

Governance Reform Task Force Recommended Actions For Measure G's 120-Hour Agenda Posting Requirement

**Presented to the Board of Supervisors
October 20, 2026**

Recommended Actions

The three recommendations the GRTF unanimously recommend the Board adopt for Measure G’s 120-hour posting requirement

120-Hour Posting Implementation

01

Adopt the recommended option to bring the Regular/Legislative and Supplemental Agendas into compliance with Measure G

Agenda Clarity & Accessibility Standards

02

Increase transparency by making agenda items easier for the public to understand and access, and align with Brown Act guidelines

Report back to the Board within one year of implementation

03

Provide accountability and insights through comprehensive status report to the Board within one year of implementation

Together, These Recommendations

Establish a modernized Agenda framework for Los Angeles County

Full compliance with Measure G's 120-hour posting requirement

Operationally feasible within existing County resources

Agenda materials the public can more easily read and understand

Provide accountability through comprehensive status report to the Board within one year of implementation
