amount of \$5 million per consultant.

3. Delegate authority to the Director of Parks and Recreation, or designee, to approve and execute amendments, approved as to form by County Counsel; including to execute individual work orders and amendments to work orders to incorporate necessary changes to the scope of work/project without increase to the original Master Agreement amount related to the as-needed planning, landscape architecture, civil engineering, environmental, architecture, construction-cost management, real estate, community engagement and related services, graphic communications, and public relations and marketing services, and any additional service categories: administrative and operational support services; to add, delete, and/or change certain terms and conditions as required under Federal or State law or regulation, County policy and/or the Board of Supervisors; to assign rights or delegation of duties should the original contracting entity merge, be acquired or otherwise change entities; and to suspend or terminate any Master Agreement if, in the opinion of the Director of Parks and Recreation, or designee, it is in the best interest of the County of Los Angeles to do so.
4. Delegate authority to the Director of Parks and Recreation, or designee, to exercise two (2) additional one-year extension options, and month to month extensions for up to six (6) months, at the Director of Parks and Recreation's sole discretion with the Contractors who have effectively performed the services during the initial Master Agreement term period and the services are still required.
5. Delegate authority to the Director of Parks and Recreation, or designee, to extend the term (duration) of the current October 19, 2021, Board approved as needed consultant Master Agreements past the Master Agreement expiration date of October 18, 2026, solely to allow for the completion of the ongoing work orders that were already issued prior to, but not completed by the expiration date.
6. Delegate authority to the Director of Parks and Recreation, or designee to extend access to the as-needed consultants with Los Angeles County departments and County-related agencies by executing Memoranda of Understanding agreements that specifies the scope of work, funding for each project consistent with the terms and conditions of the Master Agreement, including a one-time administrative fee of 12% to the Department of Parks and Recreation, and with a term (duration) that is concurrent with the Master Agreement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department of Parks and Recreation (LA County Parks) oversees a vast and diverse system of parks and recreational facilities throughout Los Angeles County. In carrying out its mission to steward parklands, build healthy and resilient communities, and advance social equity and cohesion, LA County Parks undertakes work of varying size and complexity. As-needed master agreements supplement staff capacity by providing timely access to specialized expertise to support the planning and delivery of projects throughout the park and recreation system, improve existing facilities, meet environmental and regulatory requirements, engage communities, and respond to emerging and/or time-sensitive needs.

Specifically, LA County Parks engages in multidisciplinary projects, programs, and initiatives including planning and California Environmental Quality Act (CEQA) work, environmental studies, real estate and regulatory compliance, trails planning, sustainability planning, design, community engagement, graphic design, and capital projects, including, but not limited to engineering,

architecture, landscape design, project management, cost estimating, and public relations and marketing services. Additional service categories may include administrative and operational functions necessary to assist LA County Parks in carrying out projects requiring specialized professional expertise, which may lead to cost savings, revenue generation, and operational efficiency.

The use of as-needed consultants enables LA County Parks to leverage its internal staff capacity to directly implement projects and provide a broader range of services in support of LA County Parks' mission, as well as to submit highly competitive grant applications for various types of projects. Over its history, LA County Parks' consultant bench has delivered over \$30 million of professional services, supporting hundreds of projects, ranging from small deferred maintenance projects to major capital projects, including numerous Job Order Contract (JOC) deferred maintenance and park improvement construction projects, as well as high profile planning and design work like the Los Angeles Countywide Parks and Recreation Needs Assessment Plus, Measure A implementation, the Puente Hills Landfill Park Master Plan, the Earvin "Magic" Johnson Park Master Plan, the Countywide Well-being and OurSPOT Teen Center Spaces, re:PLAY Playground Program, Project Restroom, and the Los Angeles Countywide Lighting and Safety Study and Implementation.

Having immediate access to consultants enabled LA County Parks to quickly assess and evaluate the impacts of the 2025 Eaton Fire on seven Altadena area parks allowing LA County Parks to respond efficiently and initiate recovery planning without delay. Earlier this year, LA County Parks' as-need consultants supported the successful competitive grant applications for five projects, including the Compton Creek Trail Phase III, Lower LA River Gateway Greenway, and Acton Park Cooling Strategies study. Continued access to this depth of expertise is essential for LA County Parks to sustain the magnitude of projects, deliver high quality projects, and meet the evolving needs of communities countywide.

Approval of the recommended actions will provide LA County Parks with access to as-needed planning, landscape architecture, civil engineering, environmental, architecture, construction-cost management, real estate, community engagement and related services, graphic communications and public relations and marketing, and any additional service categories: administrative and operational support services (Consultant Services) through master agreements (Master Agreements) with selected consultants (Attachment II), which will support various projects throughout LA County.

Approval of the recommended actions will authorize the Director of Parks and Recreation (Director) to extend current as-needed consultant Master Agreements past the Master Agreement expiration date of October 18, 2026, solely to allow for the completion of the work orders that were issued prior to but not completed by the expiration date which are related to a previously assigned scope of work on a given project, and necessary for the completion of that given project.

Additionally, approval of the recommended actions will authorize the Director, or designee, to extend access to the as-needed Consultants Services by executing Memoranda of Understanding (MOU) with Los Angeles County departments and County-related agencies that outline the scope of work, funding source, administrative fee, and duration of project.

