7.		**Favor**	Veronica Ino Veronica Ino	My name is Veronica Ino. I am a Deaf County employee with over 26 years of service as a Children's Social Worker with DCFS, and I am here today as a representative of the Los Angeles County Deaf/Disability community. We proudly support this motion. It reflects a powerful commitment to equity, access, and culturally aligned services. Our hope is that this inspires every county department to invest in specialized programs—similar to DCFS Deaf Services Unit—so Deaf families receive services from county employees who bring lived experience, fluency in American Sign Language, and a deep understanding of Deaf culture. This motion brings powerful awareness, particularly the mentioning of bringing individuals with disabilities into the county workforce. It serves as a support to our community that county employees with disabilities, provide beyond access services through our representation. We commend the Board of Supervisors and everyone who helped shape this motion. Your leadership lights the path for a more inclusive. Thank you.
