AGN. NO._____

REVISED MOTION BY SUPERVISORS JANICE HAHN AND KATHRYN BARGER

November 17, 2026

Immediate Steps for Los Angeles County to Take to Ameliorate the Impacts of the End of Assisted Living Facility Transitions (ALFT) Benefit to Vulnerable Residents

WE, THEREFORE, MOVE that the Board of Supervisors suspend Section 22.1 of the Rules of the Board for the limited purpose of considering this motion.

WE, FURTHER, MOVE that the Board of Supervisors:

1. Direct the Department of Aging and Disabilities (A&D), in coordination with the Department of Homeless Services and Housing (HSH) and the Department of Health Services (LAHS), to engage Health Net and the California Department of Health Care Services' (DHCS) Medi-Cal Managed Care Division to:
    a. Identify impacts on the affected populations with recommended solutions.
    b. Request that Health Net identify viable transition pathways to ensure appropriate discharge planning and coordinated placement of impacted members and communicate updates.
    c. Coordinate with DHCS to explore whether impacted members may pursue enrollment in the Assisted Living Waiver (ALW) program to mitigate negative impacts.
2. Direct the Chief Executive Office Legislative Affairs and Intergovernmental Relations Branch (CEO-LAIR) to send five-signature letters to the outgoing and incoming

Governors, the DHCS Director, with copies to the Los Angeles County Congressional and State Legislative delegations, requesting that they explore administrative, legislative, and budget advocacy opportunities related to the DHCS' ALW program, California Advancing and Innovating Medi-Cal (CalAIM), and other Medi-Cal programs serving vulnerable populations by November 20, 2026.

3. Direct the A&D, in coordination with the HSH, LAHS, and the CEO, to assess the potential fiscal, staffing, housing, and service capacity impacts associated with the termination of Assisted Living Facilities Transition (ALFT) and Personal Care and Homemaker Services (PCHS), including identifying responsibilities and service needs that cannot reasonably be absorbed by the County without additional State funding and support.
4. Direct the A&D, in coordination with the HSH, LA Health Services (LAHS), and Public Social Services (DPSS), to assess the potential impacts of the January 1, 2027 transition of Medi-Cal members from managed care to fee-for-service Medi-Cal, including potential loss of ALFT, PCHS, and other Community Supports.
5. Direct the A&D, in coordination with HSH, LAHS, DPSS, and the CEO, to report back to the Board of Supervisors within 30 days on the status of the above directives, in writing, and present at a Board Meeting in January 2027.
