The Honorable Board of Supervisors

383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF A CONTRACT WITH WILLIAM HOOD CONSULTING
FOR VOCATIONAL PRINT SHOP SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) is seeking Board approval and execution of a contract (Contract) with William Hood Consulting (Hood Consulting) for vocational print shop services (Services) for the Department's North County Correctional Facility (NCCF) print shop.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chair of the Board to sign the attached Contract with Hood Consulting for a term of four years commencing upon execution by the Board, with two additional one-year option periods.
2. Delegate authority to the Sheriff, or his authorized designee, to execute Amendments and Change Notices to the Contract, as set forth throughout the Contract to: (1) effectuate modifications, which do not materially affect any term of the Contract, (2) exercise the option periods, if in the best interest of the County, (3) add new or revised standard County contract provisions adopted by the Board, as required periodically, (4) effectuate the assignment and delegation/mergers or acquisitions provision, and (5) terminate the Contract, either in whole or in part, by the provision of a 30-day written notice.

211 WEST TEMPLE STREET, LOS ANGELES, CALIFORNIA 90012

A Tradition of Service
— Since 1850 —

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the Department to establish a new Contract for Services to meet the needs of the NCCF print shop.

With the exception of business cards and citations, the NCCF print shop fulfills all Department printing needs, including forms, notices, informational pamphlets, and other materials that are integral to the function of law enforcement and correctional activities.

The NCCF print shop offers incarcerated persons with a comprehensive training program in commercial printing, allowing incarcerated persons to learn the intricacies of offset printing and gain practical experience using industry-standard presses. The skills learned through the training program are highly valued in the commercial world, as they offer experience with advanced machinery and techniques that are used in a variety of industries, from marketing to publishing. The program's focus on real-world applications ensures that incarcerated persons are prepared with a skill set necessary to enter the workforce immediately upon their release. Additionally, the individual jobs incarcerated persons complete during the training program are jobs that would otherwise be performed by County employees, resulting in a cost savings for the Department.

Since June 2021, the Department has engaged the Internal Services Department to acquire the Services through purchase orders. The Department will continue to procure Services through a monthly purchase order until the Contract is approved.

Implementation of Strategic Plan Goals

The Services provided under the proposed Contract support the County's Strategic Plan, North Star 2, Focus Area B: Care First, Jails Last, Strategy II: Systems of Care and Support: to provide improved resources to better meet the needs of justice-involved individuals.

FISCAL IMPACT/FINANCING

The cost for Services is based on an all-inclusive hourly rate. The estimated annual cost for these Services is approximately \$116,000. Actual expenditure will be incurred solely on an as-needed basis. Over the term of the Contract, allocations will be established in the Department's operating budget to meet the anticipated needs each fiscal year. The Department has identified sufficient funding within its operating budget to fund the proposed Contract.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Contract was determined to be a Non-Proposition A contract due to the Services being used only on an as-needed basis.

Hood Consulting is in compliance with all Board and County Chief Executive Office requirements, including: Jury Service, Safely Surrendered Baby Law, Defaulted Property Tax Reduction Program, Zero Tolerance Policy on Human Trafficking, Fair Chance Employment Hiring Practices, Policy of Equity, and Campaign Contribution Prohibition Following Final Decision in Contract Proceeding.

The attached Contract has been reviewed and approved as to form by County Counsel.

CONTRACTING PROCESS

On April 7, 2026, the Department released an Invitation for Bids (IFB) 762-SH to solicit bids from vendors to provide Services. The solicitation was posted on the County and Department websites with a closing date of May 7, 2026. Hood Consulting was the only bidder who provided a response to the IFB. Hood Consulting met the minimum mandatory requirements and was determined to be responsive and responsible.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the proposed Contract will ensure the Department receives uninterrupted Services for NCCF's print shop.

CONCLUSION

Upon Board approval, please return a copy of the adopted Board letter and two original executed copies of the Contract to the Department's Contracts Unit.

Sincerely,

ROBERT G. LUNA
SHERIFF

Assumption or takeover of any of Contractor's duties, responsibilities, or obligations, or performance of same by any person or entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, must not occur except with the County's express prior written approval.

5.5 Invoices and Payments

5.5.1 Invoice Content

Each invoice submitted by Contractor must contain the following information:

- b. Contract number.
- c. Invoice number.
- d. Service date(s).
- e. Itemized Service charge(s).
- f. Total amount due for the Work.

County Project Manager has the discretion to request any additional invoice documentation and/or information.

5.5.2 Submission of Invoices

Contractor must submit an original invoice to County Project Manager listed in Exhibit C (County's Administration) to this Contract, within 15 Days following the month in which Services were performed. The Department will not be responsible for invoices submitted more than 60 Days after the date of Service rendered. The County will be under no obligation to remit payment for late, lost, or mishandled invoices. Contractor is responsible for the accuracy of invoices submitted to the Department.

