Dear Supervisors:

**AUTHORIZE THE DISTRICT ATTORNEY TO ACCEPT GRANT FUNDS
FROM THE OFFICE OF TRAFFIC SAFETY AND APPROVE THE APPROPRIATION
ADJUSTMENT FOR FEDERAL FISCAL YEAR (FFY) 2020-21
(ALL DISTRICTS) (4-VOTES)**

SUBJECT

This Board Letter requests authority for the District Attorney's Office to accept grant funds from the California Office of Traffic Safety (OTS) for a one-year period running from October 1, 2020 through September 30, 2021. Applicants are required to submit necessary assurances and documentation with their grant application. In addition, approval of the appropriation adjustment is requested.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the District Attorney (DA), on behalf of the County of Los Angeles (COUNTY), to accept federal grant funds from the OTS for the Alcohol and Drug Impaired Driver Vertical Prosecution Program, Catalog of Federal Domestic Assistance 20.616, grant award number DI21020, governed by the Code of Federal Regulations (2 CFR 200), in the amount of \$1,517,500, for a one-year period of October 1, 2020 to September 30, 2021. There is no required County match for this grant.
2. Authorize the DA or his designee, on behalf of the COUNTY, to serve as Project Director and sign and approve any revisions, amendments or extensions to the OTS grant contract that do not increase the Net County Cost of the Project.
3. Authorize the Director of Internal Services to issue a purchase order to continue the program for on-call blood draw services for the detection of impairing substances in DUI investigations, and authorize the DA to enter into a

corresponding Sole Source agreement with Vital Medical Services for these services, in an amount not to exceed \$100,000; and approve any revisions, modifications, amendments or extensions to said agreement, as necessary, to make technical or non-material changes.

4. Approve the attached appropriation adjustment in the amount of \$181,000 to allocate funding for the program which includes funding for salaries and employee benefits of one Deputy District Attorney (DDA) IV, three DDA IIIs and one District Attorney Senior Investigator for FY 2020-21 in order to align the DA's budget with the full amount awarded for the program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The OTS is designated by the Governor to receive federal traffic safety funds from the United States Department of Transportation, National Highway Traffic Safety Administration, for coordinating California's highway safety programs. Each year, the OTS develops a Highway Safety Plan (HSP) identifying the key highway safety problems in the state and the most effective countermeasures to address them. OTS then solicits proposals statewide to address the identified problems. Finally, available funds are allocated to state and local governmental agencies to implement traffic safety programs and grants.

The purpose of the OTS grant is to have a specialized team of Deputy District Attorneys (DDA) continue the process of providing significantly improved DUI-Alcohol and DUI-Drug training to DDAs and law enforcement agencies, as well as allowing this specialized team of DDAs to continue its work in increasing the number of Drug Recognition Experts (DREs). These efforts will serve to increase traffic safety in Los Angeles County.

In Los Angeles County, the number of DUI-Drug cases presented to the DA for filing consideration increased between 2017 and 2019 (848 in 2017 versus 1,132 in 2019), as did the number of DUI drug-alcohol combination cases (151 cases in 2017 compared to 341 cases in 2019). This escalation in DUI Drug cases appears to be consistent with the findings of an October 2018 report from the Insurance Institute for Highway Safety, which determined that police-reported crash rates increased in Colorado, Washington, and Oregon after recreational marijuana was legalized there. The state of Colorado also reported a 300% spike in polysubstance (more than one drug) impaired driving cases between 2013 and 2016 with alcohol and Tetrahydrocannabinol (THC), the principal psychoactive component of cannabis, being the most common combination

(Denver Police Department). In 2016, the state of Washington reported twice as many poly-drug drivers than alcohol-only drivers and five times more than THC-only drivers (Washington Traffic Safety Commission). Marijuana-related traffic deaths increased 66% in the four-year average (2013-2016) since Colorado legalized recreational marijuana compared to the four-year average (2009-2012) prior to legalization. During the same time period, all traffic deaths increased 16%. In 2009, 9% of traffic fatalities involved drivers who tested positive for marijuana. By 2016, that number more than doubled to 21% (Rocky Mountain High Intensity Drug Trafficking Area (2017)).