Implementation of Strategic Plan Goals

The recommended actions uphold the County's Strategic Plan Goals to Foster Vibrant and Resilient Communities, by making an equitable transition to, and investing in the growth of a carbon-free green economy (North Star 2.D.ii); sustaining and supporting thriving ecosystems, habitats and biodiversity (North Star 2.D.iii); Strengthening the capacity, role, and partnerships with community-

based institutions and organizations to help serve our communities and strengthen the social fabric within them (North Star 2.E.i); Manage and Maximize County Assets, by maximizing the use of County assets, guide strategic investments (including real estate and space management) in ways that are fiscally responsible and align with the County's highest priority needs (North Star 3.G.ii).

FISCAL IMPACT/FINANCING

Approval of the recommended Master Agreements does not guarantee any minimum amount of work. LA County Parks only incurs an obligation as individual work orders are issued. Funding for as-needed Consultant Services will be made available when grants, capital projects, deferred maintenance, Quimby, discretionary, and other types of funding are designated for individual work orders.

OPERATING BUDGET IMPACT

LA County Parks will obtain the appropriate level of Consulting Services appropriation for the Master Agreements through the County budget process. The administrative fee of 12% will be collected as a one-time cost reimbursement for LA County Parks.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

LA County Parks has determined that the recommended Master Agreements are not subject to the County's Living Wage Program. County Code Chapter 2.201 does not apply to these Master Agreements, as these agreements are for non-Proposition A services. These Master Agreements are for specialized services required on an as-needed, part-time, and intermittent basis; hence, these Master Agreements are not Proposition A contracts (County Code Chapter 2.121).

Pursuant to Government Code Section 31000, the Board of Supervisors (Board) authorized to contract special services with specially trained, experienced companies, including, but not limited to architectural and engineering services. The term of these Master Agreements is for three (3) years, with two (2) one-year options, and month-to-month extensions for up to six (6) months for a maximum Master Agreement term of five (5) years and six (6) months.

In accordance with County policy, the Master Agreements contain a Cost Of Living Adjustment (COLA) provision, based on an annual rate, as determined by the Chief Executive Officer (CEO), whereby the Director, at her sole discretion, may increase the Contractor's hourly fees during the option years. The COLA rate is capped at the lesser of the most recently published percentage change in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index for Urban Consumers (CPI-U) for the Los Angeles-Long Beach-Anaheim Area for the 12-month period preceding the Master Agreement anniversary date; or the general salary movement percentage for County employees for the 12-month period preceding the prior July 1st.

The award of these Master Agreements will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. These Master Agreements contain terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: consideration of hiring Gain/Start participants, the Jury Service Program, the Living Wage Program, the Defaulted Property Tax Reduction Program, Safely Surrendered Baby Law, Zero Tolerance Policy on Human Trafficking, Fair Chance Employment Practices, and the County Policy of Equity. The Sample Master Agreement is in compliance with all Board, CEO, County Counsel requirements; and the standard Board-directed clauses that provide

for Master Agreement termination.

County Counsel will approve each Master Agreement as to form prior to the Director executing each Master Agreement.

The CEO's Risk Management Office has approved the insurance, indemnification and liability provisions included in the Sample Master Agreement.

The County maintains databases that track/monitor the consultant's performance history. Information entered into such databases may be used for a variety of purposes. No negative information was found for these consultants.

The recommended contractors and their respective service categories are attached as Attachment II.

ENVIRONMENTAL DOCUMENTATION

The proposed actions are not subject to the California Environmental Quality Act (CEQA) because they are activities that are excluded from the definition of a project by section 21065 of the Public Resources Code and section 15378(b) of the State CEQA Guidelines. The proposed actions to award and execute these agreements are administrative activities of governments that will not result in direct or indirect physical changes to the environment.

As projects are developed, LA County Parks will return to your Board as necessary with the appropriate environmental documentation for your consideration prior to construction.

CONTRACTING PROCESS

On July 22, 2025, LA County Parks released a Request For Statement of Qualifications (RFSQ) for Consultant Services and posted the solicitation and contracting opportunity announcement on the County's "Doing Business with Us" website, which included a link to download the RFSQ package. A total of four (4) addendums were issued subsequent to the release of the RFSQ, with the final addenda being issued on September 11, 2025.

By the initial deadline of 12:00 p.m. PT on September 17, 2025, LA County Parks received a total of 84 Statements of Qualifications (SOQ). During Phase One of the evaluation process, each SOQ was reviewed to ensure compliance with the minimum mandatory requirements as outlined in the RFSQ by the LA County Parks' Contracts Division. Of the total SOQs received, 12 were disqualified for not meeting the minimum mandatory requirements.

Phase Two evaluated the remaining 72 SOQs which included Reference checks (Public Entities and Reference Surveys) which respectively received a maximum point value of 300 each. Concurrently, the SOQs were scored by subject matter experts (committee) who were knowledgeable and familiar with the work requirements for each service category. The committee reviewed each SOQ for appropriate work samples and related work experience, and scored each SOQ on the breadth of verified services, indicated on Exhibit 12 and Exhibit 14 of each proposer's SOQ, awarding points for the complete list of services the vendor could provide. Each service category was assigned a maximum number of points based on the full range of required and optional services that could be provided.

Based on the RFSQ selection and qualification process, eight (8) proposers in the Landscape Architecture service category, six (6) proposers in the Architecture, Planning, Environmental, and Construction-Cost Management service categories, five (5) proposers in the Civil Engineering, four (4) proposers in the Graphic Communications and Community Engagement and Related Services categories, and three (3) proposers in the Public Relations and Marketing, identified in Attachment II, were determined to be qualified and are recommended for Master Agreements award.

