date and to the extent specified in such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract must be maintained by the Contractor in accordance with Paragraph 8.37 (Record Retention and Inspection/Audit Settlement).

8.42 Termination for Default

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Program Manager:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Contract to the extent not terminated under the provisions of this Paragraph.

8.42.3 Except with respect to defaults of any Subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.42.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or

contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.4, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.42, or that the default was excusable under the provisions of Paragraph 8.42.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience).

8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.43 Termination for Improper Consideration

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment, or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.44 Termination for Insolvency

8.44.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor will be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the County provided in this Paragraph 8.44 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.45 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in [County Code Section 2.160.010](#) retained by the Contractor, must fully comply with the County's Lobbyist Ordinance, [County Code Chapter 2.160](#). Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Contract, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

8.48 Waiver

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.48 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

8.51 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.50 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) will constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract,

8.54 Compliance with Fair Chance Employment Hiring Practices

Contractor, and its subcontractors, must comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#) and [Chapter 8.300 of the Los Angeles County Code \(Fair Chance Ordinance for Employers\)](#). The contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected

characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

8.56 Prohibition from Participation in Future Solicitation(s)

A Bidder, or a Contractor or its subsidiary or Subcontractor ("Bidder/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Bidder/Contractor has provided advice or consultation for the solicitation. A Bidder/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Bidder/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Bidder from participation in the County solicitation or the termination or cancellation of any resultant County contract.

8.57 Injury and Illness Prevention Program

[California Code of Regulations Title 8 Section 3203](#) requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.