This also appears to be consistent with the findings of the National Highway Traffic Safety Administration's most recent report, which found that in 2017, 46% of fatally injured drivers, with known test results, tested positive for drugs, up from 28% in 2007.

The DA's plan to develop expertise and train prosecutors on topics specific to DUI-Alcohol and DUI-Drug (DUI-D) cases has been approved for grant funding from the OTS. The DA also seeks approval to continue the program for on-call blood draw services, funded entirely by the OTS grant, to detect impairing substances in DUI-Alcohol, DUI-D, and DUI-Combination (alcohol and drugs) incidents. Initially, the Board approved a pilot program for on-call blood draw services and then extended the program. The program began on June 1, 2019, but is no longer in effect. Approval by the Board to continue this program would allow the DA to gather sufficient data to determine the feasibility of a long-term on-call blood draw service.

Board approval is required to accept grant funds and satisfy County and State requirements.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of the recommended action is consistent with both the Los Angeles County Strategic Plan Goal No. 1, Make Investments that Transform Lives: Aggressively address society's most complicated social, health, and public safety challenges, as well as Goal No. 3, Realize Tomorrow's Government Today: Be an innovative, flexible, effective, and transparent partner focused on public service and advancing the common good.

FISCAL IMPACT/FINANCING

The total funding awarded from OTS is \$1,517,500 for a one-year period, October 1, 2020 to September 30, 2021, which includes the allocation of funds for 50 percent of the salary and employee benefits for one (1) District Attorney Senior Investigator. The pro-

rated grant award amount for the County FY is \$1,477,112. In addition, approval of appropriation adjustment in the amount of \$181,000 is requested to align the DA's budget with the grant award. This amount represents the difference between the pro-rated FY 2020-21 grant award amount of \$1,477,112, and the \$1,296,000 which was included in the DA's FY 2020-21 Adopted Budget.

If funding for this program were to be terminated, an evaluation would be conducted to determine whether the program would be continued with costs absorbed by the department, or discontinued with the reallocation of staff to vacant budgeted positions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The fair and ethical prosecution of those who drive while impaired by alcohol, drugs, or a combination of drugs and alcohol, requires a well-trained prosecutorial staff. The OTS grant is a timely opportunity to provide this training in Los Angeles County, especially given the increase in the number of DUI-Alcohol and DUI-Drug offenses in Los Angeles County since the passage of Proposition 64, entitled the "Adult Use of Marijuana Act" (AUMA).

According to the 2013-2014 National Highway Traffic Safety Administration (NHTSA) National Roadside Survey (NRS), more than 20 percent of weekend, nighttime drivers tested positive for illegal, prescription, or over-the-counter drugs. More than 15 percent tested positive for illicit drugs. More than 12 percent tested positive for THC, the primary psychoactive substance in cannabis, a 48 percent increase from the 8 percent reported in the 2007 NRS.

An additional 2009 NHTSA national study tested fatally injured drivers and found that 18 percent tested positive for at least one illicit, prescription, or over-the counter drug. This is an increase from a 2005 NHTSA study that found that 13 percent of fatally injured drivers tested positive for at least one drug type. The study also found that 23 percent of California's 1,678 fatally injured drivers in 2009 tested positive for drugs. The 2012 California Statewide Roadside Survey found that 14 percent of weekend nighttime drivers tested positive for drugs that can impair driving, while 7.3 percent tested positive for alcohol. The survey found that 7.4 percent of weekend nighttime drivers tested positive for THC, which was found to be the most prevalent drug in the survey.

DUI-D cases involve issues that do not directly overlap with driving under the influence of alcohol cases. The observational tests to detect the physical symptoms of drug impairment, and the chemical tests performed to determine if someone is under the influence of a drug, are in addition to or different from the tests utilized in the standard

evaluations applicable to alcohol impairment. This grant funding allows a specialized team of deputy district attorneys (DDA) to continue to train other DDAs and law enforcement agencies on the issues related to DUI-D cases.