LA County Parks will leave the RFSQ open in order to continue to receive SOQs from additional vendors, based on the needs and the service category. With the Board's delegated authority, the Director, or designee, will be authorized to execute additional Master Agreements, substantially similar to Attachment I, as well as amendments, as approved as to form by County Counsel, with vendors who meet the RFSQ requirements.

Attachment III reflects the qualified consultants' minority participation. It should be noted that upon final analysis and award, the consultants were selected without regard to gender, race, creed, or color.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of these Master Agreements will allow LA County Parks to provide continued responsive services to the public. These Master Agreements will not infringe on the role of the County in its relationship to its residents, and the County's ability to respond to emergencies will not be impaired, nor result in the displacement of any County personnel, as these services are a specialized professional service, currently being performed on an as-needed, part-time and intermittent basis. Therefore, there will be no impact on existing staff or service levels.

CONCLUSION

Please instruct the Executive Officer of the Board to forward three adopted copies of the action taken by the Board to LA County Parks.

- 3.3** If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the Work Order expiration date, and/or that exceeds the Total Maximum Amount as specified in the Work Order as originally written or modified in accordance with Paragraph 8.1 (Amendments), these will be gratuitous efforts on the part of Contractor for which Contractor will have no claim whatsoever against County.
- 3.4** County procedures for issuing and executing Work Orders are as set forth in this Paragraph 3.4:
 - 3.4.1** DPR determines a need for services that can be addressed by a Master Agreement. County Project Director develops and issues the Work Order Request that includes a Statement of Work, a Project Schedule, and other information related to the specific Work Order.
 - 3.4.2** DPR determines the Discipline Category based on the services required. Within that Discipline Category, DPR selects the next eligible Qualified Prime Consultant on a rotational basis.
 - 3.4.3** Alternatively, DPR reserves the right to match potential projects and needs to firms based on performance, scheduling, workload distribution, community familiarity, past project performance and other factors, at DPR's sole discretion, on a case-by-case basis.
 - 3.4.4** County Project Director issues the Work Order Request to the selected Qualified Prime Consultant. At DPR's discretion, the County Project Director may choose to issue the Work Order Request to more than one Qualified Prime Consultant with proper notification to all included Qualified Prime Consultants.
 - 3.4.5** The Qualified Prime Consultant submits a Work Order Fee Proposal consistent with the terms and conditions of the Work Order Request and the Master Agreement no later than 14 calendar days from the Work Order Request date. The Work Order Fee Proposal must include the proposed services, whether the services will be provided within the organization or by a Listed or Unlisted Subcontractor, and a fee itemization based on hourly charges.
 - 3.4.6** In the event a selected Qualified Prime Consultant defaults three times under Paragraph 3.4 within a given County fiscal year, then County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default).
 - 3.4.7** The County Project Director will review the submitted Work Order Fee Proposal(s) to determine if it is responsive to the intent of the Work Order Request. The County Project Director may ask the Qualified Prime Consultant(s) to clarify, revise, or amend the Work Order Fee Proposal.

If the Qualified Prime Consultant(s) does not clarify, revise, or amend the Work Order Fee Proposal in a timely manner, the Fee Proposal will be deemed nonresponsive and eliminated from further consideration.

- 3.4.8** DPR will issue a Work Order Notice to Proceed (NTP) to the Qualified Prime Consultant that indicates the accepted fee, start date, and other terms specific to the Work Order. If DPR issued the Work Order Request to more than one Qualified Prime Consultant, DPR will select the Qualified Prime Consultant determined to have the lowest responsive Fee Proposal.
- 3.4.9** The Work Order NTP may be phased to include part or all the proposed services.
- 3.4.10** DPR may choose at any time for any reason to terminate the Work Order Request process or work related to an accepted Fee Proposal that has not yet been ordered by a Work Order NTP. DPR will only issue payment for work ordered by a formal, written NTP.
- 3.4.11** Payment for all work will be on a predetermined time and materials basis or on a fixed-price-for-deliverable basis. The Qualified Prime Consultant must issue invoices based on a predetermined milestone schedule.

3.5 Unscheduled Work

- 3.5.1** The County's Project Manager or their designee, may authorize the Contractor to perform unscheduled work, including, but not limited to, repairs and replacements when the need for such work arises out of extraordinary incidents such as vandalism, acts of God, and third-party negligence; or to add to, modify or refurbish existing facilities.
- 3.5.2** Prior to performing any unscheduled work, the Contractor must prepare and submit a written description of the work with an estimate of labor and materials. If the unscheduled work exceeds the Contractor's estimate, the County's Project Director, or their designee, must approve the excess cost. In any case, no unscheduled work will commence without written authorization.
- 3.5.3** When a condition exists wherein there is imminent danger of injury to the public or damage to property, Contractor must contact County's Project Director for approval before beginning the work. A written estimate must be sent within twenty-four (24) hours for approval. Contractor must submit an invoice to County's Project Director within five (5) working days after completion of the work.
- 3.5.4** All unscheduled work must commence on the established specified date. Contractor must proceed diligently to complete said work within the time allotted.
- 3.5.5** The County reserves the right to perform unscheduled work itself or assign the work to another Contractor.

