SUBJECT

The County, through the Los Angeles County Department of Arts and Culture, provides grants to nonprofit arts organizations to deliver a wide variety of cultural services to County residents and to support arts and culture throughout the region. Grants sustain the core operations of nonprofit arts organizations large and small that contribute to our local creative economy in artistic disciplines such as visual arts, media arts, literary arts, film, music, and performing arts; provide concerts, theatre, exhibits, arts education, and programs that reflect and serve our diverse communities; increase access to the arts; and improve quality of life for residents throughout the County.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve grants to 266 nonprofit arts organizations at a cost of \$5,059,000 for the Fiscal Year (FY) 2026-27 Organizational Grant Program (OGP).
2. Find that the expenditure of said funds is necessary to meet the social needs of the County and the programs funded thereby will serve a public purpose.
3. Instruct the Department of Arts and Culture Director to prepare, sign and execute grant agreements and approve expenditures necessary to implement the 2026-27 OGP after County Counsel approves as to form.
4. Delegate authority to the Department of Arts and Culture to reallocate forfeited grant awards, not to exceed \$100,000 in aggregate, to existing Board-approved grantee organizations and instruct the Department of Arts and Culture Director to amend these grant agreements accordingly.
5. Find that the proposed actions are exempt from California Environmental Quality Act (CEQA) for the reasons stated in the Board Letter and the record.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to disburse grant funds allocated by your Board. This is the annual implementation of the Organizational Grant Program (OGP),

LA County's flagship arts sector grant program. The program provides grants to nonprofit community-based arts organizations to sustain the County arts and cultural sector, expand access to cultural programs and services that reflect and serve the County's diverse communities, and help to meet the needs of constituents by fostering excellence, diversity, vitality, understanding and accessibility of the arts in Los Angeles County. All organizations apply for two years of consecutive funding and all award amounts are for a two year period. The number of recommended grantees in 2026-27 is 266 which is this year's cohort of the total 525 combined grantees for FY 2025-26 and FY 2026-27.

Organizational Grant Program 1/Small Budget Organizations

This category provides support for nonprofit arts organizations with budgets up to \$199,999. OGP 1 grant funds will be disbursed to 116 nonprofit arts organizations (see BOS Attachment Pg. 1-13) at a cost of \$1,056,200.

Organizational Grant Program 2/Mid-Size Budget Organizations

This category provides support for nonprofit arts organizations with budgets between \$200,000 and \$999,999. OGP 2 grant funds will be disbursed to 89 nonprofit arts organizations (see BOS Attachment Pg. 14-21) at a cost of \$1,672,000.

Organizational Grant Program 3/Larger Mid-Size Budget Organizations

This category provides support for nonprofit arts organizations with budgets between \$1,000,000 and \$14,999,999. OGP 3 grant funds will be disbursed to 55 nonprofit arts organizations (see BOS Attachment Pg. 22-27) at a cost of \$1,883,000.

Organizational Grant Program 4/Large Budget Organizations

This category provides support for nonprofit arts organizations with budgets of \$15 million and greater. Grants must be used for programs that increase access to cultural services for County residents. OGP 4 grant funds will be disbursed to 6 nonprofit arts organizations (see BOS Attachment Pg. 28) at a cost of \$447,800.

Grant amounts are awarded to a recommended docket of applicant organizations achieving a fundable score following a peer panel review process based on a formula, which is also reviewed and adopted by the Arts Commission. This year, the 266 recommended organizations requested a combined total maximum fundable request of \$14,403,833 in grant funding, which exceeded the available funding of \$5,059,000. Therefore, the final awards across all OGP categories were reduced to 35% of the fundable request amount (score multiplied by total amount requested) consistent with the adopted formula. Scores are determined by evaluating the organization's artistic quality and accomplishments, quality of standards-based K-12 arts education services (if applicable), services to community/audience, evaluation methodology, and fiscal and administrative competence.