In addition, the OTS grant will provide funding to continue the program for as-needed, on-call blood draw services. The presence of active drugs in the bloodstream of a DUI suspect dissipates rapidly and, unlike alcohol, can only be detected through blood sample testing. Recent changes to the law hold that a blood sample from a DUI suspect may be obtained either through consent or, absent that, through a search warrant signed by a judge. In some instances, law enforcement officers have experienced difficulty or delays in obtaining blood draws at hospitals, despite having obtained consent or a valid search warrant. The program will afford an opportunity to assess the level of need, and the geographic areas of need, for on-call blood draw services in the County. As the grant funds for the program are not to exceed \$100,000, the program for blood-draw services will last until the funds allotted are expended, or until September 30, 2021, whichever comes first.

On January 13, 2021, the District Attorney provided notice through a memorandum addressed to the Board of the intent of the department to enter into negotiations for a sole source contract with Vital Medical Services. The sole source checklist is attached as Attachment A.

The continuation of the program will only require services on a part-time and intermittent basis, and therefore, the sole source contract is exempt from Proposition A (Los Angeles County Code Chapter 2.121).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program proposes the dedication of 50 percent of an existing District Attorney Senior Investigator. Pursuant to your Board motion of December 15, 1998, the Alternate Public Defender, Probation, Public Defender, and Sheriff's Departments have been notified of this request for review and have determined that this action would not impact their current operations.

CONCLUSION

Following Board approval, the Executive Officer-Clerk of the Board is requested to return two (2) copies of the adopted Board Letter to Ms. Melanie Rubio, District Attorney's Office, 211 W. Temple Street, Suite 200, Los Angeles, California 90012. Any questions may be directed to Ms. Rubio at (213) 257-2803.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF A MODEL MASTER AGREEMENT FOR HIGH-VOLTAGE
ELECTRICAL REPAIR AND MAINTENANCE SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) is seeking the Board's approval of a Model Master Agreement (Model Agreement) for High-Voltage Electrical Repair and Maintenance Services (Services) that will be used to award contracts to qualified independent contractors to provide the Services on an as-needed basis for the Department's Facilities Services Bureau.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve the attached Model Agreement for a term of three years, with an option to extend for three additional three-year periods, for a total term not to exceed twelve years.
2. Delegate authority to the Sheriff, or his designee, to execute Master Agreements (Agreements) substantially similar to the attached Model Agreement with qualified contractors, commencing upon execution by the Sheriff and terminating three years from the date the Board approves the Model Agreement, plus three additional three-year option periods, to meet the needs of the Department, provided sufficient funding is available.

3. Delegate authority to the Sheriff, or his designee, to execute Amendments and Change Orders to the Agreements as set forth throughout the Model Agreement including Amendments and Change Orders to: (1) effectuate modifications which do not materially affect any term of the Agreements; (2) add new or revised standard County contract provisions adopted by the Board as required periodically; (3) exercise option terms of the Agreements; (4) effectuate the assignment and delegation/mergers or acquisitions provision; and (5) terminate the Agreements, either in whole or in part, by the provision of a ten-day advanced written notice.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will provide the Department with a pool of readily available qualified contractors to provide both emergency and routine high-voltage electrical repair and maintenance services at five Department custody facilities located throughout the County. In the event of damage to, or failure of, the high-voltage electrical infrastructure, a qualified contractor will be required to restore electric service to the affected Department facilities. The performance of this type of work requires specialized skills and equipment that is beyond the ability of the Department to provide.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan, Goal Strategy III.3 - Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability by enabling the Department to obtain needed Services in a timely manner to ensure safe and secure facilities for our employees, inmates, and the visiting public.

FISCAL IMPACT/FINANCING

The estimated annual cost for Services is approximately \$250,000. Actual expenditures will be incurred solely on an as-needed basis.

Over the term of the Agreements, appropriate allocations will be established in the Department's annual operating budget to meet the anticipated need each fiscal year.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Model Agreement was determined to be a Non-Proposition 'A' Agreement due to Services being highly specialized in nature and used on an as-needed basis. The Living Wage Program (County Code Chapter 2.2001) does not apply to the recommended Model Agreement.

