23.		**Other**	Lecia Shorter	Unconstitutional judges are being allowed to erroneously transfer the wealth of elderly and disabled Black and Brown citizens in contested probate and conservatorship proceedings in L.A. Superior Courts. Judges e.g. Jonathan Rosenbloom were appointed to temporarily fill a vacant sit without vetting by the State Bar. He continues to operate illegally via secret, default elections where his name does not appear on the ballot and he is never subject to public scrutiny or oversight by disciplinary authorities. He must be removed like others who share the same privilege. He functions his courtroom with no regard for the law, due process or the constitutional rights of litigants. He is destroying Black lives and generational wealth.