4.0 TERM OF MASTER AGREEMENT

- 4.1** The term of this Master Agreement will be three (3) years commencing after execution by Director, or their designee as authorized by the Board of Supervisors (Board). This Master Agreement will expire on _____, unless sooner extended or terminated, in whole or in part, as provided herein.
- 4.2** The County will have the sole option to extend the Master Agreement term for up to two (2) additional one-year periods and month to month extensions for up to six (6) months, for a maximum total Master Agreement term of five (5) years and six (6) months. Each such option and extension will be exercised at the sole discretion of the Director, or their designee as authorized by the Board.
- The County maintains a database that tracks/monitors contractor performance history. Information entered into the database may be used for a variety of purposes, including determining whether the County will exercise a Master Agreement term extension option.
- 4.3** Contractor must notify the Department when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor must send written notification to the Department at the address herein provided in Exhibit A (County's Administration).
- 4.4** If the County authorizes the Consultant in writing to perform services on a given project prior to the stated expiration date, but thereafter such services are not completed by the stated expiration date, then the expiration of the Agreement will be automatically extended solely to allow for the completion of such services. County may authorize unforeseen additional services and extend the Agreement expiration date as necessary to complete those services when the unforeseen additional services are directly related to the initial scope of work and are necessary for the completion of a given project.

5.0 CONTRACT SUM

5.1 Total Contract Sum

Contractor will not be entitled to any payment by County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders. In each year of this Master Agreement, the total of all amounts actually expended by County hereunder ("maximum annual expenditures") may not exceed amounts allocated to the Department by the Board in their approved budgets. The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of the Master Agreement is the Contract Sum.

5.2 Written Approval for Reimbursement

The Contractor will not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein.

Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, will occur only with the County's express prior written approval.

5.3 No Payment for Services Provided Following Expiration/Termination of Master Agreement

Contractor will have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it will immediately notify County and must immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement will not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 Invoices and Payments

5.4.1 For providing the tasks, deliverables, services, and other work authorized pursuant to this Master Agreement, Contractor must separately invoice County for each Work Order either: (1) monthly, if performed on a Time and Materials basis (Exhibit D1) or (2) by deliverable, if performed on a fixed price per deliverable basis (Exhibit D2).

5.4.2 Payment for all work will be on either a Time and Materials basis or a fixed price per deliverable basis, subject to the Total Maximum Amount specified in each Work Order less any amounts assessed in accordance with Paragraph 8.25 (Liquidated Damages).

5.4.3 County will not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc.

5.4.4 The Department agrees to pay a *Listed Subconsultant Administrative Fee* not to exceed 4% of the total subconsultant professional fee, not including reimbursements, for subconsultants included in the Prime Consultant's List of Approved Subconsultants (Exhibit K).

5.4.5 At the request of the Department, the Prime Consultant may hire subconsultants that are not included in the Prime Consultant's List of Approved Subconsultants (Exhibit K). In these cases, the Department agrees to pay an *Unlisted Subconsultant Administrative Fee* not to exceed 8% of the total subconsultant professional fee, not including reimbursements.

5.4.6 All work performed by, and all invoices submitted by, Contractor pursuant to Work Orders issued hereunder must receive the written approval of County's Work Order Director, who will be responsible for a

detailed evaluation of Contractor's performance before approval of work and/or payment of invoices is permitted.

5.4.7 Invoices under this Master Agreement must be submitted to the address(es) set forth in the applicable Work Order.

5.4.8 Invoice Content

The period of performance specified in Contractor's invoice(s) must coincide with the period of performance specified in the applicable Work Order.

Time and Materials Work Order:

Each invoice submitted by Contractor must specify:

- County numbers of the Work Order and Contractor's Master Agreement;
- Period of performance of work being invoiced;
- Name(s) of persons who performed the work;
- Number of hours being billed for the individual(s) and the labor rate(s) as specified in the Work Order; and
- Total amount of the invoice.

Fixed Price Per Deliverable

Each invoice submitted by Contractor must specify:

- County numbers of the Work Order and Contractor's Master Agreement;
- Period of performance of work being invoiced;
- Name(s) of persons who performed the work;
- A brief description of the deliverable(s) for which payment is claimed, the respective number(s) assigned to the deliverable(s), and the individual amount being billed for each deliverable; and
- The total amount of the invoice.

5.4.9 Preference Program Enterprises – Prompt Payment Program

Certified Prompt Payment Enterprises (PPEs) will receive prompt payment for services they provide to County departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an approved, undisputed invoice which has been properly matched against documents such as a receiving, shipping, or services delivered report, or any other validation of receipt document consistent with Board Policy 3.035 ([Preference Program Payment Liaison and Prompt Payment Program](#)).

5.5 Cost of Living Adjustment

Upon completion of a Master Agreement's Initial Term, Contractor may request a Cost-of-Living Adjustment (COLA) that may increase the listed allowable contract

hourly fees. The Department may, at its sole discretion, approve the COLA based on the most recently published percentage change in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index (CPI) for the Los Angeles-Long Beach-Anaheim Area for the 36-month period preceding the completion of the Master Agreement's Initial Term. However, any COLA increase must not exceed the general salary movement granted to County employees as determined by the Chief Executive Officer as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, no COLA will be granted. Approval must be given by the Director or their designee.

