The proposed Project is fully funded by the Avocado Heights – Athens Tipping Fee funds in the amount of $1,317,000. The County of Los Angeles Department of Parks and Recreation (LA County Parks) accelerated the project timeline by proceeding with initial preconstruction activities which included soil testing, report, and drainage analysis in the amount of $60,000 through the LA County Parks' ~~O~~operating ~~B~~budget.

Approval of the appropriation adjustment (Attachment I) will reflect a total increase of $1,257,000 in appropriation to the Avocado Heights Park Equestrian Arena Drainage Improvements Project, Capital Project No. 8A160, offset with the Avocado Heights – Athens Tipping Fee funds available in the LA County Parks' ~~O~~operating ~~B~~budget, to fully fund the proposed Project.

Approval of the recommended actions will authorize LA County Parks to deliver the proposed Project utilizing a Board-approved JOC, as the work involves repair, remodeling, and refurbishing of County facilities. LA County Parks has made the determination that JOC is the most appropriate procurement method for delivery of the construction scope. The standard Board-directed clauses that provide for contract termination, renegotiation, and hiring qualified displaced County employees will be included in the JOC.
