| 11. | | **Favor** | NiK Kacy | As a Chinese immigrant, Los Angeles County resident, and community leader, this recognition is deeply meaningful to me. The Moon Festival is more than a celebration—it represents family, connection, gratitude, and traditions carried across generations and across oceans.<br><br>For immigrants like me, cultural traditions are also an important connection to where we came from while building a sense of belonging in the place we now call home.<br><br>Los Angeles County is home to one of the largest and most diverse Asian communities in the country. Recognizing celebrations like the Moon Festival sends an important message that our histories, cultures, and contributions are part of the fabric of Los Angeles County.<br><br>I especially appreciate the County encouraging residents of all backgrounds to participate. Cultural recognition should not only celebrate our differences; it should create opportunities for us to learn from one another and build stronger communities together.<br><br>Thank you, Supervisor Solis, for bringing this motion forward, and I respectfully urge the Board to support Item 11.<br><br>Respectfully,<br><br>NiK Kacy<br>Los Angeles County Resident & Registered Voter<br>Member, TLC Angels of Change Leadership Academy |