5.6 Default Method of Payment: Direct Deposit or Electronic Funds Transfer

- 5.6.1** The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).
- 5.6.2** The Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.
- 5.6.3** Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.
- 5.6.4** At any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

5.7 Unresolved Disallowed Costs

Contractor must not invoice the County for disallowed costs under the Contract. Correspondingly, the Contractor must not have unresolved disallowed costs in excess of One Hundred Thousand Dollars (\$100,000) that have been confirmed as disallowed costs by the contracting County department and remain unpaid for a period of six (6) months or more from the date of an Auditor-Controller (A-C) Report. Unless such disallowed costs are the subject of current good faith negotiations, as determined in the sole discretion of the County, non-compliance by Contractor regarding this provision will constitute a material breach of Contract and may result in termination for default, in addition to any other remedies available to the County. Further, if Contractor has been determined to have unresolved disallowed costs in excess of \$100,000 for longer than six months

since the date of the A-C Report, they will be disqualified from future County solicitations unless such disallowed costs are the subject of good faith negotiations to resolve the disallowed costs, in the sole opinion of the County, or have been resolved.

7.4 Contractor's Staff Identification

Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but will not be limited to, criminal conviction information. The fees associated with the background investigation will be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

7.5.2 If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be immediately removed from performing services under the Master Agreement at any time during the term of the Master Agreement. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

7.5.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

7.5.4 Disqualification of any member of Contractor's staff pursuant to this Paragraph 7.5 will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

7.6 Confidentiality

7.6.1 Contractor must maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

To implement such orders, an Amendment to the Master Agreement must be prepared and executed by the Contractor and by the Director or their designee.
- 8.1.2** The Director, or their designee may, at their sole discretion, authorize extensions of time as defined in Paragraph 4.0 (Term of Master Agreement). - 8.2.3** Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Master Agreement.
- 8.2.4** Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

Additionally, Contractor certifies to the County:

- 8.7.1** Jury Service Program: This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).
- 8.7.2** Written Employee Jury Service Policy
 - Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the [Jury Service Program \(Section 2.203.020 of the County Code\)](#) or that Contractor qualifies for an exception to the [Jury Service Program \(Section 2.203.070 of the County Code\)](#), Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the

Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

- For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Master Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Master Agreements or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.
- If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor must immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- Contractor's violation of this Paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of future County Master Agreements for a period of time consistent with the seriousness of the breach.

8.8 Conflict of Interest

- 8.8.1** No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any

competing Master Agreement, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

- 8.8.2** The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 8.8 will be a material breach of this Master Agreement.

8.9 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-employment List

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.10 Consideration of Hiring GAIN/START Participants

- 8.10.1** Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services (DPSS) Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and bservices@opportunity.lacounty.gov and DPSS will refer qualified GAIN/START job candidates.
- 8.10.2** In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

8.11 Contractor Responsibility and Debarment

8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other Master Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Master Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Master Agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

- If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity

to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

These terms will also apply to Subcontractors of County Contractors.

8.12 Contractor's Acknowledgement and Notice to its Employees of the Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor must notify and provide to its employees, and will require each Subcontractor to notify and provide to its employees, a [Fact Sheet](#) regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and information on where and how to safely surrender a baby. Additionally, the contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's "[Safely Surrendered Baby Law Poster](#)" (available in [English/Spanish/Chinese/Korean](#)) in a prominent position at the contractor's place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business.

The Contractor, and its subcontractor(s), can access posters and other program material at www.babysafela.org.

8.13 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.13.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Master Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.13.2 As required by the [County's Child Support Compliance Program \(County Code Chapter 2.200\)](#) and without limiting the Contractor's duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Master Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 County's Quality Assurance Plan

The County or its agent(s) will monitor the contractor's performance under this Master Agreement on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The

report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

The Director will be responsible for the enforcement of this Master Agreement on behalf of the County and shall be assisted therein by those officers and employees of the County having duties in connection with the administration thereof. The Director hereby reserves the right to: (a) assign such personnel as needed to serve as Project Manager and Project Monitor(s) in order to inspect and review Contractor's performance of, and compliance with, all contractual services, duties, obligations, responsibilities, administrative procedures and staffing as set forth in this Master Agreement, and (b) require Contractor to provide such written documentation and/or regular reports as the Director deems necessary to verify and review Contractor's performance under this Master Agreement.

8.14.1 Contract Discrepancy Report

Verbal notification of a Contract discrepancy will be made to the County's Project Monitor as soon as possible whenever a Contract discrepancy is identified. The problem must be resolved within a time period mutually agreed upon by the County and the Contractor.

The County's Project Monitor will determine whether a formal Contract Discrepancy Report (CDR) will be issued. Upon receipt of this document, the Contractor is required to respond in writing to the County's Project Monitor within five (5) business days, acknowledging the reported discrepancies or presenting contrary evidence. A plan for correction of all deficiencies identified in the CDR must be submitted to the County's Project Monitor within ten (10) business days.

8.15 Damage to County Facilities, Buildings or Grounds

8.15.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs must be made immediately after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.15.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by Contractor by cash payment upon demand.

8.16 Employment Eligibility Verification

8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain, from all employees performing work hereunder, all verification and other

documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

- 8.16.2** The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Master Agreement.

8.17 Counterparts and Electronic Signatures and Representations

This Master Agreement may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Master Agreement. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Master Agreement.

8.18 Fair Labor Standards

The Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.19 Force Majeure

- 8.19.1** Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault

or negligence of such party (such events are referred to in this Paragraph as "force majeure events").

