LAS VIRGENES UNIFIED SCHOOL DISTRICT

RESOLUTION NO. 01-26

RESOLUTION OF THE BOARD OF EDUCATION OF THE LAS VIRGENES UNIFIED SCHOOL DISTRICT CALLING FOR VOTER APPROVAL OF A RENEWAL OF A QUALIFIED PARCEL TAX AND ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER

RESOLVED by the Board of Education (“**Board**”) of the Las Virgenes Unified School District (the “**District**”), a District of the Counties of Los Angeles and Ventura, State of California that:

WHEREAS, the District provides a high-quality education at 14 schools serving approximately 10,000 local students in Agoura Hills, Calabasas, Hidden Hills, Westlake Village, and Bell Canyon; and

WHEREAS, District schools are consistently recognized among the top public schools in California and the nation for strong academics, college readiness, outstanding teachers, and award-winning arts, music, and athletics programs; and

WHEREAS, District schools have earned prestigious honors including California Distinguished School and National Blue Ribbon School recognition, reflecting a long track record of educational excellence; and

WHEREAS, since 2004, the District has benefited from local school parcel tax funding approved by voters to supplement unstable and inadequate State funding that only supports a basic education; and

WHEREAS, this locally controlled funding allows the District to attract and retain qualified and experienced teachers, maintain manageable class sizes, and support advanced academic programs in subjects such as math, science, technology, and engineering; and

WHEREAS, in 2015, District voters approved a twelve-year renewal of the existing parcel tax of \$98 per parcel, which is scheduled to expire on June 30, 2028, unless renewed by the voters; and

WHEREAS, unless renewed by voters, this local school funding will expire soon and over \$2 million will need to be cut from the District budget, forcing teacher layoffs, cuts to academic programs, and increased class sizes; and

WHEREAS, to help prevent cuts to teaching and academic programs, the District’s Board of Education is considering placing a measure on the November 3, 2026 ballot to renew local parcel tax funding at the current \$98 per year rate; and

WHEREAS, if approved, the parcel tax renewal measure is estimated to continue providing approximately \$2,000,000 annually in locally controlled school funding without increasing the tax rate; and

WHEREAS, the parcel tax renewal measure would help maintain manageable class sizes; and

WHEREAS, the parcel tax renewal measure would help attract and retain highly qualified teachers; and

WHEREAS, the parcel tax renewal measure would preserve advanced, high-quality academic programs students need for success in college and careers; and

WHEREAS, all money raised by the parcel tax renewal measure would stay local to benefit Las Virgenes schools and could not be taken by the state or federal governments; and

WHEREAS, the parcel tax renewal measure would continue strict fiscal accountability, oversight, and transparency protections to ensure funds are spent as promised; and

WHEREAS, an independent oversight committee, annual audits, and public spending disclosures would continue to ensure funds are spent as promised; and

WHEREAS, funds from the renewal measure could not be used for administrator salaries; and

WHEREAS, homeowners age 65 and older would continue to be eligible for an exemption and would not need to reapply; and

WHEREAS, Section 4 of Article XIII A and Section 2 of Article XIII C of the California Constitution, and Sections 50075, 50079, and 53722 et seq. of the California Government Code, authorize a school district, upon approval of two-thirds of the voters voting on the measure, to levy a qualified special tax for specified purposes; and

WHEREAS, the Board is authorized to order elections within the District and designate the specifications thereof pursuant to Sections 5304 and 5322 of the California Education Code, and authority for ordering the election is contained in Section 4 of Article XIII A of the California Constitution; and

WHEREAS, pursuant to Education Code section 5342 and applicable Elections Code provisions, the election may be consolidated with other elections held on the same date in the same territory or in territory that is in part the same; and

WHEREAS, because the District is located in more than one county, Elections Code section 9611 applies to the coordination of school measure arguments and related election procedures.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED by the Board of Education of the Las Virgenes Unified School District as follows:

Section 1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference.

