Los Angeles, California 90012

Dear Supervisors:

**ENVIRONMENTAL SERVICES CORE SERVICE AREA
ANNEXATION AND LEVYING OF SEWER SERVICE CHARGES TO THE
CONSOLIDATED SEWER MAINTENANCE DISTRICT OF 375 INDIVIDUAL
PROPERTIES IN EIGHT PARCELS WITHIN UNINCORPORATED AREAS OF
COVINA AND SANTA MONICA MOUNTAINS AND THE CITIES OF ROSEMEAD,
SAN DIMAS, AND SANTA CLARITA
(SUPERVISORIAL DISTRICTS 1, 3, AND 5)
(3-VOTES)**

SUBJECT

Public Works is seeking Board approval of the annexation of 375 individual properties, which have been organized into eight parcels, into the Los Angeles County Consolidated Sewer Maintenance District, and levying of sewer service charges on these parcels.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed annexation of eight parcels, Parcel Nos. 204-24, 2-25 to 6-25, and 201-25 to 202-25 into the Consolidated Sewer Maintenance District, and levying of sewer service charges, are to meet operational expenses to maintain service within the proposed annexation areas and are statutorily exempt from the California Environmental Quality Act.
2. Adopt the Resolution of Intention to set the public hearing for July 28, 2026, for the proposed annexation of eight parcels into the Consolidated Sewer Maintenance District and the levying of sewer service charges within the annexed parcels.
3. In accordance with Health and Safety Code, Sections 4898 and 4899, instruct the Director of Public Works or his designee to post notices of the hearing in at least three conspicuous places

within the parcels proposed to be annexed and in at least three conspicuous places in the Consolidated Sewer Maintenance District. The notices shall contain a description of the territory proposed to be annexed; the date, time, and location of the hearing; and shall be posted not less than 10 days prior to the date set for the hearing.

4. In accordance with Health and Safety Code, Section 4899, instruct the Executive Officer of the Board to publish the notices once a week for two consecutive weeks in both English and Spanish newspapers.

5. In accordance with Article XIIID, Section 6, of the California Constitution, instruct the Director of Public Works or his designee to notify the owners of record of all identified parcels of real property proposed to be annexed by United States mail of the amount of the Consolidated Sewer Maintenance District's sewer service charge to be levied upon each property; the basis for calculating the sewer service charge; the reason for the sewer service charge; and the date, time, and location of the hearing not less than 45 days prior to the date set for public hearing.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:

1. Determine whether a majority written protest exists against the proposed imposition of sewer service charges on the properties to be annexed.

2. If a majority written protest does not exist:

a. Find that the parcels proposed to be annexed will benefit from sewers maintained by Public Works and commencing in Fiscal Year 2027-28, authorize the boundaries of the Consolidated Sewer Maintenance District be altered to include such benefited parcels, and order levying of sewer service charges within the annexed parcels.

b. Adopt the Property Tax Transfer Resolution approving and accepting negotiations that there will be no exchange of property tax revenues from annexation of the eight parcels.

c. Instruct the Director of Public Works or his designee to file the statement of boundary change with the State Board of Equalization and the Office of the Assessor.

3. If a majority written protest does exist, make a finding terminating the proposed annexation and levying of sewer service charge proceedings and refer the matter back to Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to annex parcels benefiting from sewers maintained by Public Works and to levy sewer service charges on parcels within the annexed territories. Most of the individual properties are being included in these proceedings at the property owner's request or due to the sewer being readily available to the property owner. Some of the properties are being annexed as a result of an audit conducted by Public Works that sewer service is already being provided to the property. Owners of the affected parcels will be notified by mail, at least 45 days prior to the public hearing date, of the exact amount that will be charged to their individual parcels as required by law. The sewer service charge for a typical single-family home will be \$92.50 annually in Fiscal Year 2027-28. Multiple-family residences, commercial, and industrial properties are charged a higher amount based on land use and size.

Enclosed is a complete list of the 375 individual properties within the 8 parcels along with their proposed sewer service charges (Enclosure A).

Approval of the proposed annexations will provide Public Works with revenue to be used to maintain the sewer facilities in compliance with State Water Resources Control Board regulatory requirements and the Department of Public Health standards.

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: North Star 3, Realize Tomorrow's Government Today, Focus Area Goal G, Internal Controls and Processes, Strategy i, Maximize Revenue. The recommended actions allow the annexation of new territories already receiving sewer services into the Consolidated Sewer Maintenance District and levying of sewer service charges to the affected parcels to ensure that sufficient funds are raised for the continued maintenance of the sewer system in a cost-effective, safe, and environmentally sound manner and to protect the water resources of our communities.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

Upon approval by the Board, this action will generate an estimated \$30,000 in additional annual revenue to Public Works effective July 1, 2027, to provide for ongoing sewer maintenance operations. The additional revenue will be included in the Consolidated Sewer Maintenance District (GA9 – Revenue Source 9570) Fiscal Year 2027-28 Budget through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These recommended actions are required to annex parcels that will benefit from Public Works maintenance of local sewer collection systems. The Cities of Rosemead, San Dimas, and Santa Clarita have adopted the enclosed resolutions (Enclosure B) granting consent and jurisdiction to the County for the inclusion of territories within those cities into the Consolidated Sewer Maintenance District.