5.5.3 Approval of Invoices

All invoices submitted by Contractor for payment must have the written approval of County Project Manager prior to any payment thereof. In no event will the County be liable or responsible for any payment prior to such written approval. Approval for payment will not be unreasonably withheld.

5.5.4 No Out-of-Pocket Expense

Contractor acknowledges that out-of-pocket expenses, including travel, meal, and lodging expenses, are not reimbursable by the County. Accordingly, Contractor's invoices must not include out-of-pocket expenses.

5.5.5 Invoice Discrepancy Report

County Project Manager will review all invoices for any discrepancies and issue an Invoice Discrepancy Report (IDR) [refer to Exhibit G (Invoice Discrepancy Report) to this Contract], to Contractor within five Business Days of receipt of invoice if payment amounts are disputed. Contractor must review the disputed charges and submit to County Project Manager

a written explanation detailing the basis for the charges within five Business Days of receipt of the IDR from County Project Manager. If County Project Manager does not receive a written response from Contractor within five Business Days of the County's notice to Contractor of an IDR, then payment will be made by the County, less the disputed charge. None of the foregoing will preclude the County from seeking remedy from Contractor for invoice discrepancies discovered at any time during the Term of this Contract.

5.5.6 Preference Program Enterprises - Prompt Payment Program

Certified Prompt Payment Enterprises (PPEs) will receive prompt payment for Services they provide to County Departments. Prompt payment is defined as 15 Days after receipt of an approved, undisputed invoice which has been properly matched against documents such as a receiving, shipping, or Services delivered report, or any other validation of receipt document consistent with Board Policy 3.035 ([Preference Program Payment Liaison and Prompt Payment Program](#)).

Contractor must not invoice the County for disallowed costs under this Contract. Correspondingly, Contractor must not have unresolved disallowed costs in excess of \$100,000 that have been confirmed as disallowed costs by the contracting County department and remain unpaid for a period of six months or more from the date of an Auditor-Controller (A-C) Report. Unless such disallowed costs are the subject of current good faith negotiations, as determined at the sole discretion of the County, non-compliance by Contractor regarding this provision will constitute a material breach of this Contract and may result in termination for default, in addition to any other remedies available to the County. Further, if Contractor has been determined to have unresolved disallowed costs in excess of \$100,000 for longer than six months since the date of the A-C Report, they will be disqualified from future County solicitations unless such disallowed costs are the subject of good faith negotiations to resolve the disallowed costs, at the sole opinion of the County, or have been resolved.

5.7 Default Method of Payment: Direct Deposit or Electronic Funds Transfer

5.7.1 The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or Services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the A-C.

5.7.2 Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is

reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

- 5.7.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.
- 5.7.4 At any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), will decide whether to approve exemption requests.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.6 (Compliance with Applicable Laws) must be conducted by Contractor and performed by counsel selected by Contractor and approved by the County. Notwithstanding the preceding sentence, the County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide the County with a full and adequate defense, as determined by the County at its sole judgment, the County will be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by the County in doing so. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee's regular pay the fees received for jury service.
- b. For purposes of this Paragraph 8.8 (Compliance with County's Jury Service Program), "Contractor" means a person, partnership,

corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or Subcontracts. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: a) the lesser number is a recognized industry standard as determined by the County, or b) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 Days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform Services for the County under this Contract, subcontractor will also be subject to the provisions of this Paragraph 8.8 (Compliance with County's Jury Service Program). The provisions of this Paragraph 8.8 (Compliance with County's Jury Service Program) will be inserted into any such Subcontract agreement, and a copy of the Jury Service Program must be attached to the agreement.

If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor must immediately notify the County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- d. Contractor's violation of this Paragraph 8.8 (Compliance with County's Jury Service Program) may constitute a material breach of this Contract. In the event of such material breach, the County may, at its sole discretion, terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, must

Contractor and/or Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding

At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$100 per Day per infraction, and that Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to Contractor.
- c. Upon giving five Days notice to Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to Contractor from the County, as determined by the County.

- 8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the

County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Civil Rights Department or the Federal Equal Employment Opportunity Commission that Contractor has violated federal or state anti-discrimination laws or regulations will constitute a finding by the County that Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of \$500 for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

All such material must be maintained by Contractor at a location in the County, provided that if any such material is located outside the County, then, at the County's sole option, Contractor must pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.2 In the event that an audit of Contractor is conducted specifically regarding this Contract by any federal or state auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor must file a copy of such audit report with the A-C within 30 Days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.3 Failure on the part of Contractor to comply with any of the provisions of this Paragraph 8.37 (Record Retention and Inspection-Audit Settlement) will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

- 8.37.4 If, at any time during the Term of this Contract or within five years after the expiration or termination of this Contract, representatives of the County conduct an audit of Contractor regarding the Work performed under this Contract, and if such audit finds that the County's dollar liability for any such Work is less than payments made by the County to Contractor, then the difference must be either: a) repaid by Contractor to the County upon demand or b) at the sole option of the A-C, deducted from any amounts due to Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such Work is more than the payments made by the County to Contractor, then the difference will be paid to Contractor by the County, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.38 Recycled Bond Paper

