UPDATED OC SPRAY REPORTS

In February 2019, the Board of Supervisors unanimously approved a motion to phase out the use of Oleoresin Capsicum (OC) spray in the county juvenile facilities. As reported to the POC (link), the plan and timeline for eliminating OC spray have not been completed and the department continues in its efforts to address and mitigate ongoing youth incidents.

The following table provides monthly summary counts of OC Spray Deployments for LPJH and BJN. Additional reports are also provided.

Updated 10/19/2026

OC Spray Summary Table

MONTH/YEAR	LPJH	BJN	CVK
Jan-24	23	2
