MOTION BY SUPERVISOR LINDSEY P. HORVATH

Shower Program at Rose Avenue Parking Lot

End to Homelessness California, also known as “The Shower of Hope” is a nonprofit organization that has contracted with the City of Los Angeles to provide shower services, utilizing mobile shower trailers to people experiencing homelessness (PEH) in Venice. As one of the City’s Board of Public Works' homelessness initiatives, the program provides hygiene services for PEH, protects public health, improves community cleanliness, and serves as a workforce development program for homeless and formerly incarcerated individuals. The organization will offer towels, toiletries, and other necessities for the appropriate use of the shower trailer. Staff will also clean and disinfect shower stalls after each use, ensuring safe usage of the shower trailer by members of the public while enforcing courtesy rules. The Shower of Hope will be responsible for providing monitoring and shower operation services for four mobile shower trailers. The mobile shower trailer will operate weekly on Thursdays from 9:00 AM to 2:00 PM, starting on August 1, 2024 until July 31, 2026 at the Rose Avenue lot in Venice.

The County is proposing to waive the County’s right of entry permit fee of \$841 and parking fees to End to Homelessness California mobile shower services to those experiencing homelessness and to protect public health and improve community cleanliness.

I, THEREFORE, MOVE that the Board of Supervisors delegate and authorize the Director of the Department of Beaches and Harbors, or his designee, to negotiate and execute a right of entry permit, on a gratis basis, for a term of one year with two 12-month options to renew upon receiving a request to exercise the option by End to Homelessness California and approval by the Director of the Department of Beaches and Harbors. I further move to waive the parking fees