- a. A description of the Work to be performed by subcontractor.
 - b. A draft copy of the proposed subcontract.
 - c. Other pertinent information and/or certifications requested by the County.
- 8.39.3 Contractor must indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 8.39.4 Contractor will remain fully responsible for all performances required of it under this Contract, including those that Contractor has determined to subcontract, notwithstanding the County's approval of Contractor's proposed subcontract.
- 8.39.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including

subcontractor employees, providing Services under this Contract. Contractor is responsible to notify its subcontractors of this County right.

- 8.39.6 County Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor must forward a fully executed subcontract to the County for their files.
- 8.39.7 Contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through Services performed hereunder, notwithstanding the County's consent to subcontract.

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) of this Contract, will constitute default under this Contract. - 8.41.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, at its sole discretion, to be in its best interest. Termination of Work hereunder will be effectuated by notice of termination to Contractor specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten Days after the notice is sent.
- 8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, Contractor must stop Work under this Contract on the date and to the extent specified in such notice.

Contractor must continue the performance of this Contract to the extent not terminated under the provisions of this Paragraph 8.42 (Termination for Default).
- 8.42.3 Except with respect to defaults of any subcontractor, Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.42.2 above, if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of federal or state governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor will not be liable for any such excess costs for failure to perform, unless the goods or Services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

- 8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42 (Termination for Default), it is determined by the County that Contractor was not in default under the provisions of this Paragraph 8.42 (Termination for Default), or that the default was excusable under the provisions of Paragraph 8.42.3 above, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience) above.

The County will notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

3-01/090.00 SECURITY OF PERSONAL PROPERTY

Personal security dictates that personnel must refrain from bringing items which contain personal identification information (e.g., wallets, purses, checkbooks) into security areas to prevent loss or compromise of information. Should personnel elect to bring in any such item, they must be maintained on their person or stored in a locked compartment.

This policy does not limit persons from bringing into secure areas, items or containers that contain necessary tools, training material or equipment to facilitate the performance of their duties (e.g., tool chests, medical bags, digital test equipment), nor does it limit personnel, who are attending training, from entering the Facility wearing civilian attire en route to the Officer's Dining Room (ODR).

This policy will apply to all persons entering security areas of all Facilities. Additionally, all personal property must be secured at all times, and must not be stored in any area accessible to Inmates.

LETTER OF INTENT

June 12, 2026

**Robert G. Luna Sheriff
Los Angeles County Sheriff's Department
Contracts Unit, 6th Floor
211 West Temple Street
Los Angeles, California 90012**

RE: Vocational Print Shop Services – Invitation for Bids Number 762-SH

Dear Sheriff Luna,

In response to the solicitation referenced above, William Hood Consulting (Contractor) has negotiated the attached Contract for Vocational Print Shop Services (together with all exhibits and attachments thereto, Contract) with the County of Los Angeles (County) on behalf of its Sheriff's Department (Department).

Contractor acknowledges and agrees that the County's Board of Supervisors (Board) is the ultimate decision making body for the County and, accordingly, makes the final determination on behalf of the County whether to award or not award a contract and as to the terms of such contract. Contractor additionally acknowledges and agrees that prior to submitting the Contract to the Board for award consideration, unless otherwise determined to be in the best interests of the County, the Department must complete the review process provided for under Board Policy No. 5.055 (Protest Policy).

Contractor understands and agrees that as of the date of this letter, absent extraordinary circumstances, Contractor's bid is matter of public record, with the exception of those specific portions of the Contractor's proposal which have been justifiably defined as business or trade secrets, and, if defined by Contractor, plainly marked as "Trade Secret," "Confidential," or "Proprietary." Contractor further understands and agrees that a blanket statement of confidentiality or the marking of each page of Contractor's bid as confidential is not sufficient notice of exception and that Contractor's must specifically label only those provisions of Contractor's proposal which are "Trade Secrets," "Confidential," or "Proprietary" in nature.

The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. In the event County is required to defend an action on a Public Records Act request for any such record or any parts thereof, including, but not limited to, those marked "Trade Secret", "Confidential", or "Proprietary", Contractor agrees to defend and indemnify County, its special districts, elected and appointed officers, employees and other agents from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the California Public Records Act.

Contractor represents and warrants to the Department and the County as a whole that the Contract is a firm offer of the Contractor, which shall not be changed or revoked by Contractor pending the Department's completion of the review process under the Protest Policy and submission of the Contract to the Board for award consideration and pending the Board's determination whether to award the Contract.

The undersigned is an authorized officer of Contractor who has actual authority to bind Contractor to each and every term, condition and obligation contained in this letter and/or in the Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

Sincerely,

William Thomas Hood
