"To Enrich Lives Through Effective and Caring Service"

July 14, 2026

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**ADOPT A RESOLUTION OF THE BOARD OF SUPERVISORS EXPRESSING THE INTENT OF
THE COUNTY TO PARTICIPATE IN THE CITY OF PASADENA ENHANCED INFRASTRUCTURE
FINANCING DISTRICT
(ALL DISTRICTS) (3-VOTES)**

SUBJECT

Recommendation to adopt a Resolution to express the intent of the County of Los Angeles (County) to potentially participate in the City of Pasadena (City) Enhanced Infrastructure Financing District (Pasadena EIFD).

IT IS RECOMMENDED THAT THE BOARD:

1. Adopt a Resolution to express the County's intent to participate in the Pasadena EIFD if the Board of Supervisors (Board) approves the Infrastructure Financing Plan (IFP) at a later date;
2. Affirm that as a potential participating taxing entity the County will have membership in the newly formed Public Financing Authority (PFA); and
3. Find that the proposed Resolution is not subject to the provisions of the California Environmental Quality Act (CEQA) because the action does not meet the definition of a project for reasons stated herein and the reasons reflected in the record.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the Resolution of Intent (ROI) of the Board is to indicate the County's intent to participate in the proposed Pasadena EIFD in the City. A future Resolution of the Board approving the IFP will be required for the County to formally participate in the Pasadena EIFD.

On September 29, 2014, the governor approved Senate Bill 628, which authorized the formation of EIFDs. An EIFD is a limited tax increment financing district created after the dissolution of the redevelopment agencies in 2012. An EIFD allows governmental entities to agree to contribute a portion of their future property tax revenues from a defined district for the construction of certain infrastructure projects. Schools cannot participate in EIFDs, no new taxes are created, and participation in the EIFD is voluntary.

The purpose of the Pasadena EIFD is to assist in the financing of infrastructure projects that will encourage housing and commercial development in opportunity areas, including the Vision Area, a 50-acre vacant parcel where the 710 Freeway extension was to connect to the 210 and 134 Freeways. The proposed area is a relatively focused area of 551 acres (approximately 3.7 percent of the total City acreage). Infrastructure projects will be identified; including mobility and utility infrastructure, affordable housing, sewer extension, water main extension, storm drain connection, traffic control/safety, pocket park, Rio San Gabriel Park improvements, and Furman Park/Community Building.

According to State law, EIFD adoption is a two-step process. This first step is the passage of a non-binding ROI. The Chief Executive Office (CEO) presented the ROI to the Economic Development Policy Committee (EDPC) on May 21, 2026. That presentation included a statement from the CEO that based on the initial information available at the time the proposed EIFD appears to be consistent with the Board Policy No. 3.106 on EIFDs.

The second step is this final approval of the Pasadena EIFD by your Board. After the ROI is approved, the City will proceed with drafting the IFP, establish the governing board of the Pasadena EIFD (the PFA), and convene public hearings. Upon approval of the Pasadena EIFD by your Board at a future date and the City, the PFA will provide final approval. The presentation of the Resolution to the EDPC on June 4, 2026, included an analysis based on information available at this early stage in the process. The IFP will be released later and that analysis, as required by Board Policy No. 3.106, will be included in a future action.

Implementation of Strategic Plan Goals

These actions support the County's Strategic Plan North Star 1 — Make Investments that Transform Lives — by supporting efforts that prevent displacement, increase access to housing stability, develop more affordable housing, sustain home ownership opportunities, and enhance the effectiveness of the County's homeless rehousing system. The City's commitment of 20 percent of new units towards affordable housing is also a Board priority.

