CCJCC
Public Comment

Providing Verbal Public Comment

Public comment may be provided at CCJCC's General Committee meetings on specified agenda matters or during the General Public Comment period at the end of the meeting.

To provide in-person public comment, you may sign up at the meeting location, indicating which item(s) you would like to address. Staff can assist members of the public at the meeting and will guide public comment per the Chair's direction.

Alternatively, you may provide public comment remotely if you are joining the virtual meeting session. When public comment periods begin, staff will ask members of the public to use the "raise your hand" feature to indicate their request to provide comment. Staff will then guide public comment per the Chair's direction.

Providing Written Public Comment

Public comment – on specified agenda matters or within the general subject matter jurisdiction of CCJCC – may also be provided in writing. If you would like to provide written public comment, please use the written public comment form.

Written Public Comment Received

Written public comment received is posted for the committee's review. While comment is not posted in real-time, it is updated regularly and can be accessed at the CCJCC General Committee page under the supporting documents.