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 Governing Law, Jurisdiction, and Venue

This Master Agreement will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

8.21 Independent Contractor Status

8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.21.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Master Agreement all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.21.3 The Contractor understands and agrees that all persons performing work pursuant to this Master Agreement are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to

any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Master Agreement.

- 8.21.4** The Contractor must adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

Liabilities subject to the duties to defend and indemnify include, without limitation, all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute resolution. The Consultant's obligation to indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an indemnified party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an indemnified party, then Consultant's indemnification obligation must be reduced in proportion to the established comparative liability.

- 8.22.2** For all other services that do not constitute design professional services under Civil Code section 2782.8, the Contractor must immediately indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers ("County Indemnities") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Master Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnities.

8.23 General Provisions for all Insurance Coverage

Without limiting Contractor's indemnification of County, and in the performance of this Master Agreement and until all of its obligations pursuant to this Master Agreement have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraph 8.24 of this Master Agreement. These minimum insurance coverage terms, types, and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Master Agreement. 8.23.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Master Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Master Agreement. Nothing herein is intended nor will be construed as creating any exclusive arrangement with Contractor. This Master Agreement will not restrict the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

8.29 Notice of Delays

Except as otherwise provided under this Master Agreement, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Master Agreement, that party must, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.30 Notice of Disputes

The Contractor must bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the Contractor regarding the performance of services as stated in this Master Agreement. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Director or designee will resolve it.

8.31 Notice to Employees Regarding the Federal Earned Income Credit

The Contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.32 Intentionally Omitted

8.33 Notices

All notices or demands required or permitted to be given or made under this Master Agreement must be in writing and will be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits A (County's Administration) and B (Contractor's Administration). Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The Director or their designee will have the authority to issue all notices or demands required or permitted by the County under this Master Agreement.

8.34 Prohibition Against Inducement or Persuasion

Notwithstanding the above, the Contractor and the County agree that, during the term of this Master Agreement and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to

become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.35 Public Records Act

8.35.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to Paragraph 8.37 (Record Retention and Inspection/Audit Settlement) of this Master Agreement; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Master Agreement, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records except for those documents determined to be non-disclosable or exempt pursuant to [California Government Code sections 7921.000 et seq.](#) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.36 Publicity

8.36.1 The Contractor must not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:

- The Contractor must develop all publicity material in a professional manner; and
- During the term of this Master Agreement, the Contractor must not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County will not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master

Agreement with the County of Los Angeles, provided that the requirements of this Paragraph 8.36 (Publicity) will apply.

8.37 Record Retention and Inspection-Audit Settlement

The Contractor must maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor must also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.37.1** In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor must file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County will make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.37.2** Failure on the part of the Contractor to comply with any of the provisions of this paragraph will constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.
- 8.37.3** If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference will be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments

made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 Subcontracting

8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor to an unlisted subconsultant **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.39.2 If the Contractor desires to subcontract to an unlisted subconsultant, the Contractor must provide the following information promptly at the County's request:

- A description of the work to be performed by the unlisted subconsultant;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.39.3 The Contractor must indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.39.4 The Contractor will remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.39.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.

8.39.6 The County's MAPD is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.

8.39.7 The Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.39.8 The Contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor must ensure delivery of all such documents to the County's Work Order Director as indicated on Exhibit A (County's Administration) before any subcontractor employee may perform any work hereunder.

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), will constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice will be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) and pursue debarment of Contractor, pursuant to [County Code Chapter 2.202](#).

8.41 Termination for Convenience

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effectuated by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor must immediately:

- Stop work under the Work Order or under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as would not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement or Work Order must be maintained by the Contractor in

accordance with Paragraph 8.3 (Record Retention and Inspection/Audit Settlement).

8.42 Termination for Default

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County's Project Director:

- Contractor has materially breached this Master Agreement;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any Work Order issued hereunder; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Master Agreement to the extent not terminated under the provisions of this paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.42.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance

schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.42, or that the default was excusable under the provisions of Paragraph 8.42.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience).

8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.43 Termination for Improper Consideration

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Master Agreement. In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to the Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.44 Termination for Insolvency

8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor will be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;

- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the County provided in this Paragraph 8.44 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.45 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in [County Code Section 2.160.010](#) retained by the Contractor, must fully comply with the County's Lobbyist Ordinance, [County Code Section 2.160.010](#). Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances will not be affected thereby.

8.48 Waiver

No waiver by the County of any breach of any provision of this Master Agreement will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement will not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.48 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established

commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County will have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Master Agreement will maintain compliance, with [Los Angeles County Code Chapter 2.206](#).

8.51 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.50 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) will constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within 10 days of notice will be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor, pursuant to [Los Angeles County Code Chapter 2.206](#).

8.52 Time off For Voting

The Contractor must notify its employees, and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law ([Elections Code Section 14000](#)). Not less than 10 days before every statewide election, every Contractor and subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of [Section 14000](#).