The Honorable Board of Supervisors
March 9, 2021
Page 3

The Department will acquire the Services by soliciting Work Orders, as described in the Model Agreement, to qualified Master Agreement contractors utilizing a competitive bidding process, unless emergent circumstances justify otherwise.

The Model Agreement includes all County-required provisions and requirements, including Jury Service, Safely Surrendered Baby Law, Defaulted Property Tax Reduction Program, Zero Tolerance Policy for Human Trafficking, Fair Chance Employment, Policy of Equity, and Prohibition from Participation in Future Solicitations.

The Model Agreement has been approved as to form by County Counsel.

CONTRACTING PROCESS

On September 1, 2020, the Department issued a Request for Statements of Qualifications (RFSQ) for Services. The RFSQ solicitation was posted on the County's and Department's websites, with an initial closing date of September 30, 2020. The Department received three Statements of Qualifications by the initial closing date.

The RFSQ will remain open until the needs of the Department are met. Upon the Board's approval, the Sheriff will execute Agreements with all qualified contractors.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this action will allow the Department to efficiently obtain both emergency and routine high-voltage electrical repair and maintenance services.

CONCLUSION

Upon Board approval, please return a copy of the adopted Board letter to the Department's Contracts Unit.

Sincerely,

ALEX VILLANUEVA, SHERIFF

- 3.1** Pursuant to the provisions of this Master Agreement, Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, Services and other Work as set forth in this Master Agreement, including Attachment 1 (Statement of Work), and any fully executed Work Order.

- 3.3 Upon determination by County to solicit as-needed Services, the County will issue Work Orders to Qualified Contractors utilizing a competitive bidding process.
- 3.4 Upon determination by County to solicit emergency Services, it is County's intent to issue Work Orders to Qualified Contractors on a rotational basis. The Department retains the sole discretion to issue a Work Order to any Qualified Contractor based on the emergency needs of the County.
- 3.5 The County's procedures for issuing and executing Work Orders, see Exhibit F (Sample Work Order) to this Master Agreement, are generally as follows:
- 3.5.1 Upon determination by the County to issue a Work Order, the County will identify the Work to be performed and will issue a Work Order solicitation to Contractors who are qualified to perform the Work pursuant to Exhibit I (Contractor's Service Category Checklist) to this Master Agreement. The Work Order solicitation will include a service summary outline describing the project and the Work required for the performance thereof.
- 3.5.2 Each interested Contractor shall submit a not-to-exceed, maximum price bid to the Department for the Work indicated on the Work Order solicitation by the timeframe specified on the Work Order solicitation. Work Order bids shall conform to Exhibit F (Sample Work Order) to this Master Agreement.
- 3.5.2.1 Contractor's intentional gross underbidding or zero-cost bidding of a Work Order solicitation, for the sole purpose of securing a bid award, particularly, though not exclusively, for diagnostic Services (see Paragraph 3.5.6 of this Master Agreement), will be considered non-responsible and therefore, null and void, in County's sole discretion.
- 3.5.3 To ensure Contractor is properly compensated for all Work provided, Contractor shall build into each Work Order bid, its fully burdened not-to-exceed maximum costs for the Work contemplated. (For purposes of this paragraph 3.5.3, 'fully burdened' means those non-Work Order operating expenses such as; administrative/clerical costs, material acquisition and handling, stocking and restocking fees, and other operating costs as applicable.)
- In accordance with Paragraph 5.4 (Invoices and Payments) of this Master Agreement, Contractor's invoices to County shall include, among other things, the actual Work hours performed, for each employee providing Work under the subject Work Order. Invoices lacking all required information will not be approved by County for payment.