FISCAL IMPACT/FINANCING

Based on a preliminary review, it appears that the proposed Pasadena EIFD is generally consistent with Board Policy No. 3.106 on EIFDs. The next step in the process will include a more detailed fiscal analysis when the IFP is completed, consistent with Board Policy No. 3.106. The more detailed analysis in the next step will confirm:

- The County's contribution of property tax revenues is not more than the City;
- The County does not contribute all its share of future tax revenues to the Pasadena EIFD;
- The fiscal analysis will include a scenario analysis comparing the fiscal impact of the proposed Pasadena EIFD to a base-case without the Pasadena EIFD, which demonstrates a positive long-term benefit to the County General Fund;
- Project feasibility analysis will include a "But for..." review that evaluates whether the contribution of County property tax increment is a necessary pre-condition for the infrastructure and development projects being considered; and
- Housing proposed for the Pasadena EIFD allocates a minimum of 20 percent of all units for affordable housing; an in-lieu fee, or 20 percent of all Pasadena EIFD funds, can also fulfill the affordable housing requirement.

Based on a tour of the proposed EIFD project boundaries, it appears the EIFD will pass the "But...for" review, as the areas identified indicate infrastructure improvements are needed to attract new development. For example, the project area includes a vacant 50-acre site that will require new infrastructure (water, sewer, utilities, etc.) to be developed. Enclosed is the initial list for projects to be included for funding.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The law authorizing creation of EIFDs, California Government Code Section 53398.50 et seq. (EIFD law), took effect in 2015. The EIFD law was established to provide a tool to finance local infrastructure after the dissolution of the redevelopment agencies in 2012. The City is proposing to partner with the County on the Pasadena EIFD to assist in financing infrastructure projects. California Government Code Section 53398.63 of the EIFD law requires the IFP to include: descriptions of the infrastructure improvements and development projects within the Pasadena EIFD, a plan for financing the infrastructure projects, tax increment projections, limits on the time the Pasadena EIFD will exist and the dollar amounts the Pasadena EIFD will receive, and the anticipated incremental tax revenue contributions from the City and County to the Pasadena EIFD.

The IFP, which will detail the County's anticipated contribution to the Pasadena EIFD, will be presented to your Board for adoption after it has been prepared by the City and reviewed by the CEO staff, consistent with Board Policy No. 3.106. The IFP must be adopted by your Board by Resolution before any incremental tax revenue from the County is contributed to the proposed Pasadena EIFD. The IFP must also be approved by the PFA, which is the governing body of the Pasadena EIFD, at a public hearing to form the proposed Pasadena EIFD. The ROI includes the formation of the PFA, and appointments to the PFA governing body will be made. These

appointments include one member of the Board and one member of the public appointed by the Board. The City will appoint three members to the PFA.

ENVIRONMENTAL DOCUMENTATION

The proposed Resolution is not a project, pursuant to the CEQA, because it is an activity that is excluded from the definition of a project by section 15378(b) of the State CEQA Guidelines. This proposed action is an administrative activity of the government, which will not result in direct, or indirect changes to the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Because the development is within the City, the direct impact on the County for services will be minimal. Benefits of the projects include construction and permanent jobs; new residential units, including low- and moderate-income units; and improved circulation and air quality.

CONCLUSION

At such time, as your Board adopts the enclosed Resolution, please return two signed copies to the CEO Budget and Operations Management Branch – Annexations and Financing Districts, who will assist in distributing a copy to the City.

Respectfully submitted,

Joseph M. Nicchitta
Chief Executive Officer

Assistant City Clerk

RESOLUTION NO. 10196

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PASADENA STATING ITS INTENTION TO ESTABLISH THE PASADENA ENHANCED INFRASTRUCTURE FINANCING DISTRICT TO FINANCE THE CONSTRUCTION, REPAIR, ACQUISITION, AND/OR MAINTENANCE OF CAPITAL IMPROVEMENTS AND FACILITIES, INCLUDING THE ACQUISITION AND/OR REMEDIATION OR LAND FOR SUCH IMPROVEMENTS AND FACILITIES; ESTABLISHING A PUBLIC FINANCING AUTHORITY; AND AUTHORIZING CERTAIN OTHER ACTIONS RELATED THERETO

WHEREAS, SB 628, effective as of January 1, 2015, allows a city or county to create a separate government entity known as an "Enhanced Infrastructure Financing District" (EIFD) within a defined area to finance certain infrastructure projects with community-wide benefits; and

