Agenda #	Relate To	Position	Name	Comments
25.		Other	Kevin Corrigan	It has been over 550 days since the Eaton Fire and I am still waiting to have public nuisance fire debris and damage from a burnt vehicle removed and abated from the public right of way in front of and adjoining my home/property by the Department of Public Works. I have reached out multiple times to both the Department of Public Works and Supervisor Barger's office, and yet the fire debris and damage remain. Please help. Thank you.
