62. PREA and NARCAN Comments:

Court was closed this Friday due to a court holiday; there were no incarcerated individuals in the area at the time of inspection conducted by SBC and OIG.
Narcan posters were taped around for awareness of availability
Narcan was available by the main courtine entrance area and in the emergency kits.
A deputy shared that there are "rats the size of cats" in the area.
All of the posters that usually have 2 Narcans taped to them have had those Narcans removed – deputies shared this is because incarcerated people are taking the Narcan and "using needles for tattoos or other purposes."
Because of this, most of the Narcan available is taped up in random locations around courtline for deputies to access. There was Narcan taped to a door, taped to a wall, taped to a corner.
There were 5 Narcan in the alarm Narcan box next to the courtline desk.
