

COUNTY OF LOS ANGELES PROBATION DEPARTMENT

9150 EAST IMPERIAL HIGHWAY – DOWNEY, CALIFORNIA 90242
(562) 940-2501

GUILLERMO VIERA ROSA
Chief Probation Officer

May 15, 2024

TO: Wendelyn Julien, Executive Director
Los Angeles County Probation Oversight Commission

FROM: Kimberly Epps, Chief Deputy
Juvenile and Adult Services

**SUBJECT: PROGRESS ON IMPLEMENTATION OF THE ELIMINATION OF THE
USE OF OLEORESIN CAPSICUM (OC) SPRAY (19th REPORT)**

On July 8, 2021, the Los Angeles County Probation Oversight Commission (POC) requested that the Department provide a written report to the POC on the progress of implementing the elimination of the use of oleoresin capsicum (OC) spray, including a timeline with dates for key interim benchmarks and steps toward elimination, and a specific target date when the use of OC spray will be eliminated. As of this date, the plan and timeline for eliminating OC spray have not been completed, as we assess how to address and mitigate ongoing incidents of youth-on-youth assaults, physical altercations between youth, incidents of riots and escape attempts, and assaults against staff.

The Department continues to collaborate with the California Department of Justice court-appointed monitor to develop an updated OC spray phase out strategic plan. Probation is committed to downscaling and ultimately eliminating the use of OC spray, and a plan will be completed by the end of the second quarter of 2024.

TRAINING PLAN

As of January 4, 2024, the Department has trained 1,396 employees in the 2-hour OC Spray course. The course covers the policy and decontamination procedures. The Department introduced the Developmental Staff System (DSS) reward behavior modification program to the Secure Youth Treatment Facility (SYTF). In total, 520 employees received an 8-hour DSS training course. The training has also been provided to employees that are temporarily re-assigned to work at SYTF. The Department has trained in the Behavioral Management Program (BMP) for employees working, and temporarily re-assigned to work at Los Padrinos Juvenile Hall (LPJH). There are 506 employee completions of the 16-hour BMP training and 125 completions of the 4-hour BMP for Managers training.

Rebuild Lives and Provide for Healthier and Safer Communities

As of January 1, 2024, the Department has trained 1,200 employees in the 8-hour Use of Force Policy training.

The 16-hour Physical Intervention training has continued since March 3, 2024. There are 338 employees that completed the full 16-hour training. In addition, there are 671 employees that completed “day one” (8-hours) of training. The department will continue to train on “day two” (8-hours) through June 30, 2024.

The Department has completed an Annual Training Plan for the 2024-2025 year that includes continued training that supports the elimination of OC spray.

OC UTILIZATION

Table 1 documents OC spray incident totals by month.

OC Utilization by Month

MONTH	BJNJH	CJH	LPJH	MONTHLY TOTAL	CUMULATIVE TOTAL
June-21	6	5		11	11
July-21	10	3		13	24
August-21	9	6		15	39
September-21	9	13		22	61
October-21	17	18		35	96
November-21	9	20		29	125
December-21	11	15		26	151
