| | | **Oppose** | Armenia Ward | Fraudulent "volunteer" opportunities to fulfill the 2025 Trump work requirement for medical won't save the millions that will lose coverage. I myself worked for la county registrar as a poll worker and they illegally retaliated by not rehiring me for the worthless Nov 2, 2026 election. My point being is that many medi-cak beneficiaries are not employable, if not for disability but lack of marketable skills, lack of ENGLISH, and a Latino identity. Real careers.....are out of touch for the working class minority. Lastly, Medi-Cal is worthless coverage that doctors avoid due to government red tape. Let Trump cancel it all. Quit skirting around federal law. |
