Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

The COLA driver was found to be not at fault by the department's Vehicle Accident Review Committee (VARC) and California Highway Patrol.

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

- On December 20, 2022, VARC reviewed the collision report and determined that it was non-preventable work damage. Therefore, no other corrective actions were implemented for the COLA driver.
- May 5, 2026 – The department reviewed all County vehicle assignments to confirm operational necessity and determined that Emergency Operations staff do require immediate response capability. As a result, it is concluded that assigning a County vehicle in this case was appropriate and that the incident did not result from any departmental error or negligence.

Date of incident/event:	September 12, 2023
Briefly provide a description of the incident/event:	Summary Corrective Action Plan 2026-310 Details in this document summarize the incident. The information provided is a culmination of various sources to provide an abstract of the incident. Based on multiple investigative reports, on September 12, 2023, at approximately 8:45 a.m., Lieutenant One was on-duty driving her Department-issued 2014 Dodge Charger, at approximately 30 mph, traveling westbound in the High Occupancy Vehicle Lane of the freeway. At the same time, the Plaintiff was driving his 2004 Honda Accord in the same direction in front of Lieutenant One. Traffic slowed down and the Plaintiff suddenly stopped his vehicle. Lieutenant One was unable to stop and collided into the rear of Plaintiff's vehicle. Both Lieutenant One and the Plaintiff were wearing their vehicle's factory installed seatbelts. A collision investigation conducted by the California Highway Patrol concluded that Lieutenant One caused the collision, by violating California Vehicle Code Section 22350- Unsafe Speed.

1. Briefly describe the root cause(s) of the claim/lawsuit:

A **Department** root cause in this incident was Lieutenant One driving in the High Occupancy Vehicle (HOV) lane as a sole occupant in a county vehicle.

A **Department** root cause in this incident was Lieutenant One drove at an unsafe speed (22350 CVC) and caused a collision by rear ending the Plaintiff's vehicle.

A **non-contributing Department** root cause in this incident was Lieutenant One did not activate her Body-Worn Camera (BWC), when the traffic collision occurred.

A **non-Department** root cause in this incident was the Plaintiff was driving in the High Occupancy Vehicle (HOV) lane as a sole occupant.

Administrative Review

This incident was administratively investigated by Century Station supervisors. The findings were presented for Department executive review. The executive review concurred that Lieutenant One drove in the HOV lane as a sole occupant and caused the traffic collision after following too closely behind the plaintiff's vehicle. Date of incident/event:	May 09, 2022
Briefly provide a description of the incident/event:	<u>Sebastian Palma v. County of Los Angeles, et al.</u> Summary Corrective Action Plan 2025-299 On May 9, 2022, personnel from the Los Angeles County Sheriff's Department Crime Impact Team conducted a planned follow-up operation to locate and arrest The Plaintiff, a named suspect in an ongoing felony investigation assigned to Detective Deputy One. The investigation stemmed from allegations resulting in a judicial probable cause determination prior to the arrest. Using Sheriff's Department databases, deputies confirmed the Plaintiff's residence and developed an operations plan to conduct surveillance and verify his presence. The team arrived at the location and visually confirmed the Plaintiff was inside the residence. Deputy Three approached the front door and knocked. Ring camera footage later produced during civil discovery shows that Plaintiff did not answer the door; instead, his girlfriend opened it. As the door opened, Deputy Two proceeded several steps inside the residence and placed the Plaintiff into custody, handcuffing him in the living area. No arrest warrant was obtained prior to the arrest. Following the arrest, the Plaintiff was transported to the station jail, where he was booked and later interviewed by Detective One. The Plaintiff was subsequently transferred through custody facilities. The District Attorney declined to file criminal charges on May 11, 2022, citing insufficient corroborating evidence. The Plaintiff was released from custody on May 13, 2022. Internal review determined deputies acted with probable cause in arresting a named felony suspect and concluded the arrest was lawful; however, the review was based on deputies' statements indicating the arrest occurred at the

	threshold of the doorway. The Ring camera footage obtained later contradicted portions of those accounts by showing entry into the residence prior to handcuffing. Deputies Two and Four failed to activate their body-worn cameras.
--	--

1. Briefly describe the **root cause(s)** of the claim/lawsuit:

A **Department** root cause in this incident was the absence of a Ramey arrest warrant for the Plaintiff.

A **Department** root cause in this incident was Deputy Two entered the residence without consent or a warrant.

A **Department** root cause in this incident was the Deputies reported they arrested the Plaintiff at the threshold of the doorway.

A **Department** root cause in this incident was Deputy Two and Deputy Four failed to activate their body worn cameras.

A **Department** root cause in this incident was the Plaintiff was over detained for two days after the District Attorney declined to file criminal charges.

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

Supervisory inquiry

A supervisory inquiry into the actions surrounding this incident is being conducted. Upon completion of the inquiry, appropriate administrative action will be taken.
