P.S. I Love You Foundation's 25th Annual "Day at the Beach Community Event" Fee Waiver

The P.S. I Love You Foundation (Foundation) is a non-profit organization dedicated to developing and implementing effective social and emotional learning programs that benefit at-risk youth. For the past 24 years, the Foundation has hosted an annual "Day at the Beach Community Event" for at-risk youth from various schools, shelters, and foster care programs across Los Angeles County, including Watts, Hawthorne, Carson, Compton, Inglewood, and Long Beach. As part of this event, more than 300 children between the ages of 5 and 12 are paired with an adult mentor for the day and provided the essentials for a beach outing, including boogie boards, toys, and games.

This celebration also serves as a vital opportunity for individuals, families, and corporate teams to engage with community and inspire hope in the lives of young participants. Volunteers play an essential role in the event's success, offering their dedication and compassion to deepen its impact and sustainability. This year's annual "Day at the Beach Community Event," was held on Saturday, September 19, 2026, at Manhattan Beach.
