

MOTION BY SUPERVISOR LINDSEY P. HORVATH

June 30, 2026

Let Everyone Advance with Dignity / Law Enforcement Assisted Diversion (LEAD)

Parking Fee Waiver 2026

Launched by the Office of Diversion and Reentry (ODR) in 2017, Law Enforcement Assisted Diversion (LEAD) is a non-punitive, community-based care model designed to address the root causes of recidivism, including substance use, unmet mental health needs, and extreme poverty. Operating at the intersection of public health, public safety, and racial justice, LEAD redirects individuals with frequent law enforcement contact into supportive services. The program focuses on historically underserved populations disproportionately impacted by racial disparities in the justice system—including unhoused individuals, transgender community members, immigrants, and people living with HIV. The People Concern continues to serve as the contracted outreach provider and will require coordinated access to the Venice Beach area to conduct operations.

I, THEREFORE, MOVE that the Board of Supervisors instruct the Director of Beaches and Harbors to waive the parking fees in the amount of \$8,208.00 for 4 spaces, excluding the cost of liability insurance, for LEAD program and The People Concern staff