Section 2. Election Ordered; Purpose. The Board has determined in its best judgment that an election is advisable and hereby orders the appropriate county elections officials to call an election and submit to the voters of the District the question of whether to renew the District's existing qualified special tax for the educational purposes described in this Resolution and the full text of the measure attached as Exhibit A. The measure also authorizes an increase in the District's appropriations limit in an amount equal to the proceeds of the qualified special tax for the twelve-year term, as permitted by Article XIII B of the California Constitution and applicable law.

Section 3. Specific Purposes. This Board hereby proposes to renew and extend the levy of the high quality education and local control Parcel Tax to provide stable local funding the State cannot take away to:

- Continue offering high quality core academic programs in math, science and technology;
- Continue funding for core programs in reading and the arts and funding for athletics;
- Maintain smaller class sizes;
- Keep textbooks, technology and instructional materials up-to-date; and
- Attract and retain highly qualified teachers, counselors, career advisors and technology specialists.

UNDER NO CIRCUMSTANCES SHALL ANY OF THE PROCEEDS OF THE HIGH QUALITY EDUCATION AND LOCAL CONTROL PARCEL TAX BE USED FOR ADMINISTRATOR SALARIES, BENEFITS, OR PENSIONS.

Pursuant to Government Code Section 50075.1 the Board determines that the proceeds of the high quality education and local control Parcel Tax shall only be applied for the purposes stated above.

Section 4. Definition of Parcel; Exempt Property. Subject to voter approval, the existing \$98 per parcel per year high quality education and local control Parcel Tax which will expire on June 30, 2028, shall be continued for twelve (12) years from that date.

This parcel tax renews and extends the qualified parcel tax last approved and renewed by the voters on November 3, 2015.

As used herein, the term “Parcel” means any parcel of land which lies wholly or partially within the boundaries of the District, for which the applicable Los Angeles or Ventura County Assessor/Tax Collector (together, “Tax Collector”), issues a separate tax bill for ad valorem property taxes; provided, however, that any such parcels which are (i) contiguous, and (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership, may, by submitting an application of the owners thereof by June 15 of any year to the District be treated as a single parcel for purposes of the levy of this high quality education parcel tax.

Section 5. Election Date. The election shall be held on November 3, 2026.

Section 6. Levy of the Parcel Tax. Subject to voter approval as set forth below, the parcel tax shall be levied commencing with the 2028-2029 (starting on July 1, 2028) fiscal year of the District, and shall be collected with, and in the same manner and subject to the same interest and penalties as, general ad valorem taxes collected by the Los Angeles County Treasurer and Tax Collector and the Ventura County Tax Collector, as applicable. In accordance with the requirements of Government Code Section 50075.1(c), the District shall create a separate account into which the proceeds of the special tax shall be deposited.

Section 7. Exemptions. The levy and collection of the parcel tax is not intended to decrease or offset any increase in local, state or federal government funding sources that would otherwise be available to the District at any time during which the parcel tax may be levied. In the event that the levy and collection of the parcel tax does have such an effect, the District shall reduce the parcel tax levy to the extent of any such

decrease or offset. Additionally, any persons who are the owner of a Parcel used solely for owner-occupied, single-family residential purposes, and either (a) 65 years of age or older on or before June 30 of the fiscal year immediately preceding the fiscal year in which the tax should apply, or (b) receiving Supplemental Security Income for a disability regardless of age, or (c) receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, may obtain an exemption from the levy of the high quality education and local control Parcel Tax, by submitting to the District an application of such owners or persons, prior to June 15 of any year.

Persons who currently receive an exemption from the District's Measure E parcel tax, shall automatically qualify for an exemption from this renewal without needing to file a new application for that exemption.

The District may establish administrative procedures to periodically verify the continued qualification of any previously granted exemption.

Section 8. Appropriation Limits. The Board shall provide in each year (pursuant to Section 7902.1 of the Government Code) for any increase in the District's appropriation limit as shall be necessary to ensure that proceeds of the parcel tax may be spent for the authorized purposes set forth in Section 3 above and Section 9 below.