In order to effectuate an annexation, Section 4896 of the Health and Safety Code requires the Board, by resolution, to set a time and place for a public hearing regarding the proposed annexation. Consistent with this requirement, Enclosure C identifies the parcels proposed to be annexed. Sewer service charges shall be determined in accordance with Title 20, Divisions 2 and 3 of the Los Angeles County Code.

In accordance with Health and Safety Code Sections 4898 and 4899, Public Works shall post the required notices of the public hearing in at least three conspicuous places within the territory proposed to be annexed and in at least three conspicuous places in the Consolidated Sewer Maintenance District at least 10 days prior to the date of the hearing.

The areas to be included are located within unincorporated areas of Covina and Santa Monica Mountains and the Cities of Rosemead, San Dimas, and Santa Clarita. The procedures to annex territory into the Consolidated Sewer Maintenance District are set forth in California Health and Safety Code Section 4895 et seq. In order to annex territory located within a city, these procedures require consent of the governing body of such city as the owner of the sewers within their city.

As required by Section 4899 of the Health and Safety Code, the Board shall direct the Executive Officer of the Board to publish a notice of the hearing in a newspaper of general circulation once a week for two consecutive weeks.

Section 4900 of the Health and Safety Code provides that the Board, after passing upon the proposed annexation and any objections thereto, may, by order entered upon its minutes, determine that the territory proposed to be annexed or any part will be benefited by annexation and may order that the boundaries of the district be altered to include that territory.

The California Constitution, Article XIII D, Section 6 (a), requires that owners of parcels subject to new or increased sewer service charges be notified by mail no later than 45 days before the public hearing of the amount and reason for the charge; the method of determination; and the date, time, and location of the hearing. In the event a majority of property owners protest the new or increased charge, such new charge may not be imposed. In the absence of a majority protest, the sewer service charge shall be effective starting in Fiscal Year 2027-28.

Pursuant to Section 99 of the Revenue and Taxation Code, there will be no exchange of property tax revenues as a result of this action.

The Director of Public Works or his designee shall file the necessary statement of boundary change with the State Board of Equalization and the Office of the Assessor as required by Section 54900 of the Government Code and Section 99 of the Revenue and Taxation Code.

This proposal was reviewed by the Director of Public Works or his designee, acting as the County Surveyor, and the Office of the Assessor. The boundaries were approved as to definiteness and certainty and are shown on the legal descriptions also included in Enclosure C.

The Resolution of Intention (Enclosure D) and Property Tax Resolution (Enclosure E) have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed annexation and levy of sewer service charges is to fund operating expenses to maintain sewers and is exempt from the California Environmental Quality Act pursuant to California Public Resources Code Sections 21080(b)(8) and 15273(a) of the California Environmental Quality Act Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will result in the annexation of an additional 5.1 miles of sewer lines to the Consolidated Sewer Maintenance District. The revenue to be generated will be sufficient to fund the increased service area. The recommended action will have no impact on current County services or projects.

CONCLUSION

Please return one adopted copy of this letter to Public Works, Sewer Maintenance Division.

BE IT RESOLVED by the Board of Supervisors of the County of Los Angeles, State of California, as follows:

SECTION 1. It is hereby found and determined that lateral and/or collecting sanitary sewers have been installed within the hereinafter described territory in said County of Los Angeles; that no provision has been otherwise made for the maintenance and repair of such sewers; that no part of said area is now included within a sewer maintenance district; and that said area is in need of sewer maintenance and should be annexed to the Consolidated Sewer Maintenance District of said County, formed June 3, 1929; and that any city having territory included within the proposed annexation has granted consent and jurisdiction for such annexations.

SECTION 2. That the public interest and convenience require, and it is the intention of said Board of Supervisors to order, that the hereinafter described territory in the County of Los Angeles be annexed to, included within, and known as the Consolidated Sewer Maintenance District, in accordance with Chapter 4, Part 3, Division 5 of the Health and Safety Code, as amended, of the State of California. Said territory shall consist of that portion of said County included within the following exterior boundary lines.

SECTION 3. The amounts to be levied for the expense of such operation and maintenance of the sewer facilities described shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected. The sewer service charge shall be effective in Fiscal Year 2027-28.

SECTION 4. Sewer service charges shall be determined in accordance with Title 20, Divisions 2 and 3 of the Los Angeles County Code.
