10.		Oppose	David Huang	Please, let me know as I was informed my community service as I was working under discontinued the program and returned my hours slip to the agency, I was notified on as I was still reporting my hours trying to resolve and finish as well. I left my full time job in March, due to schedule differences as I was trying to complete my hours. I have only limited transportation from my mom. As currently I'm struggling financially. Trying to my best to focus on the situation