- 3.5.3.1 Contractor's fully burdened not-to-exceed maximum Work Order bid pricing shall itemize, but not be limited to:
- a. Labor hours and hourly rates by employee classification (supervisor, heavy equipment operator, journey electrician, laborer, etc.);
 - b. Heavy equipment fees (operating hours, fuel, etc.); and
 - c. Repair parts, components, and raw materials costs.
- 3.5.4 Response Time
- a. Non-Emergency:

A non-emergency includes, but is not limited to, general/routine repairs, preventative maintenance, upgrades, inspection, testing and certification. Contractor shall respond by the timeframe specified on the Work Order solicitation from County. Upon County's approval of a bid, the selected Contractor shall provide onsite presence within three Business Days, or as otherwise mutually agreed.
 - b. Emergency:

The County defines an emergency as: any condition(s) constituting a threat to health, welfare, and/or the safety of people and/or property, or that will adversely affect one or more essential services as determined by the County, in its sole discretion. Contractor shall respond by the timeframe specified on the emergency Work Order solicitation from County. Delivery of Service and onsite presence shall begin within four hours of Contractor's acceptance of a County-approved emergency Work Order, or as otherwise mutually agreed.
- 3.5.5 Upon review of non-emergency bid responses, the County will award a Work Order to the Contractor with the lowest cost responsive and responsible bid.
- 3.5.6 Prior to authorizing Work to commence, County may in its sole discretion require Contractor to clarify any itemized costs presented in the winning bid response and the manner in which they are presented. County reserves its sole right to question any line item of the bid response and, in consultation with Contractor, may request the removal of such line item along with a reduction to Contractor's not-to-exceed maximum bid.
- 3.5.7 In the event that the lowest cost responsive and responsible Contractor is not available to provide Service within the County's timeframe, the County, in its sole discretion, may request Services from the next lowest cost, responsive and responsible Contractor until the County's requirements are filled.

- 3.5.8 In cases where the County can neither describe the Work requirements, nor the problem or solution required to fix the problem, an initial Work Order will be issued to diagnose the problem. Upon Contractor diagnosing the problem and determining the cost of repairs, a supplemental Work Order will be negotiated with Contractor to perform and complete the repair if Contractor is determined to be qualified, in County's Project Manager's sole discretion, pursuant to Exhibit I (Contractor's Service Category Checklist) to this Master Agreement.
- 3.5.9 After execution of a Work Order to diagnose the problem, if Contractor cannot determine the cause of the problem to effect repair of the electrical system, and would therefore require the removal or disassembly of the equipment to further diagnose and repair the system, a supplemental Work Order may be issued for the additional diagnostic Work. Only upon receiving an approved supplemental Work Order from County Project Manager may the Contractor proceed with the actual repairs.
- 3.5.10 If at any time Contractor cannot fulfill a Work Order, County Project Manager will proceed to another Qualified Contractor.
- 3.6 Failure of Contractor to provide a written response to, and any required documentation in accordance with, a Work Order solicitation, within its specified timeframe, shall disqualify Contractor from competing for the specified Work.

4.0 TERM OF MASTER AGREEMENT

- 4.1 The term of this Master Agreement shall commence upon execution by the Sheriff or his designee as authorized by the County Board of Supervisors and shall terminate on _____, unless sooner extended or terminated, in whole or in part, as provided in this Master Agreement.
- 4.2 The County shall have the sole discretion to extend the term of this Master Agreement for up to three additional three-year option periods, for a maximum total Master Agreement term not to exceed 12 years. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County's right to recover such payment from Contractor.

5.3.2 Notwithstanding the above, Contractor shall be entitled to payment for services that are satisfactorily completed after the expiration or other termination of this Master Agreement, provided that any such services are rendered pursuant to a Work Order that was validly executed during the term of this Master Agreement. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 Invoices and Payments

5.4.1 The Contractor shall invoice the County only for providing the tasks, deliverables, services, and other Work specified in Attachment 1 (Statement of Work) to this Master Agreement and a

- 5.4.3 Contractor shall satisfactorily perform all Work and shall correct defective materials or workmanship prior to payment by Department for Work performed.
- 5.4.4 County shall not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc.

- 5.5.4 At any time during the duration of this Master Agreement, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.

