RE: Transmittal of Certified Copies of Resolution Nos. 2026-R076 (Calling And Giving Notice of a General Municipal Election for Two Council Members), 2026-R077 (Calling the Election for One Ballot Measure), 2026-R078 (Requesting the Board Of Supervisors to Consolidate Culver City's General Municipal Election on November 3, 2026), and Resolution 2007-R068, Providing for a 200-Word Candidate Statement and Payment Requirement by Candidates.

Dear Mr. Yen:

As the Elections Official of the City of Culver City, and in accordance with the provisions of the City Council Resolutions mentioned above, I am pleased to transmit herewith certified copies of Resolution Nos. 2026-R076, 2026-R077, 2026-R078, adopted by the City Council on June 22, 2026.

Resolution 2026-R078 contains the City Council's request to the Board of Supervisors to consent and agree to the consolidation of the General Municipal Election (called by the City Council's adoption of Resolution 2026-R076 on June 22, 2026) with the Statewide General Election to be held on Tuesday, November 3, 2026.

Resolution No. 2026-R076 submits to the voters two (2) City Council seats to be filled on the ballot for the November 3, 2026 General Municipal Election; and Resolution No. 2026-R077 submits one ballot measure to approve an amendment of the City Charter to lower the voting age to 16. The question is as follows:

Measure ____

Shall the measure amending the City of Culver City Charter to allow Culver City residents aged 16 and 17, who are otherwise eligible to vote under state and local law, to vote on City and School District candidates and ballot measures, provided that each legislative body has approved budgetary funds

Culver City Employees take pride in effectively providing the highest levels of service to enrich the quality of life for the community by building on our tradition of more than one-hundred years of public service, by our present commitment, and by our dedication to meet the challenges of the future.

and determined logistical systems are in place, and that inclusion would not prevent consolidation of City or School District elections with county elections, be adopted?

Please note that the candidate statement word count and advance payment requirement for candidates is included in Resolution No. 2007-R068. Please also note that the requirement for measure passage is a majority of votes cast.

On behalf of the City Council, I respectfully request this matter be presented to the Board of Supervisors at the earliest possible opportunity. Additionally, please notify my office of the date this request is scheduled for consideration by the Board of Supervisors.

If you have any questions regarding this request or if I may be of further assistance, please feel free to contact me at 310-253-5851 or jeremy.bocchino@culvercity.gov.

Very truly yours,
