EDWARD YEN
EXECUTIVE OFFICER

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

JOINT RESOLUTION BETWEEN THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES; THE BOARD OF DIRECTORS OF THE COMPTON CREEK MOSQUITO ABATEMENT DISTRICT, THE GREATER LOS ANGELES COUNTY VECTOR CONTROL DISTRICT, THE COUNTY SANITATION DISTRICT NO. 1 OF LOS ANGELES COUNTY, THE COUNTY SANITATION DISTRICT NO. 2 OF LOS ANGELES COUNTY, THE COUNTY SANITATION DISTRICT NO. 8 OF LOS ANGELES COUNTY, AND THE WATER REPLENISHMENT DISTRICT OF SOUTHERN CALIFORNIA; AND THE CITY COUNCIL OF THE CITY OF COMPTON, APPROVING AND ACCEPTING THE NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUE RESULTING FROM THE ANNEXATION OF TERRITORY KNOWN AS REORGANIZATION NO. 2018-08 TO THE COMPTON CREEK MOSQUITO ABATEMENT DISTRICT, DETACHMENT FROM THE GREATER LOS ANGELES COUNTY VECTOR CONTROL DISTRICT
(SECOND DISTRICT) (3-VOTES)

SUBJECT

This action is to adopt the Joint Resolution for the Negotiated Exchange of Property Tax Revenue (Joint Resolution) associated with the annexation of territory to the Compton Creek Mosquito Abatement District (Compton Creek MAD) and detachment from the Greater Los Angeles County Vector Control District (GLACVCD).

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed Joint Resolution, with associated actions, is not subject to the provisions of the California Environmental Quality Act (CEQA).

2. Adopt the enclosed Joint Resolution between the Board of Supervisors (Board), as the governing

body of the County of Los Angeles (County), Consolidated Fire Protection District, the Flood Control District, the County Lighting Maintenance District No. 1687, Firestone Garbage Disposal District, and on behalf of Road District No. 2 and LA County Library; the Board of Directors of the Compton Creek MAD, the GLACVCD, the County Sanitation District No. 1 of Los Angeles County, the County Sanitation District No. 2 of Los Angeles County, the County Sanitation District No. 8 of Los Angeles County, and the Water Replenishment District of Southern California (collectively Districts); and the City Council of the City of Compton (City), based on the negotiated exchange of property tax revenue as a result of the proposed Reorganization No. 2018-08, to annex approximately 1,246.8± acres of territory to the Compton Creek MAD, detachment from the GLACVCD.

3. Authorize the Chief Executive Officer, or his designee, to take all actions to effectuate the Joint Resolution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Compton Creek MAD applied to the Local Agency Formation Commission for the County (LAFCO) to annex territory, consisting of 1,246.8± acres of inhabited territory to the Compton Creek MAD. The reorganization proposes to detach 16 separate areas (portions of the City and portions of unincorporated County) from GLACVCD and annex said areas to Compton Creek MAD. The proposal incorporates the remaining portions of the City that have historically not been included in the territory covered by the Compton Creek MAD. After completion, the entire City will be within the boundaries of Compton Creek MAD's service area, eliminating inconsistencies in the boundaries between Compton Creek MAD and GLACVCD.

Before LAFCO may proceed with the required hearings on the proposed annexation, State law requires the Board, the Board of Directors of the Districts, and the City Council of the City to negotiate and agree to a Joint Resolution that includes, but is not limited to, an exchange of property tax revenue between the County, the Districts, and the City.

The Board of Directors of the Districts and the City Council of the City have adopted the Joint Resolution based on the negotiated exchange of property tax revenue resulting from the proposed annexation of territory to Compton Creek MAD, detachment from GLACVCD.

In order for LAFCO to proceed with the required hearings on the proposed annexation, the Board, as the governing body of the County, the Consolidated Fire Protection District, the Flood Control District, County Lighting Maintenance District No. 1687, Firestone Garbage Disposal District, and on behalf of Road District No. 2 and the LA County Library, must adopt the Joint Resolution.

Implementation of Strategic Plan Goals

These actions support the County's Strategic Plan North Star 3 — Realize Tomorrow's Government Today — by strengthening our internal controls and processes while being cognizant of efficiency to continue good stewardship of the public trust and fiscal responsibility.

FISCAL IMPACT/FINANCING

There is no base transfer of property tax associated with this reorganization. The adopted Joint Resolution will reallocate shares of the annual property tax increment in the affected Tax Rate Areas to Compton Creek MAD, as indicated in the Joint Resolution. The loss of future property tax revenue to the County, Consolidated Fire Protection District, Flood Control District, County Lighting Maintenance District No. 1687, Firestone Garbage Disposal District, Road District No. 2, and the LA County Library, due to the proposed annexation is minimal.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to Part 3, Title 5 of the California Government Code, commencing with section 56000, the Compton Creek MAD adopted a Resolution and filed an application with LAFCO to initiate proceedings for annexation of the subject territory to the Compton Creek MAD.

Section 99 of the California Revenue and Taxation Code (R&T Code) requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service area, or service responsibilities will be altered by such change must address the fiscal impacts of the proposed annexation by negotiating a reallocation of property tax revenue between the affected agencies and approve and accept such reallocation by Joint Resolution. The Board of Directors of the Districts, and the City Council of the City, have adopted the negotiated Joint Resolution, as required by section 99 of the R&T Code.

Adoption of the Joint Resolution by the Board will allow LAFCO to schedule the required public hearings to consider testimony on the proposed annexation. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposal for the annexation.

County Counsel has reviewed the Joint Resolution and has approved as to form.

ENVIRONMENTAL DOCUMENTATION

The proposed Joint Resolution is not a project pursuant to the CEQA because it is an activity that is excluded from the definition of a project by section 15378(b) of the State CEQA Guidelines. This proposed action is an administrative activity of the government, which will not result in direct, or indirect changes to the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Upon the effective date of the annexation, Compton Creek MAD will become responsible for providing municipal services to the annexing territory.

CONCLUSION

At such time as the Board adopts the enclosed Joint Resolution, please provide an adopted copy of this letter and a copy of the signed Joint Resolution to LAFCO Executive Officer, Paul A. Novak by email at pnovak@lalafco.org; one adopted copy of this letter and a copy of the signed Joint Resolution to the Chief Executive Office – Budget and Operations Management Branch – Annexations and Financing Districts; and one adopted copy of this letter and a copy of the signed Joint Resolution to the Auditor-Controller – Property Tax Apportionment Division.

Respectfully submitted,