For purposes of this Paragraph, County consent shall require a written Amendment to this Master Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Master Agreement shall be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.
- 8.2.3 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Master Agreement.
- 8.2.4 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 Complaints

The Contractor shall develop, maintain and operate procedures for receiving, investigating, and responding to complaints.

- 8.4.1 Within ten Business Days after this Master Agreement effective date, the Contractor shall provide the County with the Contractor's policy for receiving, investigating and responding to user complaints.
- 8.4.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.
- 8.4.3 If the County requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within ten Business Days for County approval.
- 8.4.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the County for approval before implementation.
- 8.4.5 The Contractor shall preliminarily investigate all complaints and notify the County Project Manager of the status of the investigation within ten Business Days of receiving the complaint.
- 8.4.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.4.7 Copies of all written responses shall be sent to the County Project Manager within ten Business Days of mailing to the complainant.

8.5 Compliance with Applicable Laws

- 8.5.1 In the performance of this Master Agreement, Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Master Agreement are hereby incorporated herein by reference.
- 8.5.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.5 (Compliance with Applicable Laws) of this Master Agreement shall

be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.6 Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. The Contractor shall comply with Exhibit C (Contractor's EEO Certification) to this Master Agreement.

8.7 Compliance with County's Jury Service Program

8.7.1 Jury Service Program

This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit D (Jury Service Ordinance) and incorporated by reference into and made part to this Master Agreement.

8.7.2 Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five calendar days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such

jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Master Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Master Agreements or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or, (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 calendar days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under this Master Agreement, the subcontractor shall also be subject to the provisions of this Paragraph. The provisions of this Paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when this Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this Paragraph 8.7.2 (Written Employee Jury Service Policy) may constitute a material breach of this Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate this Master Agreement and/or bar Contractor from the award

of future County Master Agreements for a period of time consistent with the seriousness of the breach.

8.8 Conflict of Interest

- 8.8.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of Work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such Work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such Work.
- 8.8.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 8.8 (Conflict of Interest) shall be a material breach of this Master Agreement.

8.9 Consideration of Hiring County Employees Targeted for Layoff or Re-employment

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.10 Consideration of Hiring GAIN/GROW Participants

- 8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this

purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

- 8.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.11 Contractor Responsibility and Debarment

8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform this Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Master Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing Work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the County Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Master Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Master Agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the County Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the County Board of Supervisors. The County Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five years, that Contractor may after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting

documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the County Board of Supervisors. The County Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.11.5 Subcontractors of Contractor

These terms shall also apply to subcontractors of County Contractors.

8.12 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, Exhibit E (Safely Surrendered Baby Law), in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at www.babysafela.org.

8.13 Contractor's Warranty of Adherence to County's Child Support Compliance Program

- 8.13.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Master Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.
- 8.13.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Master Agreement

maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 County's Quality Assurance Plan

The County or its agent(s) will monitor the Contractor's performance under this Master Agreement on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of this Master Agreement in jeopardy if not corrected will be reported to the County Board of Supervisors and listed in the appropriate Contractor performance database. The report to the County Board of Supervisors will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

8.15 Damage to County Facilities, Buildings or Grounds

- 8.15.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 calendar days after the occurrence.
- 8.15.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand.

8.16 Employment Eligibility Verification

- 8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing Work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing Work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not

limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

- 8.16.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing Work under this Master Agreement.

8.17 Facsimile Representations

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on Change Orders and Amendments prepared pursuant to Paragraph 8.1 (Change Orders and Amendments) of this Master Agreement, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Orders and Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.18 Fair Labor Standards

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for Work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.19 Force Majeure

- 8.19.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, earthquakes, epidemics, pandemics, quarantine restrictions, and other natural occurrences; strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph as "force majeure events").

- 8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 Governing Law, Jurisdiction, and Venue

This Master Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.21 Independent Contractor Status

- 8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 8.21.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to this Master Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.
- 8.21.3 The Contractor understands and agrees that all persons performing Work pursuant to this Master Agreement are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any

injuries arising from or connected with any Work performed by or on behalf of the Contractor pursuant to this Master Agreement.

