34.		**Favor**	Colin M campbell	Public Statement: Item 34 (Report on Financial Status of LA Health Services) Good morning, Members of the Board. I am speaking in full support of Item 34 regarding the financial status of LA Health Services. To optimize system resources and administrative operations, I recommend forming an alpha team with the LA Board of Supervisors to align with Governor Newsom's kill-command governance order, Senate Bill 896, and the Stargate federal initiative to deliver equitable, real-time healthcare life support for all citizens.