8.53 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor's staff

be removed immediately from performing services under the Master Agreement. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

8.54 Intentionally Omitted

8.55 Compliance with Fair Chance Employment Hiring Practices

Contractor, and its subcontractors, must comply with fair chance employment hiring practices set forth in California Government Code [Section 12952](#), the California Code of Regulations [Section 11017.1](#), and County Code [Chapter 8.300](#) (Fair Chance Ordinance for Employers). Contractor, and its subcontractor(s), can access fair chance employment resources, including a Fair Chance [Fact Sheet](#) and Workplace Posters ([English/Spanish](#)), and other program material at <https://dcba.lacounty.gov/fairchance/>. Additional compliance resources, including an [Employer Toolkit](#) (Fair Chance Hiring: An Employer's Guide to Hiring System-Impacted Individuals), can be accessed at <https://opportunity.lacounty.gov/fair-chance-hiring-campaign/>.

Contractor's violation of this paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, issue administrative penalties and/or seek additional remedies as provided within [Section 8.300.100](#) of the Fair Chance Ordinance for Employers, and/or terminate the Master Agreement.

8.56 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

8.57 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed

or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract.

8.58 Injury and Illness Prevention Program

Contractor will be required to comply with the State of California's Cal OSHA's regulations. [California Code of Regulations Title 8 Section 3203](#) requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

8.59 Campaign Contribution Prohibition Following Final Decision in Master Agreement Proceeding

Pursuant to [Government Code Section 84308](#), Contractor and its Subcontractors, are prohibited from making a contribution of more than \$500 to a County officer for twelve (12) months after the date of the final decision in the proceeding involving this Master Agreement. Failure to comply with the provisions of [Government Code Section 84308](#) and of this paragraph, may be a material breach of this Master Agreement as determined in the sole discretion of the County.

8.60 Quality Control

The Contractor must establish and utilize a comprehensive Quality Control Plan QCP to ensure the County receives a consistently high level of service throughout the term of the Master Agreement. The QCP must be submitted to the County's Project Monitor for review. The QCP must include, but may not be limited to, the following:

- 8.60.1** Method of monitoring to ensure that Master Agreement requirements are being met.
- 8.60.2** A record of all inspections conducted by the Contractor, any corrective action taken, the time a problem was first identified, a clear description of the problem, and the time elapsed between identification and completed corrective action, must be provided to the County upon request.

8.61 Green Initiatives

- 8.61.1** Contractor must use reasonable efforts to initiate "green" practices for environmental and energy conservation benefits.
- 8.61.2** Contractor must notify County's Project Manager of Contractor's new green initiatives prior to Master Agreement commencement.

8.62 Performance Requirements Summary

- 8.62.1** A Performance Requirements Summary (PRS) Chart, Exhibit N, listing required services and deliverables that will be monitored by the County during the term of this Master Agreement is an important monitoring tool for the County.

- 8.62.2** All listings of services and deliverables referenced in the PRS Chart are intended to be completely consistent with the Master Agreement and the SOW, and are not meant in any case to create, extend, revise, or expand any obligation of Contractor beyond that defined in the Master Agreement and the SOW. In any case of apparent inconsistency between services or deliverables as stated in the Master Agreement and the SOW and this PRS, the meaning apparent in the Master Agreement and the SOW will prevail. If any service or deliverable seems to be created in this PRS which is not clearly and forthrightly set forth in the Master Agreement and the SOW, that apparent service will be null and void and place no requirement on Contractor.
- 8.62.3** When the Contractor's performance does not conform to the terms of this Master Agreement, the County will have the option to apply the following remedies:
- Require the Contractor to implement a formal corrective action plan, subject to approval by the County. In the plan, the Contractor must include reasons for the substandard performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.
 - Reduce payment to the Contractor by a computed amount based on the assessment fee(s) in the PRS.
 - Reduce, suspend, or cancel this Master Agreement for systematic, deliberate misrepresentations or substandard levels of performance.
 - Failure of the Contractor to comply with the County's request(s) to improve performance or to perform work specified within ten (10) business days shall constitute a breach of Contract and authorize the County to have the service(s) performed by another. The entire cost of the replacement work due to the Contractor's breach, as solely determined by the County, shall be credited to the County on the Contractor's future invoice.

9.2 Intentionally Omitted

9.3 Ownership of Materials, Software and Copyright

9.3.1 County will be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through Contractor's work pursuant to this Master Agreement. Contractor, for

valuable consideration herein provided, must execute all documents necessary to assign and transfer to, and vest in the County all Contractor's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to Contractor's work under this Master Agreement.

9.3.2 During the term of this Master Agreement and for five (5) years thereafter, Contractor must maintain and provide security for all Contractor's working papers prepared under this Master Agreement. County will have the right to inspect, copy and use at any time during and subsequent to the term of this Master Agreement, any and all such working papers and all information contained therein.

9.3.3 Any and all materials, software and tools which are developed or were originally acquired by Contractor outside the scope of this Master Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to County's Project Manager as proprietary or confidential, and must be plainly and prominently marked by Contractor as "Propriety" or "Confidential" on each appropriate page of any document containing such material.

9.3.4 County will use reasonable means to ensure that Contractor's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.

9.3.5 Notwithstanding any other provision of this Master Agreement, County will not be obligated to Contractor in any way under Paragraph 9.3.4 for any of Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Paragraph 9.3.3 or for any disclosure which County is required to make under any state or federal law or order of court.

9.4 Patent, Copyright and Trade Secret Indemnification

9.4.1 Contractor must indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of Contractor's work under this Master Agreement. County will inform Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure and will support Contractor's defense and settlement thereof.

9.4.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement

or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, will either:

- Procure for County all rights to continued use of the questioned equipment, part, or software product; or
- Replace the questioned equipment, part, or software product with a non-questioned item; or
- Modify the questioned equipment, part, or software so that it is free of claims.