Section 9. Order to Registrar. The Board hereby requests that the Los Angeles County Registrar of Voters and the Ventura County Registrar of Voters submit the measure attached hereto as Exhibit A to the voters of the District and to print the entire Full Ballot Text in the ballot pamphlet to be published and mailed for the election scheduled for Tuesday, November 3, 2026.

The abbreviated text of the ballot proposition with respect to the foregoing measure shall read as shown in Exhibit B hereto.

The District's Superintendent, or designee, is hereby authorized and directed to make any changes to the text of the measure, or to the abbreviated form of the measure, as may be convenient or necessary to comply with the intent of this Resolution, the requirements of elections officials, and requirements of law.

The measure set forth in Exhibits A and B shall be submitted to the voters of the District at an election to be held on November 3, 2026. If approved by at least two-thirds of the voters voting on the measure, the measure shall take effect on July 1, 2028.

Section 10. Call for Election. This Resolution shall stand as the order to each of the Los Angeles County and Ventura County Registrar of Voters, respectively, to call an election within the boundaries of the District on November 3, 2026. This Board requests that the District election be consolidated with any and all elections to be held within the boundaries of the District on November 3, 2026.

The Board hereby requests that the Los Angeles County Registrar of Voters and the Ventura County Registrar of Voters or other appropriate election officials of either Los Angeles or Ventura County, take all actions which are necessary or appropriate in connection with the election, including, but not limited to, printing and mailing sample ballots, arguments and applications for absentee ballots, canvassing election returns and certifying the results of the election to the Board. The Board hereby agrees to reimburse each of Los Angeles

County and Ventura County in full for any services performed by each for the District upon presentation of an invoice to the District.

Section 11. Formal Notice of Election. The Secretary of the Board is hereby authorized and directed to deliver a copy of this Resolution to the Los Angeles County Superintendent of Schools and the Registrars of Voters/Elections Department of each of Los Angeles and Ventura Counties, as well as the Clerk of the Board of Supervisors of each of Los Angeles and Ventura Counties, not later than August 7, 2026, and to give notice of the election by causing the Registrar of Voters/Elections Department to publish the text of the measure and other items, not later than 15 days before the date of the election. The Secretary of the Board is hereby further authorized and directed to post a copy of this Resolution on or near the doors of the District Office and in three public places within the District for at least two weeks before the date of the election.

Section 12. Special City Election. In the event that either or both of the Cities of Calabasas and Westlake Village conduct an election within their respective boundaries on November 3, 2026 which is not consolidated with elections conducted by the Los Angeles County or the Ventura County Registrar of Voters, the Board directs that the actions described in Sections 10, and 11 above, be given full force and effect by the Cities of Calabasas and Westlake Village, and that concurrent elections with respect to the Parcel Tax measure be held in one or both cities and in Los Angeles and Ventura Counties, as applicable.

Section 13. Severability. If any section, subsection, phrase or clause of this Resolution is for any reason found to be invalid, such section, subsection, phrase or clause shall be severed from, and shall not affect the validity of, all remaining portions of this Resolution which can be given effect without the severed portion.

Section 14. Ballot Argument. The members of the Board are hereby authorized, but not directed, to prepare and file with the Los Angeles and Ventura County Registrar of Voters/Election Department, respectively, a ballot argument in favor of the proposition contained in Exhibit B hereof, within the time established by such Department.

Section 15. Required Vote. Subject to two-thirds approval of the District's voters, the Parcel Tax shall be collected by the Los Angeles and Ventura County Tax Collectors, as applicable, at the same time and manner and shall be subject to the same penalties as ad valorem property taxes collected by the Tax Collectors. The Parcel Tax shall bear interest at the same rate for unpaid ad valorem property taxes until paid.

Section 16. Annual Report. The chief fiscal officer of the District shall, pursuant to Government Code Section 50075.3, file an annual report to the Board of Education as provided herein accounting for the high quality education and local control tax revenues collected and the manner in which they have been spent.

