U.S. Soccer Community Clinic and Beach Soccer Event Fee Waiver 2026

As a 501(c)(3) nonprofit organization and the official governing body of soccer in the United States, U.S. Soccer is dedicated to expanding access to the sport. By removing barriers to play and creating inclusive opportunities to participate, the Soccer Forward Foundation (U.S. Soccer's legacy initiative) is working to ensure more people, regardless of age, background or experience level, can play the game anywhere.

In alignment with this mission, on June 20, 2026, U.S. Soccer is hosting a free, one-day beach soccer community clinic at Venice Beach. Designed to expand access to the game, the clinic will introduce youth participants to the fundamentals of Beach soccer, while offering participants leadership development opportunities. In partnership with LA SCORES, participants will have the opportunity to train alongside U.S. Beach Soccer National Team players on the sands of Venice Beach.

Then on June 21, 2026, the U.S. Men's and Women's Beach Soccer National Teams will play in a doubleheader against Trinidad & Tobago. Free and open to the public, this event will transform the iconic shoreline into a vibrant celebration of soccer, music, culture, and community, perfectly coinciding with the 2026 FIFA Men's World Cup.