9.4.3 Contractor will have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by Contractor, in a manner for which the questioned product was not designed nor intended.

9.5 Intentionally Omitted

9.6 Local Small Business Enterprise (LSBE) Preference Program

9.6.1 This Master Agreement is subject to the provisions of the County's ordinance entitled LSBE Preference Program, as codified in [Chapter 2.204 of the Los Angeles County Code](#).

9.6.2 The Contractor must not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a LSBE.

9.6.3 The Contractor must not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a LSBE.

9.6.4 If the Contractor has obtained certification as a LSBE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Master Agreement to which it would not otherwise have been entitled, will:

- Pay to the County any difference between the Master Agreement amount and what the County's costs would have been if the Master Agreement had been properly awarded;

- In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten (10) percent of the amount of the Master Agreement; and
- Be subject to the provisions of [Chapter 2.202 of the Los Angeles County Code](#) (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties will also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Economic Opportunity of this information prior to responding to a solicitation or accepting a Master Agreement award.

9.7 Social Enterprise (SE) Preference Program

- 9.7.1** This Master Agreement is subject to the provisions of the County's ordinance entitled SE Preference Program, as codified in [Chapter 2.205 of the Los Angeles County Code](#).

DIGITAL ACCESSIBILITY REQUIREMENTS

These requirements are compliance standards for all websites, applications, documents, and video content published by or on behalf of the County of Los Angeles (“County”) to ensure meeting accessibility requirements for individuals with disabilities, including those who rely on assistive technologies. These requirements are based on Title II of the Americans with Disabilities Act (ADA), which requires state and local governments to provide equal access to programs, services, and activities; and the [Web Content Accessibility Guidelines](#) (WCAG) 2.1 Levels A and AA, which define international requirements for accessible web content.

These requirements apply to County contractors responsible for developing, maintaining, or publishing digital content. This includes digital content included on external and internal websites, web applications, mobile applications, documents, multimedia, social media, maps and dashboards, and third-party applications.

Definitions

- **Web Content Accessibility Guidelines [WCAG 2.1](#):** Version 2.1, developed by the W3C. Web Content Accessibility Guidelines (WCAG) 2.1 covers a wide range of recommendations for making web content more accessible. Following these guidelines will make content more accessible to a wider range of people with disabilities, including accommodations for blindness and low vision, deafness and hearing loss, limited movement, speech disabilities, photosensitivity, and combinations of these, and some accommodation for learning disabilities and cognitive limitations; but will not address every user need for people with these disabilities. These guidelines address accessibility of web content on any kind of device (including desktops, laptops, kiosks, and mobile devices). The guidelines are intended to make web content more usable to users in general.
- **Level A/AA:** Conformance levels representing basic and intermediate accessibility requirements.
- **Assistive Technology:** Devices or software (e.g., screen readers, magnifiers) that help individuals with disabilities interact with digital content.
- **Automated Testing:** The use of software tools to scan digital content for accessibility issues that can be detected programmatically. Automated testing identifies issues such as missing alt text, low color contrast, improper heading structures, and keyboard traps.
- **Manual Testing:** The process of using human testers to evaluate accessibility success criteria that automated tools cannot reliably detect. This includes testing keyboard navigation, focus order, screen reader behavior, error messaging, and content structure.
- **Success Criteria:** Written as testable statements that are not technology-specific. Guidance about satisfying the success criteria in specific technologies, as well as general information about interpreting the success criteria, is provided in separate documents. Reference the Web Content Accessibility Guidelines ([WCAG](#)) Overview for an introduction and links to WCAG technical and educational material.

Digital Accessibility Requirements

A. Websites and Web Applications

Websites and web applications must comply with the following requirements. Refer to the success criteria reference for further guidance.

- **Automated Testing:** Websites and web applications must meet at least 90% of the 24 [WCAG](#) 2.1 Level A and AA success criteria designated for automated testing. See the Success Criteria Reference for the full list.
- **Manual Testing:** Websites and web applications must meet the 10 [WCAG](#) 2.1 Level A and AA success criteria designated for manual testing. See the Success Criteria Reference for details.
- **Accessibility Statement:** Pages must include a link to the County's accessibility statement and a contact form allowing users to submit accessibility requests.

B. Mobile Applications

Mobile apps must meet the following requirements. Refer to the success criteria reference for further guidance.

- **1.1.1 Non-text Content:** Provide text alternatives for non-text content that serves the same purpose.
- **1.3.1 Info and Relationships:** Content, structure and relationships can be programmatically determined.

CONSULTANT FEE SCHEDULE

The attached fee schedule is valid for the initial term of the Master Agreement, reflected in Paragraph 4.0, Term of Master Agreement.

Per Paragraph 5.5, Cost of Living Adjustment, upon completion of a Master Agreement's Initial Term, Contractor may request a Cost-of-Living Adjustment (COLA) that may increase the listed allowable contract hourly fees. The Department may, at its sole discretion, approve the COLA based on the most recently published percentage change in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index (CPI) for the Los Angeles-Long Beach-Anaheim Area for the 36-month period preceding the completion of the Master Agreement's Initial Term. However, any COLA increase must not exceed the general salary movement granted to County employees as determined by the Chief Executive Officer as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, no COLA will be granted. Approval must be given by the Director or their designee.