WHEREAS, pursuant to Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code (commencing with Section 53398.50) (the "EIFD Law"), the City Council of the City of Pasadena ("Council") is authorized to initiate the process to establish an EIFD; and,

WHEREAS, EIFDs are financed through tax increment generated from the growth in property taxes collected from within a designated district boundary. There are no new taxes or impacts to the property owner within an established EIFD; and,

WHEREAS, EIFD tax increment may be used to pay for a variety of public facilities and other projects authorized by the EIFD Law within the established EIFD boundaries or outside of the established EIFD boundaries if there is a tangible connection to the work of the EIFD, including but not limited to infrastructure such as roads, utilities, streetscapes, parks and public recreation, or other community facilities. Affordable housing, including affordable senior housing, is also an eligible activity; and,

WHEREAS, the City retained Kosmont Financial Services as a consultant to prepare an evaluation of EIFD implementation feasibility; and,

WHEREAS, the prerequisites set forth in Government Code Section 53398.54 have been complied with prior to the City initiating the creation of or participating in the governance of the EIFD, and the City will provide the required certification to the California Department of Finance ("DOF") in accordance with the EIFD Law; and,

WHEREAS, the proposed boundaries of the Pasadena EIFD are identified on Exhibit A entitled "Proposed Pasadena EIFD Boundary", a copy which is on file in the office of the City Clerk; and,

WHEREAS, the EIFD will be governed by a Public Financing Authority ("PFA") board which will be responsible for implementing the Infrastructure Financing Plan for the EIFD ("IFP"), and the PFA is required to be established by the City Council at the same time that the Council adopts its intention to form the proposed EIFD; and,

WHEREAS, this action is exempt from the California Environmental Quality Act ("CEQA") as an action solely related to financing and is not in-and-of itself a "project" (pursuant to CEQA Guidelines Section 15378) since it does not result in a physical change in the environment because the City has not committed itself to fund any specific projects through the EIFD. However, future actions (such as the funding and/or approval of infrastructure improvements using funding from the EIFD) will be subject to environmental review in accordance with CEQA.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PASADENA HEREBY RESOLVES AS FOLLOWS:

- Section 1. The City Council of the City of Pasadena proposes and intends to cause the establishment of an EIFD under the provisions of the EIFD Law.
- Section 2. The name proposed for the EIFD shall be the "Pasadena Enhanced Infrastructure Financing District."
- Section 3. The proposed boundaries of the EIFD are as shown on Exhibit A attached hereto, which are preliminarily approved and on file in the office of the City Clerk and incorporated herein by reference.
- Section 4. The types of public facilities and development proposed to be financed or assisted by the EIFD pursuant to the EIFD Law are those listed on Exhibit B, attached hereto and incorporated herein by reference.
- Section 5. The City Council hereby finds that the EIFD is necessary for the area within the boundaries of the EIFD and the City. The City Council's stated goals for the EIFD are to create a means by which to assist in the provision of public facilities or other specified projects of communitywide significance that provide significant benefits to, promote economic development of, and enhance quality of life within, the boundaries of the EIFD or the surrounding community.
- Section 6. The City Council hereby declares that, pursuant to the EIFD Law and if approved by resolution pursuant to Government Code Section 53398.68, incremental property tax revenue from the City of Pasadena and some or all other affected taxing entities within the EIFD may be used to finance the activities described in Section 4 and listed on Exhibit B. The incremental property tax financing will be described in an IFP to be prepared for approval by the PFA, the City Council, and the legislative bodies of all participating taxing entities under EIFD Law.

Section 7. The City or County of Los Angeles may allocate tax revenues derived from local sales and use taxes imposed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law (Part 1.5 (commencing with Section 7200) of Division 2 of the Revenue and Taxation Code) or transactions and use taxes imposed in accordance with the Transactions and Use Tax Law (Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code) to the EIFD pursuant to Government Code Section 53398.75.5, if applicable. The City Council does not intend to contribute sales and use taxes or transactions and use taxes to the EIFD.

