MOTION BY SUPERVISOR HOLLY J. MITCHELL October 6, 2026

Expanding Access to Los Angeles Philharmonic's Performance of Tchaikovsky's "Suite from Swan Lake"

The Los Angeles Philharmonic (LA Phil), in partnership with the Office of Supervisor Holly J. Mitchell, invites community members to experience world-class orchestral music at the Walt Disney Concert Hall through "Supervisor Day," an initiative designed to increase access to the arts for Second District constituents. This year's Supervisor Day will take place on October 16, 2026, and will include a special performance and a pre-concert reception offered at no cost to attendees.

During this event, LA Phil Music Director Elim Chan will lead the orchestra in a performance featuring Tchaikovsky's *Suite from Swan Lake*.

This program provides families and individuals with meaningful opportunities to engage with the arts and connect with fellow Second District residents, strengthening community relationships while expanding access to cultural experiences across Los Angeles County.

To support participation in the October 16th event, waiving parking fees will reduce a barrier to attendance and help ensure that constituents can fully enjoy an evening of community building and music at no cost.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Waive parking fees in the amount of $1,500, for up to 150 vehicles, excluding the cost of liability insurance, at the Walt Disney Concert Hall parking lot on October 16, 2026,
