COMPLAINT AGAINST LA METRO
OFFICER 7/7/2025 10:05 to 10:11am

My name is Sergeant Dr. Jaquel J. Pitts, Ph.D. I am a security guard employed by a third party security company. This hereby serves as a complaint against a LA METRO officer who was a African American male who illegally searched my property and belongings at a security checkpoint without my consent at the Compton station at the entrance of the station. This incident occurred at the entrance of Compton station between 10:05am and 10:11am on July 7 2025. Lately LA METRO has been instituting security checkpoints and metal detectors and they have been searching all the patrons who visit certain stations such as Norwalk Station and Compton Station . These searches consists of LA METRO officers going through all incoming patrons and people's bags purses and personal belongings and demanding that they

empty their pockets. During the incident I was wearing a black beanie that said SECURITY on it. Black hoodie that said security and black sweatpants that said US army on it, and I was wearing black tennis shoes. I'm a African American male 6'0 200lbs

THIS IS A VIOLATION OF THE FOURTH AMENDMENT

PLUS I AM A SECURITY GUARD WHO IS AUTHORIZED TO CARRY WEAPONS

So what are you going to do if a third party security guard is on his way to work carrying a weapon, who does not have a car? Are you going to tell him he can't carry his weapon?

LA METRO IS NOT A FEDERAL AGENCY!

The institution of security checkpoints that involve searching bags, purses, and belongings without reasonable suspicion and probable cause that force universal search and seizure to all patrons who enter the station is UNCONSTITUTIONAL and a violation of the FOURTH AMENDMENT.

Yes, it is generally illegal for law enforcement to search items and belongings without probable cause. The Fourth Amendment of the U.S. Constitution protects individuals from unreasonable searches and seizures,

requiring law enforcement to have a warrant or probable cause (and potentially other exceptions) before conducting a search.

Here's a more detailed explanation:

Fourth Amendment Protection:

The Fourth Amendment protects individuals from unreasonable searches and seizures, meaning the government (including law enforcement) cannot search your property or take your belongings without a good reason.

Probable Cause Requirement:

Generally, law enforcement needs a warrant to conduct a search. To obtain a warrant, they must demonstrate probable cause, which is a reasonable belief that a crime has been committed and that evidence of that crime is likely to be found in the place to be searched.

Exceptions:

There are exceptions to the warrant requirement, such as when the person being searched gives consent, when there is a legitim

As Thomas Jefferson once said, "If a nation expects to be ignorant and free, in a state of civilization, it expects what never was and what never will be. If we are to guard against ignorance and remain free, it is the responsibility of every American to be informed."
MalcolmX & Martin Luther King's Murder.

And what really gets me is I've told you many times that George Randolph John Crow Senior had Malcolm X in handcuffs when George's son John Randolph Crow Jr walked in the door with the loaded gun and blow away Malcolm X's head away while he was in his father's handcuffs. He then took out Martin Luther King but nobody gives a shit about these hateful [REDACTED] that murdered all y'all because how you went out there and murdered everybody in the [REDACTED] countries splended the [REDACTED] cold and did everything you could for the man that killed the two people that stood up for any of you.

Here's one that most people wouldn't know George Randolph John Crow Senior was no other than Adolf Hitler and Dorothy Ellen Shepard was Eva Braun! Anything

John Crow Senior was no other than Adolf Hitler and Eva Braun was Dorothy Ellen Shepard! And their covert life Dorothy and George were both FBI agents out of Orlando Florida now you can understand why the third right law enforcement has been in play!

Then your deputy Lovejoy as well as his girlfriend Christina Corpus of the San Mateo County jail rewrote something on my record from a 22 letter word of " TRESPASSING " with 6 months time served on a Misdemeanor. That He Rewrote " Terrorist Plotting" so y'all could go out and murder everybody that I ever met just makes no sense that you can't believe your own handwriting.

The U.S. government is paying El Salvador \$6 million a year to incarcerate the individuals it sends there.

Here's the thing that most people don't understand about Donald Trump. He's a collaborator for the Germans in the Third Reich henchman Donald Trump is certainly is. He is always been with the Third Reich and always been with the Germans. They have been fighting this country ever since before Abraham Lincoln died in the [REDACTED] Opera House. They were the ones on the vessels that brought the Red Coats with them so that the Africans that stole everything from oak Island could burnt down the White House in 1856 and infiltrate America so that everybody would believe that the German Hitler and the Nazi regime had been ended by the war. When Teddy Roosevelt and Eisenhower released Adolf Hitler through Canada and into the United States to retire in Sanford Florida and died in 1971 at a rifle age of 91 years old.

There was never an escape from Alcatraz Al Capone paid for three officers to go to work for the San Francisco Police Department where

they retired and died in the graveyard at the San Francisco Police Department with their photographs at the San Francisco police department for 40 years retirement why there's all that evidence in the world but yet the law enforcement has been so [REDACTED] corrupt ever since that they want to make you believe that they got on too rubber inner tubes that were made out of rubber cement and rubber raincoats and swam all the way over to Angel Island where they later drowned right. 500 trillion dollars they got from the government to search for all them people that never went anywhere but went to work for the San Francisco Police Department on a deal from Al Capone. And each and every escape since then has all been a materialistic val

the lies of the previous investigation that was done by Alex Villanueva

has it been made public that during his "investigation" he did not ask any deputy about being a member of a gang/social club/sub-group, he announced that they did not find any gangs yet when i asked him on twitter he said he didn't ask anyone about their status in any gangs, then i looked at the meeting where he said that he didn't ask any deputy if they were in a gang. was there a press release about that fake "investigation", i don't see how it could be considered an investigation if he didn't talk to anyone, he just sent out a memo and video about coming forward if they're in a gang.

slow downs of service

in my area i've seen multiple times at night a number of patrol cars and many officers dealing with one homeless man sleeping on the sidewalk, all these officers are standing around laughing and doing nothing, now this would be a slow down of service, by allowing that many deputies to be involved in a simple call, they're not available for any other calls, then they request more funding for more officers but this behavior hasn't changed, who supervises them and allows that many units to stand around doing nothing on a simple call, i say simple since there's really only two deputies that are actually talking to the homeless man. the rest of them are standing by their cars chatting. the way they were relax tells me that one sleeping homeless man wasn't a danger and didn't need that many deputies. I passed them going to Walmart then came back 30-40min and they were still there.