8.21.4 The Contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality) of this Master Agreement.

8.22 Indemnification

The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers ("County Indemnitees") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Master Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

8.23 General Provisions for all Insurance Coverage

Without limiting Contractor's indemnification of County, and in the performance of this Master Agreement and until all of its obligations pursuant to this Master Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Paragraph 8.23 (General Provisions for all Insurance Coverage) and Paragraph 8.24 (Insurance Coverage) of this Master Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Master Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Master Agreement.

8.23.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Master Agreement.
- Renewal Certificates shall be provided to County not less than ten calendar days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.
- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Master Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the

Contractor identified as the contracting party in this Master Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to the County Contract Compliance Manager listed in Exhibit A (County's Administration) to this Master Agreement.

Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Master Agreement, and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.23.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.23.3 Cancellation of or Changes in Insurance

Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten calendar days in advance of cancellation for non-payment of premium and 30 calendar days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of this Master Agreement, in the sole discretion of the County, upon which the County may suspend or terminate this Master Agreement.

8.23.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of this Master Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Master Agreement. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.23.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.23.6 Contractor's Insurance Shall Be Primary

Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

8.23.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Master Agreement. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.23.8 Subcontractor Insurance Coverage Requirements

Contractor shall include all subcontractors as insureds under Contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.23.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.23.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Master Agreement. Contractor understands and agrees it shall maintain such coverage for a period of not less than three years following Master Agreement expiration, termination or cancellation.

8.23.11 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.23.12 Separation of Insureds

8.23.14 County Review and Approval of Insurance Requirements

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.

8.24 Insurance Coverage

Insurance shall cover liability arising out of Contractor's use of autos pursuant to this Master Agreement, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

8.24.3 Workers Compensation and Employers' Liability insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. If applicable to Contractor's operations, coverage also shall be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law.

8.25 Liquidated Damages

8.25.1 If, in the judgment of the County Project Director, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the County Project Director, at his/her option, in

addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for Work not performed. Should the Contractor fail to correct deficiencies within said time frame, the County Project Director may:

- (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the monthly contract sum; and/or
- (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars per day per infraction and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or
- (c) Upon giving five calendar days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.25.3 The action noted in Paragraph 8.25.2 above, shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Master Agreement.

8.25.4 This Paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Master Agreement provided by law or as specified in Paragraph 8.25.2 above, and shall not, in any manner, restrict or limit the County's right to terminate this Master Agreement as agreed to herein.

8.26 Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Master Agreement provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Master Agreement, then such lower prices shall be immediately extended to the County.

8.27 Nondiscrimination and Affirmative Action

- 8.27.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.27.7 If the County finds that any provisions of this Paragraph 8.27 (Nondiscrimination and Affirmative Action) of this Master Agreement have been violated, such violation shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Master Agreement.

The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

- 8.37.3 If, at any time during the term of this Master Agreement or within five years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the Work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such Work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such Work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 Recycled Bond Paper

The Contractor is responsible to notify its subcontractors of this County right.

8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to the County Contract Compliance Manager as listed in Exhibit A (County's Administration) to this Master Agreement, before any subcontractor employee may perform any Work hereunder.

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.13 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) of this Master Agreement shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to Paragraph 8.42 (Termination for Default) of this Master Agreement and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 Termination for Convenience

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of Work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten calendar days after the notice is sent.

- Stop Work under the Work Order or under this Master Agreement, as identified in such notice;

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Paragraph 8.42.1 above, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this Paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.42.2 above, if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were

obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

- 8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42 (Termination for Default) of this Master Agreement, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.42 (Termination for Default) of this Master Agreement, or that the default was excusable under the provisions of Paragraph 8.42.3 above, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience) of this Master Agreement.
- 8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 (Termination for Default) of this Master Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 Waiver

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.48 (Waiver) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

JURY SERVICE ORDINANCE

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

SAFELY SURRENDERED BABY LAW

**HIGH-VOLTAGE ELECTRICAL REPAIR AND

Safely Surrendered *Baby Law*

*Babies can be safely surrendered

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
