The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

TRANSPORTATION CORE SERVICE AREA
ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING DISTRICTS
NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
L 077-2024, SAN PASQUAL
(SUPERVISORIAL DISTRICT 5)
(3-VOTES)

SUBJECT

Public Works is seeking Board approval and authorization to annex the single-lot project known as L 077-2024 located in the unincorporated community of San Pasqual to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone; order the levying of assessments for street lighting purposes; and approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service areas are subject to the jurisdictional changes.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this Board letter and record of the action.

2. Adopt the Resolution of Intention to Annex Single-Lot Territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and order the levying of assessments within the annexed territory for Fiscal Year 2027-28 whose area and boundary are identified on the diagram included in the resolution.

3. Set a date for a public hearing regarding the proposed annexation of territory and levying of

annual assessments based on the Fiscal Year 2027-28 Annual Engineer's Report, which establishes assessments based on land use type for all zones within County Lighting District Landscaping and Lighting Act-1 for street lighting purposes with an annual base assessment rate for a single family residence of $5 for the Unincorporated Zone.

4. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of September 22, 2026, pursuant to Section 53753 of the California Government Code. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:

1. Find that the annexation and assessments are for the purposes of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of streetlights necessary to maintain service within the proposed annexation territory.

2. Order the tabulation of assessment ballots submitted and not withdrawn in support of or in opposition to the proposed assessments.

3. Determine whether a majority protest against the proposed annexation or assessment exists.

4. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in the single-lot territory where the proposed annexation and levying of assessments has been rejected, if any, as a result of a majority protest and refer the matter back to Public Works.

5. If there is no majority protest against the proposed annexation or assessments:

a. Adopt the Resolution Ordering Annexation of a Single-Lot Territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, confirming a Diagram and Assessment and Levying of Assessments within the Annexed Territory for Fiscal Year 2027-28 either as proposed or as modified by the Board. The annexation, levy of assessments, and the exchange of property tax revenues shall not become effective unless the legal description for the annexed territory is approved as to definiteness and certainty by the Assessor. The adoption of the resolution ordering annexation shall constitute the levying of assessments in Fiscal Year 2027-28.

b. Adopt the joint resolutions between the Board and other taxing agencies approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of the single-lot territory to County Lighting Maintenance District 1687 as approved by the nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to annex the future housing development into the County Lighting Maintenance District (CLMD) in order to add new streetlights along the streets, improve the lighting levels of the community, and ensure that the property owners of the future housing development are contributing their fair share of the funding for the operation and maintenance of the new streetlights. This action benefits future residents by ensuring that the CLMD will maintain the streetlights with the funding from those benefiting properties.

Approval of the recommended actions will find that the project is exempt from the California Environmental Quality Act (CEQA) Guidelines and allow the Board to: (1) annex specified single-lot territory known as L 077-2024 to CLMD 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone (collectively, County Lighting Districts); (2) levy assessments in Fiscal Year 2027-28 on each lot or parcel lying within the proposed annexation territory based on land use categories that designate usage units on the basis of benefits received; and (3) approve the exchange of property tax revenue between CLMD 1687 and other nonexempt taxing entities whose service area are subject to the jurisdictional changes.

The proposed annexation, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of new streetlights. The proposed assessment rate for the single-lot development will be an annual assessment of $5 per single-family residence within the Unincorporated Zone with proportionately higher rates for other land uses.

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal C, Public Safety, Strategy i, Prevention, Protection & Security; and North Star 3, Realize Tomorrow's Government Today, Focus Area Goal F, Flexible and Efficient Infrastructure, Strategy ii, Modernize Infrastructure, by managing public infrastructure assets that support the quality of life of Los Angeles County residents.

FISCAL IMPACT/FINANCING

The estimated annual cost for operation and maintenance of the streetlights within the annexed territory is $187 for CLMD 1687 (Fund F46). Funding for this cost will be included in the Fund F46 (Services and Supplies) Fiscal Year 2027-28 Budget.

In subsequent years, the ongoing operation and maintenance costs within the annexed territory will be funded by the CLMD's share of ad valorem property taxes supplemented by assessments annually approved by the Board from property owners within this annexed territory. Adoption of the joint resolutions will result in a minimal property tax growth transfer from the affected taxing entities, including those governed by the Board: the County General Fund, the Los Angeles County Public Library, Los Angeles County Road Maintenance District 5, Los Angeles County Flood Control Drainage Improvement Maintenance District, Los Angeles County Flood Control District, and the Consolidated Fire Protection District of Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County Code and applicable subdivision, planning, and zoning ordinances require the installation of a street lighting system as a condition of the development. The single-lot development must comply with the terms of these ordinances and provide street lighting as a condition of development. The purpose of the recommended action is to annex the territory into the County Lighting Districts to comply with these ordinances and the California Streets and Highways Code Sections 5821.3 and 22608.2.

The Landscaping and Lighting Act of 1972 (California Streets and Highways Code Section 22573) provides for the assessment of street lighting costs against the benefited properties within CLD LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel. A method of distributing

the street lighting costs based on land use was approved by the Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or -leased parcels. The same distribution method will be used to compute the Fiscal Year 2027-28 base assessment rates for each zone within CLD LLA-1 and will be shown in the Fiscal Year 2027-28 Annual Engineer's Report to be filed by Public Works.

The procedures for levying of assessments previously authorized by the Board under California Government Code Section 53753, including the distribution, receipt, and tabulation of ballots at a public hearing are required and will be followed for each single lot annexation project. The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the streetlights as part of the County administered street lighting districts and will result in the inability to operate and maintain the streetlight(s) as part of the County administered street lighting districts and will result in no issuance of a Certificate of Occupancy. The assessments will not be levied if the weighted majority of ballots returned are opposed to the assessment.

The enclosed resolution of intention (Enclosure A) must be adopted to set a date for the required public hearing. The Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessments. The approval of the enclosed Resolution Ordering Annexation of Single-Lot Territory (Enclosure B), the levying of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the streetlights in the annexed territory.

The California Revenue and Taxation Code Section 99 et seq. provides that the affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The joint resolutions approving and accepting the negotiated exchange of property tax revenues have been approved by all other nonexempt taxing agencies and are enclosed for your consideration (Enclosure C).

Following the Board's approval of the resolutions for the annexation, levying of assessments, exchange of property tax revenues, and/or approval of the legal description by the Assessor, Public Works will file the statement of boundary changes with the California Board of Equalization as required by California Government Code Section 54900 et seq. The resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed project is exempt from CEQA. Adoption of the proposed resolution annexing territory to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will provide the necessary funding for the operation and maintenance of streetlights for the purpose of meeting operating expenses and is exempt from CEQA pursuant to Section 15273(a) of the CEQA Guidelines and Section 21080(b)(8) of the California Public Resources Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territory to the County Lighting Districts will result in street lighting for this territory and will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this Board letter and a copy of the signed resolutions to Public Works, Traffic Safety and Mobility Division. Also, please forward one adopted copy of the Board letter and resolutions to the Assessor, Ownership Services Section and one to the Auditor-Controller, Property Tax Apportionment Division.
