The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

HEARING ON 2025-2026 COUNTY OF LOS ANGELES HAZARDOUS VEGETATION AND DEFENSIBLE SPACE ABATEMENT ENFORCEMENT CHARGES (ALL DISTRICTS) (3-VOTES)

SUBJECT

In Los Angeles County, abatement of hazardous vegetation (weeds, brush, and neglected landscaping), rubbish abatement, and defensible space enforcement are primarily a joint enforcement and clearance effort between the Department of Agricultural Commissioner/Weights and Measures (ACWM) and the Consolidated Fire Protection District of Los Angeles County (District). The State law pursuant to which both programs operate requires that your Board hold a public hearing for property owners whose properties will be assessed charges for hazardous vegetation and/or defensible space abatement.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY AND AS THE BOARD OF SUPERVISORS, AFTER THE PUBLIC HEARING:

1. Confirm the 2025-2026 ACWM hazardous vegetation abatement costs, in the total amount of $3,474,890.98, that are to be assessed to owners of designated parcels of land.

2. Confirm the 2025-2026 District defensible space abatement costs, in the total amount of $19,608,284.00, that are to be assessed to owners of improved parcels.

3. Instruct the Auditor-Controller (A-C) to post the hazardous vegetation and defensible space abatement costs as direct assessments against the respective parcels of land as they appear on the current property tax assessment roll.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Annual abatement of hazardous vegetation is a critical component of the overall fire prevention infrastructure throughout most of Los Angeles County. Your Board's confirmation of hazardous vegetation, rubbish, and defensible space abatement charges enables ACWM and the District to recover costs from properties upon which such costs were incurred in performing hazardous vegetation or rubbish abatement, and enforcement actions in support of defensible space, as authorized by State Law.

The properties, which are both improved and unimproved (vacant), were declared by prior Board resolution to contain, or have the potential to contain, public nuisances due to hazardous vegetation or rubbish.

Implementation of Strategic Plan Goals

This action supports the County Strategic Plan goals through the following strategies:

- North Star 2: Foster Vibrant and Resilient Communities - Focus Area Goal A.: Public Health – Strategy i.: Population Based Health – Removal of overgrown weeds, neglected vegetation, and illegal dumping contribute to the health and safety of residents within many of the County's diverse communities.

- North Star 3: Realize Tomorrow's Government Today - Focus Area Goal G.: Internal Controls and Processes – Strategy i.: Maximize Revenue and Strategy ii.: Manage and Maximize County Assets – Conducting nuisance abatement pursuant to the statutory authority of the California Health and Safety Code that allows ACWM and the District to respond to hazards posed by weeds, brush, and rubbish more quickly and effectively than when using other nuisance abatement procedures. It also allows complete cost recovery for ACWM's and the District's role in this critical public safety function

FISCAL IMPACT/FINANCING

There is no impact on net County cost.

Approval of this action will allow ACWM to recover its expenses for abatement costs, including clerical functions such as mailings, boundary determination, data entry, etc. It will also allow the District to recover its expenses for abatement costs, including clerical functions such as mailings, boundary determination, data entry, etc., and costs for abatement and enforcement activities beyond the annual inspection program for property owners who fail to comply with two official notices to abate hazards.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Properties identified by inspection to contain weeds, brush, neglected landscaping, or rubbish in violation of the Los Angeles County Fire Code Sections 325.2.1, or upon which these same items were otherwise a public nuisance, were the subject of enforcement actions or direct abatement activities pursuant to the authority of the California Health and Safety Code Sections 13879, and 14875 through 14922, inclusive. These statutes require the Board to pass a resolution and hold a Public Hearing, which took place in February of 2025 and March of 2026, respectively. In addition, Section 14905 requires ACWM and the District to keep an account of the cost of abatement on each separate parcel of land and render an itemized report (Report), in writing, to your Board. Attached are the itemized Reports for ACWM and the District.

Pursuant to Section 14906 before the Report is submitted to your Board for confirmation. A copy must be posted for at least three days on or near the Board's chamber door with a notice of the time when it will be submitted to your Board for public hearing on the confirmation.

Once confirmed by your Board, a copy of the Report must be submitted to the A-C on or before August 10, 2026. The A-C will enter the amounts of the respective assessments against the respective parcels of land as they appear on the current assessment roll.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recovery of costs incurred from enforcement or abatement of hazardous vegetation and rubbish is vital for the ongoing related operations for both ACWM and the District.

Respectfully submitted,

KURT E. FLOREN
Agricultural Commissioner, Director of Weights and Measures

ANTHONY C. MARRONE
FIRE CHIEF
