			The following individuals submitted comments on agenda item:	
Agenda #	Relate To	Position	Name	Comments
52.		Other	Lynne Plambeck	The map for this item shows this easement as being near a Santa Paula Freeway. There is no Santa Paula Freeway. It is a little worrisome to think Public Works is in charge of our drainage systems when they don't seem to know where they are located and can't identify other key locations on the map accurately.
