General	<p>Why is the Sheriff Department not protecting the community it serves by questioning and identifying bounty hunters causing havoc throughout LA County? Why are they instead choosing to protect bounty hunters? There are numerous video evidence of Sheriff Deputies blocking off the public why bounty hunters harass the community. Please provide information on how to initiate recall for Sheriff Luna.</p> <p>Thank you.</p>	Tomas
Oversight	<p>How can the public expect that a true non bias complaint investigation is being conducted when the complaints are conducted in house. How come the lapd has a separate agency called internal affairs ? What happened to the foundational rule regarding "checks and balances"? How does anyone think that complaining to the same agency about their members will bring about any resolution?? The people aren't stupid. The people won't allow it. The internet connects civilians and informs everyone. People are waking up in masses, the movement is growing by the minute.</p>