Section 8. The City Council hereby establishes the "Public Financing Authority of the Pasadena Enhanced Infrastructure Financing District" to serve as the governing board of the EIFD:

- A. The PFA membership shall be comprised initially of three members of the City Council appointed by the City Council and two public members selected by the City Council. Members shall serve at the pleasure of the City Council, as the case may be, and shall serve until their successor assumes office.
- B. The City Council further declares that, pursuant to Government Code Section 53398.51.1, should another taxing entity agree to participate as a taxing entity, then the PFA membership shall be modified in accordance with Government Code Section 53398.51.1. For example, if the County of Los Angeles ("County") agrees to participate as a taxing entity and the participating taxing entities consist of the City and the County, then the PFA membership shall be modified to be two members of the City Council, one member of the County Board of Supervisors ("Board of Supervisors"), one member of the public appointed by the City Council, and one member of the public appointed by the Board of Supervisors. Members shall serve at the pleasure of their respective appointing legislative bodies and shall serve until their successor assumes office.
- C. The legislative body of each participating taxing entity may appoint one of its members to be an alternate member of the PFA board who may serve and vote in place of a member who is absent or disqualifies themselves from participating in a meeting of the PFA.
- D. The members are subject to compliance with the EIFD Law and all applicable ethics laws, including Article 2.4 (commencing with Section 53234) of Chapter 2 of the Government Code.
- E. The City Council, and the governing bodies of any other

participating entities shall comply with Government Code Section 54974.

- Section 8. The City Council hereby sets the time and place for a public hearing of the PFA regarding the proposed EIFD and IFP, to be held on November 9, 2026, at 6:00 p.m., or as soon thereafter as the matter may be heard, at City Hall Council Chambers, 100 North Garfield Avenue, Pasadena, CA 91101.
- Section 9. Pursuant to Government Code Section 53398.60, the City Clerk is hereby directed to mail a copy of this Resolution to the PFA and each owner of land (as defined in the EIFD Law), or alternatively with respect to the owners of land may mail a single-page notice of intention identified in Government Code Section 53398.60(b), within the EIFD and to each affected taxing entity (as defined in the EIFD Law). In addition, the City Clerk is hereby directed to cause notice of the public hearing to be published not less than once a week for four successive weeks in a newspaper of general circulation published in the City. The notice shall state that the EIFD will be used to finance public works, briefly describe the facilities, briefly describe the proposed financial arrangements, including the proposed commitment of incremental tax revenue, describe the boundaries of the proposed EIFD and state the day, hour, and place, when and where any persons having any objections to the proposed IFP, or the regularity of any of the prior proceedings, may appear before the PFA and object to the adoption of the proposed IFP.
- Section 10. The Successor Agency to the Redevelopment Agency of the City of Pasadena (Successor Agency) has received a finding of completion, as specified in California Health and Safety Code Section 34179.7.
- Section 11. In accordance with Government Code Section 53398.54, the City certifies to the DOF and to the PFA that no former Redevelopment Agency of the City of Pasadena (Former RDA) assets that are the subject of litigation involving the State of California, where the City or the Successor Agency are a named plaintiff, have been or will be used to benefit any efforts of the EIFD unless the litigation and all possible appeals have been resolved in a court of law. The City Clerk is authorized and directed on behalf of the City to provide or make this certification to the DOF within 10 days after the City Council's action to participate in the EIFD pursuant to Government Code Section 53398.68 or the City Council's action to form the EIFD pursuant to Government Code Section 53398.69, by delivery of a copy of the appropriate Resolution or signing a separate certification, if and as required by the DOF.

Former RDA, the City or any other public agency. The Successor Agency and the City have complied with all of the State Controller's findings and orders stemming from such review.

Section 13. This Resolution in no way obligates the PFA to establish an EIFD.

Section 14. If any section, subsection, phrase or clause of this Resolution is for any reason found to be invalid, such section, subsection, phrase or clause shall be severed from, and shall not affect the validity of, all remaining portions of this Resolution that can be given effect without the severed portion.