Section 17. Further Authorization. The officers of the District are, and each of them acting alone is, hereby directed to take such other actions and to execute such other documents as are necessary to carry out the purposes of this Resolution.

Section 18. Consolidation and Canvass. The Board requests the governing body of any such other political subdivision, or any officer otherwise authorized by law, to partially or completely consolidate such election and to further provide that the canvass be made by any body or official authorized by law to canvass the returns of the election, and that the Board consents to such consolidation.

- Maintain core programs in math, science and technology;
- Attract and retain highly qualified teachers; and
- Maintain core programs in reading and the arts.

The proceeds of the parcel tax shall be deposited into a separate account created by the District.

DEFINITION OF PARCEL

For purposes of the high quality education parcel tax, the term “Parcel” means any parcel of land which lies wholly or partially within the boundaries of the Las Virgenes Unified School District, that receives a separate tax bill for ad valorem property taxes from the Los Angeles or the Ventura County Assessor/Tax Collector, as applicable. All property that is otherwise exempt from or upon which are levied no ad valorem property taxes in any year shall also be exempt from the high quality education and local control parcel tax in such year.

For purposes of this high quality education and local control Parcel Tax, any such “Parcels” which are (i) contiguous, and (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by submitting to the District an application of the owners thereof by June 15 of any year, be treated as a single “parcel” for purposes of the levy of the high quality education and local control parcel tax.

Exemptions.

Pursuant to California Government Code Section 50079 (b)(1), any owner of a Parcel used solely for owner-occupied, single-family residential purposes and who are either (a) 65 years of age or older on or before June 30 of the fiscal year immediately preceding the year in which the tax would apply, or (b) persons receiving Supplemental Security Income for a disability, regardless of age, or (c) receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, may obtain an exemption from the parcel tax by submitting an application therefore, by June 15 of any year, to the District.

Persons currently exempted from the District expiring parcel tax shall automatically be exempted from this Measure without having to file a new application.

The District may establish administrative procedures to periodically verify the continuance of any previously granted exemption.

With respect to all general property tax matters within its jurisdiction, the Los Angeles County Treasurer and Tax Collector and the Ventura County Tax Collector, as applicable, or other appropriate county tax officials, shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the high quality education and local control parcel tax, including any exemptions and the classification of property for purposes of calculating the tax, the decisions of the District shall be final and binding.

Exclusive Procedures.

The procedures described in this Measure and any supplemental procedures established by the Board shall constitute the administrative procedures for claims seeking an exemption, refund, reduction, or recomputation of the education parcel tax. Whether a claim is to be resolved by the District or a county shall be determined by the District in coordination with the applicable county.

ACCOUNTABILITY MEASURES

In accordance with the requirements of California Government Code Sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the parcel tax levied in accordance with this Measure: (a) the specific purposes of the parcel tax shall be those purposes identified above; (b) the proceeds of the parcel tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the high quality education and local control parcel tax must be deposited; and (d) an annual written report shall be made to the Board of Education of the District showing (i) the amount of funds collected and expended from the proceeds of the high quality education and local control parcel tax and (ii) the status of any projects or programs required or authorized to be funded from the proceeds of the parcel tax, as identified above. In addition to the accountability measures required by law, the District will maintain its existing Citizens' Oversight Committee to provide oversight as to the expenditure of parcel tax revenues.

REDUCTION IN TAX IF RESULT IS LESS OTHER GOVERNMENT SUPPORT

The collection of the high quality education and local control Parcel Tax is not intended to decrease or offset any increase in local, state or federal government revenue sources that would otherwise be available to the District during the period of the Parcel Tax. In the event that the levy and collection does have such an effect, the District may cease the levy or shall reduce the Parcel Tax to the extent that such action would restore the amount of the decrease or offset in other revenues

SEVERABILITY

The Board, and the voters by approving this Measure, declare that each section and part of this Measure has independent value. If any portion is held invalid by a court of competent jurisdiction, the remaining portions shall remain in full force and effect to the fullest extent permitted by law.
