Dear Supervisors:

**AMEND WORK ORDER WITH FOUNDATION FOR COGNITIVE THERAPY AND RESEARCH TO
INCREASE ITS ANNUAL FUNDING AMOUNT FOR FISCAL YEAR 2026-27
(SUPERVISORIAL DISTRICTS ALL)
(3 VOTES)**

SUBJECT

Request approval to amend the existing Department of Mental Health Work Order Agreement MH260256-WO1 with Foundation for Cognitive Therapy and Research dba Beck Institute for Cognitive Behavior Therapy under the Mental Health Services Act Master Agreement contracts to increase its Annual Funding Amount for Fiscal Year 2026-27 for the continuous provision and expansion of Cognitive Behavioral Therapy specialty training.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or designee, to prepare, sign, and execute an amendment, similar to Attachment I, to the existing Department of Mental Health (DMH) Mental Health Services Act (MHSA) Master Agreement (MA) Work Order Agreement (WO) MH260256-WO1 with Foundation for Cognitive Therapy and Research DBA Beck Institute for Cognitive Behavior Therapy (Beck Institute) to increase the Annual Funding Amount for Fiscal Year (FY) 2026-27. The amendment will be effective upon Board approval; the total increase in the amount of \$313,280 for a total of \$560,340 fully funded by Behavioral Health Services and Support (BHSS) Workforce Education Training (WET) funds.
2. Delegate authority to the Director, or designee, to prepare, sign, and execute future amendments to the WO agreement in Recommendation 1 to revise the WO Agreement language; revise the Annual Funding Amount; add, delete, modify, or replace the Statement of Work (SOW);

and/or reflect federal, State, and County regulatory policy changes, provided that: 1) any increase to the Board approved annual funding in Recommendation 1 will not exceed 10 percent and 2) that sufficient funds are available. The amendments will be subject to review and approval as to form by County Counsel with written notification to the Board and Chief Executive Office (CEO).

3. Delegate authority to the Director, or designee, to terminate the WO agreement described in Recommendation 1 in accordance with the MHSA MA termination provisions, including Termination for Convenience. The Director, or designee, will provide written notification to your Board and CEO of such termination action.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Cognitive Behavioral Therapy (CBT) is an Evidence-Based Practice (EBP) that integrates the rationale and techniques from both cognitive therapy and behavioral therapy to address the role of automatic negative or harmful thoughts on emotions and behavior. CBT helps individuals address these difficulties by changing their thinking patterns, behaviors, and emotional responses while aiming to improve their quality of life through time-limited, effective treatment. This is an effective EBP for DMH clients, with training being expanded to include additional review of case conceptualizations, review of audio recordings, and CBT training materials for CBT clinician and student trainees. The increase in funding is required due to CBT specialized training.

Board approval of Recommendation 1 will allow DMH to amend the existing WO agreement to increase the Annual Funding Amount for the continuous delivery and expansion of services.

Board approval of Recommendations 2 will allow DMH to execute future amendments to the WO agreement to revise the WO language; revise the Annual Funding Amount; add, delete, modify, or replace the SOW; and/or reflect Federal, State, or County regulatory and/or policy changes.

Board approval of Recommendations 3 will allow DMH to terminate the WO in accordance with the MHSA MA termination provisions, including Termination for Convenience, in a timely manner, as necessary.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan North Star 1, Make Investments that Transform Lives, specifically Focus Area Goal A. Healthy Individuals and Families.

FISCAL IMPACT/FINANCING

The total increase for the WO agreement is estimated to be \$313,280 for a total of \$560,340 for FY 2026-27, fully funded by BHSS WET. Funding is included in DMH's budget.

Funding for future fiscal years will be requested through DMH's annual budget process.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On August 6, 2019, your Board authorized the Director to execute MHSA Master Agreements as the result of the Request for Statement of Qualifications (RFSQ) solicitation. Additionally, your Board authorized the Director to execute and issue a competitively solicited Request for Services/Work Order Solicitations for services qualified under the MHSA Master Agreements and award agreements and/or amendments to qualified vendors through June 30, 2027. In March 2024, voters passed Proposition 1, which reformed California's behavioral health system by ending MHSA and requiring a transition to Behavioral Health Services Act beginning July 1, 2026.

As such, in April 2026, DMH notified your Board of its intent to continue funding specific Work Order Agreements, including the Beck Institute, from July 1, 2026, through June 30, 2027, using BHSA as the funding source, while working on a new RFSQ for BHSA funded services and programs.

The amendment format (Attachment I) has been approved as to form by County Counsel.

As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure compliance with all agreement terms and performance standards.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will allow Beck Institute to continue to provide CBT Specialty Training and provide this service to County clients.

Respectfully submitted,