To provide you with a full perspective of all arts and cultural organizations that are supported through this program, attached is a list of the 261 grants that were made last year in FY 2025-26 (BOS Attachment Pg. 29-34). A total of \$5,059,000 was allocated as follows: 103 organizations received funding in the OGP 1/Small Budget category, 94 organizations received funding in the OGP 2/Mid-Size Budget category, 60 organizations received funding in the OGP 3/Mid-Size Budget category, and 4 organizations received funding in the OGP 4/Large Budget category. Since funding is over two years, organizations

that receive grants apply every other year. Combined, this is the largest group of awarded organizations in the program's history at 525 organizations. For As a reminder, for the total baseline OGP allocation was reduced from \$5,668,000 to \$5,059,000 in FY 2025-26 as part of the County's Net County Cost (NCC) budget curtailments departments were instructed to implement.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended actions support Countywide Strategic Plan Goal North Star 2: *Foster vibrant and resilient communities*. Investments in the lives of County residents are sustainable only when grounded in strong communities. LA County, with the support of a network of public/private partners, faith-based organizations, community-based organizations, philanthropic organizations, and local governments, will foster vibrant and resilient communities. By Investing in our communities and creating public spaces and programs that are welcoming, accessible, where all residents can easily build relationships, create social networks, feel connected and can access opportunities. Investments in arts and culture, and the nonprofit community-based organizations of the sector, serve to advance these goals. The Department's grants programs also support the main goals of the Countywide Cultural Policy adopted by your Board.

FISCAL IMPACT/FINANCING

Funding for the OGP is included in the Department of Arts and Culture's FY 2026-27 Adopted budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Department of Arts and Culture utilized an application process with peer panels grouped by artistic discipline to review and score all applications and to make recommendations to the Arts Commission. The Arts Commission reviewed these scores and allocations at their meeting on June 8, 2026 and voted to approve the funding recommendations for submission to your Board for approval.

Upon notification of a forfeited FY 2026-27 OGP grant award, the Department of Arts and Culture will reallocate the forfeited funds to existing Board-approved grantee organizations. The reallocation will be approved by the Arts Commission.

For FY 2025-26, there were two reallocations made due to forfeited funding. Ten organizations received reallocated funding approved by the Arts Commission (see BOS Attachment Pg. 35-36).

The County is authorized to contract with any firm or corporation for artistic services for the residents of Los Angeles County pursuant to Government Code sections 25562 and 26227. The contractor (grantee) will be governed by the policy and guideline requirements of the Department of Arts and Culture. Grantees are defined as nonprofit 501(c)(3) organizations with missions to provide arts services for the benefit of the public.

ENVIRONMENTAL DOCUMENTATION

The recommended actions are exempt from the California Environmental Quality Act (CEQA) pursuant to sections 15301, 15304(e), 15322, and 15323 of the CEQA Guidelines. The OGP programs 1) utilize existing facilities making either minor or negligible alterations to the environment; 2) make minor alterations to land having negligible or no permanent effects on the environment; 3) involve educational or training programs with no physical outdoor alterations to the environment; or 4) consist of normal

operations of facilities for public gatherings. In addition, based on the proposed projects records, they will comply with all applicable regulations, and they are not in a sensitive environment, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled pursuant to Government Code section 65962.5, or indications that they may cause a substantial adverse change in the significance of a historical resource that would make any of the exemption inapplicable.

CONTRACTING PROCESS

The Department of Arts and Culture held an open process for grant applications. Grant applications were reviewed by a panel and the resulting scores were reviewed by the Arts Commission. Grant awards were determined by a formula utilizing the panel scores. The County will pay the contractor (grantee), in consideration of services to be performed and fulfillment of matching requirements, a specific grant award sum (see BOS Attachment Pg. 1-28).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program ensures that a wide variety of diverse cultural services will continue to reach County residents. These services will positively impact residents, neighborhoods and communities by providing direct access and increased opportunities for quality arts activities and programming that is often free or low cost, while also supporting a cornerstone of our region’s creative economy. The proposed grantee organizations are located throughout LA County with offices in 46 of the County’s 88 municipalities, and in unincorporated areas, with programs and services provided in all five supervisorial districts countywide. OGP is a core program of the Department and does not have new impact on current services or projects.

Respectfully submitted,

Kristin Sakoda Director
